

DONALD P. WAGNER

Mayor of Irvine

Mayor Don Wagner has a history of getting the job done while being a good steward of taxpayer dollars. He understands how hard we work for every dollar, and he is committed to delivering the best county services at the lowest price.

Don is tough on crime. In the legislature he opposed reducing penalties for sex offenders who prey on children. As Supervisor, he'll increase funding for law enforcement to help people in high crime areas take back their communities.

Don has a plan to solve the homeless crisis. He'll make sure our veterans, women, and children never spend a night outside. His plan also provides compassionate treatment options for addicts and the mentally ill.

Don is fiscally responsible. During six years as President of the South Orange County Community College District he balanced every budget and paid off all debt, without raising taxes.

Don is committed to increasing our quality of life. As Irvine Mayor, he enacted a traffic plan to reduce gridlock, improved our park system, and accelerated build out of the Orange County Great Park.

Don's reasoned, collaborative approach to problem solving is why every mayor in the district supports him. Your vote helps Don Wagner continue working for us.
