Dear Orange County Voter:

Thank you for registering to vote! This Sample Ballot contains information for the November 4, 2014 General Election. Please take a moment to be prepared prior to voting.

- **Vote-by-Mail:** You can save time and vote-by-mail. If you are a permanent vote-by-mail voter your ballot will be sent automatically to you. If you are not a permanent vote-by-mail voter you may apply by using the application on the back of this pamphlet or by visiting ocvote.com/votemail. The last day to request a vote-by-mail ballot is October 28, 2014. Please remember to mail your ballot early to avoid any potential postal delays.
- **Polling Place:** If you choose to vote at your polling place please plan ahead. Parking is limited at some locations and you can avoid congestion by voting mid-day if possible. You will have the option of voting an electronic or paper ballot at the polls. Simply advise the poll worker of your preference when signing the roster.
- **Questions:** If you have additional questions about the November 4th General Election you may visit ocvote.com/info or call 1-888-628-6837. We are also on social media – [facebook.com/OCROV](https://www.facebook.com/OCROV) or Twitter [@ocregistrar](https://twitter.com/ocregistrar).

Our mission is to serve the registered voters of Orange County in a uniform, consistent and accessible manner with the highest level of integrity. We look forward to counting your vote and giving you another successful election.

Sincerely,

TOP TWO CANDIDATES OPEN PRIMARY ACT

Many candidate contests on the June 3, 2014 Statewide Direct Primary Election ballot were governed by the open primary law that took effect in 2012. The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

This meant for the June 3, 2014 Statewide Direct Primary Election, a voter could vote for any candidate, regardless of what party preference was indicated on his/her voter registration form. Only the two candidates receiving the most votes – regardless of party preference – will be in the General Election regardless of vote totals. If a candidate received a majority of the vote (50 percent + 1) in the Primary Election, a General Election still must be held. Even if there were only two candidates in the open primary, a General Election is still required.

A write-in candidate can only move on to the General Election if the candidate is one of the top two vote-getters in the Primary Election. **The voter may not write-in a name for a voter-nominated contest in the General Election.** Additionally, there is no independent nomination process for a General Election.

UNITED STATES REPRESENTATIVE, 45TH DISTRICT

DREW E. LEAVENS
Small Businessman/Educator

DEMOCRATIC
AGE: 61

People before Politics. Those are my values, not a campaign slogan. I'm running because our voices are no longer heard by Congress. Special interests and runaway campaign spending now dominate politics. Funding for their next election takes priority over a representative's responsibility to you and me.

My priority is people; those working for a living, our seniors, our veterans, lower and middle income families, the safety of our kids. I value our diversity in religion, ethnicity, and sexuality and vow to represent every community. We can enhance our schools, lower college costs, find solutions to endless water shortages, encourage entrepreneurs and kick our economy into high gear.

We have pressing problems. I welcome the opportunity to tackle the tough issues that impact our lives; the environment, women's rights, immigration reform, gun policy, good paying jobs, Medicare, minimum wage, high taxes and student loan costs. Rather than leadership, Congress produced no job's bill, a financial meltdown, Sequester, government shutdown, endless Benghazi investigations and sued the president. No wonder 93% of American's rate Congress poorly.

We can do better! It's time for a fresh voice and a different approach.

This job is no stepping stone, I've had a career. I'm a middle class, mental health professional, small businessman, educator and caring family man. The constant has been working to help others live better lives. I bring fiscal responsibility, sound judgment, country first attitude and the desire for every citizen to be heard. We can improve Congress... one member at a time! (www.DL45th.com)

UNITED STATES REPRESENTATIVE, 45TH DISTRICT

MIMI WALTERS
California State Senator

REPUBLICAN
AGE: 52

Congressman John Campbell is retiring and I am proud to be running with his endorsement and that of Rep. Ed Royce, Rep. Darrell Issa, Sheriff Sandra Hutchens, District Attorney Tony Rackauckas and many local leaders.

Throughout my career in public service I've worked to restrain government's excesses. As your representative in Congress, I will work for:

Fiscally Responsible Government. Reckless spending in Washington has created a \$17 trillion debt. I'll hold government accountable for the money it spends and seek to eliminate out of date or unnecessary programs. Spending restraint and deficit reduction are among my top priorities.

Economic Growth. Excessive regulations and fees force businesses to look elsewhere to expand. I want to reduce government interference in the marketplace and allow our nation's entrepreneurs to innovate and create jobs.

Low Taxes. Average taxpayers pay over 40% of their income to the government, and some taxpayers pay almost 60%. Allowing taxpayers to keep, spend and invest more of their own money is the best way we can strengthen our economy.

Strong Defense. America faces many challenges around the world. I strongly support our military and our veterans and will not waiver when it comes to keeping America strong.

My background includes: Investment executive and businesswoman; UCLA graduate; Co-Founder, California Women's Leadership Association; Boardmember: National Association of Women Business Owners, American Cancer Society, South Coast Medical Center Foundation; wife and mother of four.

Receiving your vote would be a tremendous honor. Please visit www.MimiWalters.com to find out more. Thank you.

STATEMENTS OF CANDIDATES SEEKING NONPARTISAN OFFICE

JUDGE OF THE SUPERIOR COURT, OFFICE NO. 14

KEVIN HASKINS

AGE: 54

Assistant District Attorney

With strong support from Orange County law enforcement, prosecutors and judges, I am running for Orange County Superior Court Judge. As a supervising Assistant District Attorney with over twenty years' experience prosecuting Homicide, Gang and Assault cases, I have worked hard to protect the people of Orange County from violent criminals and secure justice for crime victims. I would now like to continue to serve our community as a Superior Court Judge.

I have the endorsement of Orange County's top law enforcement officials, Sheriff Sandra Hutchens and District Attorney Tony Rackauckas, as well as the Orange County Coalition of Police and Sheriffs, representing over 3,000 police officers.

I am endorsed by over sixty Orange County Superior Court Judges and have been rated "Well Qualified" by the Orange County Bar Association's Judiciary Committee. I received the Outstanding Prosecutor Award from the Association of Orange County Deputy District Attorneys. They recognize that I have the strong sense of fairness, sound judgment and courtroom experience needed to be a tough but even-handed judge.

As a judge, I will uphold the Constitution and follow the law, not make law. In criminal cases, I will protect the rights of the accused to ensure they are treated fairly. I will also protect the rights of crime victims and their families to ensure they are treated with respect, and protected from abuse throughout the criminal justice process. I will also be tough in dealing with violent criminals when necessary to keep our community safe.

In juvenile cases, I will give young offenders the guidance they need to become law-abiding adults, but also hold them accountable for their actions in a way that protects public safety.

In civil cases, I will work to reduce delay in litigation and ensure that they are resolved in a fair and timely manner.

I live in Laguna Niguel with my wife, Lisa, who is also a prosecutor, and our two children. Lisa and I volunteer helping school children through the Gang Reduction Intervention Partnership.

JUDGE OF THE SUPERIOR COURT, OFFICE NO. 14

KENNETH C. "KC" JONES

Deputy Attorney General

Law enforcement agencies trust me to handle their most challenging legal matters. As Supervising Deputy Attorney General, I represent Californians in complex civil, criminal and administrative proceedings:

- Investigating and prosecuting public officials and employees for misconduct;
- Guarding public safety, keeping drunk drivers off the streets;
- Defending Constitutional rights, privacy rights, equal opportunities;
- Securing compensation to victims of serious, violent crimes.

Prior to my appointment at the Department of Justice, I spent twenty successful years in Orange County in private practice and as an attorney for the courts. I fought frivolous lawsuits and corporate greed for business owners, working families and taxpayers like you.

My quarter-century of public and private service provides me the experience necessary to efficiently resolve disputes and ensure everyone has their fair day in court. As your judge, I will continue to work hard for justice with independence, impartiality and integrity. I pledge to:

- Consistently and uniformly apply the rule of law;
- Insist on personal responsibility.

Scientist/Educator/Entrepreneur

"Innovation for Education," means a better school district for all. My experiences have given me the skills to create student-centered schools in our diverse community.

As a rocket scientist, I live innovation every day, and will bring this approach to our students' education. Let's go beyond "STEM" – Science, Technology, Engineering and Math – and move toward "STEAM," as we integrate the "A" of Art into our curriculum for rigor and creativity.

As a teacher, I understand the classroom and the needs of students.

As an entrepreneur, I know the meaning of accountability and will support programs that have demonstrated results in improving student achievement.

As an officer on the Board of Directors for two non-profit organizations, I can create the strategic leadership for a dynamic vision of success for our schools.

I have been an organizer and contributor to local, county, and state science fairs. My first hand experience in promoting excellence in education has taught me the need to have schools that develop students who are "Achievement Ready" for the 21st century.

MARY ANN GAIDO
Irvine Planning Commissioner

This election will decide who controls the future of our City — profit-driven developers or Irvine residents.

The thoughtful planning that made Irvine the best and safest city in America is threatened by our incumbent Mayor and his policies of rapid, uncontrolled growth.

The Mayor and his pro-growth City Council majority approved 10,000 new homes and apartments at the Great Park. That means 20,000 more cars clogging our streets and intersections throughout Irvine.

As past Chair and current member of the Irvine Planning Commission, I was against the 10,000 new homes, and I have voted against many of the massive apartment complexes and housing tracts now being built in Irvine.

Irvine has a well-deserved reputation as the best master-planned community in America. I have lived here since our City was founded, and have participated in the planning of our wonderful villages, parks, schools, open space and community shopping centers.

As your Mayor, I make a simple pledge to you: I will implement slow growth policies that reduce traffic congestion throughout Irvine, protect open space and preserve the high planning standards that have made Irvine America's most livable city.

With this pledge, I ask for your vote.

Dear Voter:

It has been my honor to serve you as your Mayor. I am now seeking your vote to re-elect me.

Public safety, excellent schools, and a clean environment will remain my top priorities. The Great Park is finally being constructed, and Irvine is becoming a hub for innovative tech companies.

Other highlights include:

- Irvine named the "Safest City in America"
- Irvine named the "Best Run City in America"
- Irvine will receive \$292 million for dismantling the Irvine Redevelopment Agency
- Irvine will pay off its pension liability in 9 years – first city in California to do so
- \$8 million budget surplus in 2013-2014
- Metropolitan library plan at the Great Park

As Mayor, I am here to serve you and to lead the City to the highest quality of life. I can only do it with your support.

Thank you, and God bless you.

I'm Katherine Daigle, I will continue efforts to better our community by fighting for fiscal discipline, limited government, and personal responsibility. With financial knowledge, legal expertise, I will work to address important community issues including growth of the Great Park, pension deficit, and city operations through reduced bureaucracy, identifying and eliminating wasteful spending, and strong support of the private sector in the traditional spirit of American free enterprise.

Irvine's distinction as "America's Safest City" a great community for families will be strengthened through continued visionary planning, strong law enforcement programs, and investment in our first-class education. I'm an advocate for lower taxes, less intrusive government, and a strong proponent of individual and property rights. As Mayor, I would continue to support and expand the city's unprecedented financial assistance for local schools to offset shortcomings in state and federal education dollars. I believe that public service is one of our highest callings and requires trust, ethics, and sacrifice. It would be an honor to serve as your Mayor. I seek to unite Irvine residents with the American can do spirit that brings us together instead of driving us apart with policies that will improve the overall well-being of our city.

AGE: 52

Irvine Commissioner/Educator

As a 29 year Irvine resident, businesswoman, and educator, I value what makes Irvine great:

- World class educational opportunities;
- Outstanding public safety and master planning;
- Business innovation;
- Cultural diversity.

As your city councilwoman, I will not lose sight of these priorities.

Serving as an Irvine Planning Commissioner, I have helped to shape land-use policy:

- Led an initiative eliminating mandates for high-rise, high-density housing that cause additional traffic on Jamboree;
- Approved plans to bring in new Irvine jobs and businesses;
- Voted to expand senior affordable housing;
- Approved plans to add new daycare facilities, providing nearly 400 new spaces for children.

Since 2012, necessary progress toward building the Great Park has been made, and my vote allowed those plans to finally be approved by the City Council. I'm committed to completing this project with transparency and integrity.

It has been my honor to serve as your City Councilmember. We have much we can be proud of here in Irvine.

Public Safety: For the past nine years, Irvine has been named Safest City In America!

Fiscal Security: We have one of the most financially secure cities in California. You won't have to worry about Irvine going bankrupt, as others have done. I've voted for balanced budgets with strong reserves and for a plan that pays down tens of millions in pension debt without raising taxes.

Educational Excellence: Irvine has one of the top school districts in the country. As a Board Member of the Irvine Educational Partnership Fund, I've overseen the distribution of over \$9.2 million towards Irvine's schools.

Personal Integrity: I've refused the car allowance and healthcare insurance for councilmembers. I've used no taxpayer funds for travel/personal expenses.

As Irvine continues to grow, I will safeguard our master plan, and verify that we keep our suburban character. My top priority will be ensuring that Irvine remains a wonderful place to live and raise a family.

EVAN CHEMERS

Irvine Business Owner

Irvine is a great place to live and work. We enjoy exceptional quality of life. But Irvine suffers from lackluster leadership.

Current Council Members are responsible for wasting \$250 million on consultants, studies and public relations on The Great Park which still doesn't exist. Meanwhile, solvable problems of traffic congestion and over-development go unchecked.

We need new energy, better ideas and transparent government before our pressing problems take hold.

I'm a successful Irvine small business owner and pragmatic problem solver who believes that every City Council Member must understand our issues and offer sensible solutions. I've done that as the elected Board President of Irvine's Quail Hill Village. Through careful analysis and tough negotiations we've dramatically improved resident services while cutting costs—despite divisive opposition.

I've pledged to knock on 10,000 doors so I can learn what Irvine families want from city government. So far, I've learned that residents want us to synchronize traffic lights to improve traffic flow, stop subsidizing the wasteful IShuttle and put reasonable limits on massive high density developments. Now that's a plan I support.

Please support me with your vote.

I offer independent leadership. I will serve you with integrity and humility.

CITY OF IRVINE MEMBER OF THE CITY COUNCIL

LARRY AGRAN

Irvine City Councilmember

I ask for your vote for City Council. We need to elect a new Council majority with the courage to slow the pace of growth and development — and restore Irvine's commitment to good planning.

In 1988, I led the effort to enact Irvine's historic Open Space Agreement — setting aside 16,000 acres of hillsides, canyons, wetlands, and wilderness areas — for permanent preservation. Then, from 1998 to 2005, I led the successful fight to defeat the County's dangerous El Toro Airport plan and to set aside 1,300 acres for the Great Park.

These policies to control growth and protect Irvine's quality of life were successful until 2012. Unfortunately, that's when a different Council majority took power and approved nearly 10,000 houses and apartments at the Great Park. The result: traffic, air pollution and school overcrowding.

It's time to say "no" to the big developers, beginning with a moratorium — a "time-out" — on the issuance of new building permits for housing tracts and apartments, followed by the enactment of strict limits on the number of new homes and apartments.

I ask for your help — and your vote. Together, we can uphold our quality of life and redeem Irvine's promise of good planning.

PEER A. SWAN

AGE: 70

Director, Irvine Ranch Water District

As a Director of the Irvine Ranch Water District for the past 34 years, I have played a large role in making the District a nationally recognized leader. We pioneered the use of recycled water, promoted water conservation, funded a program to help replace plant and equipment, and adopted an innovative and low cost bond financing program.

IRWD has gone from 95% dependency on expensive imported water to where 75% of our water is local, more reliable and less costly.

I spearheaded the creation of the San Joaquin Wildlife Sanctuary where urban runoff is naturally treated, while providing needed habitat and public open space.

I was a Founding Director and Chairman for four years of the National Water Research Institute promoting increased research to improve water quality.

We have achieved this high level of service and reliability while maintaining rates that are the lowest in the County.

You have my continued commitment to keep the District an innovative leader dedicated to providing quality service that is reasonably priced and environmentally sensitive and consistent with the high standards of the community we live in.

Please Re-elect Peer Swan

DOUG REINHART

Director, Irvine Ranch Water District

My top priority is to ensure that we have an abundant supply of high quality drinking water. For the past 10 years I have served on the Irvine Ranch Water District (IRWD) Board of Directors and I am proud that IRWD residents have among the lowest water and wastewater rates in the county, while IRWD innovates and continuously improves services.

During my Board tenure I have served as its President and chaired the Engineering and Operations Committee.

Throughout this period I have worked hard to increase our use of recycled water, maximize conservation efforts and develop new sources of supply while protecting our environment.

My professional experience includes over 35 years in the water and wastewater field giving me a clear understanding of the issues and challenges associated with providing this critical service to our community.

I pledge my continued commitment to providing you, our customers, with a secure and reliable source of water to meet our future needs and a transparent water district that spends and invests your ratepayer dollars wisely.

I trust I have earned your vote.

**IRVINE RANCH WATER DISTRICT
DIRECTOR**

STEVEN E. LAMAR

AGE: 64

Director, Irvine Ranch Water District

Irvine Ranch Water District is recognized statewide as a leader in retail water agency innovation. I am currently Board President, and I am committed to continuing IRWD's proactive pursuit of new ways to provide clean and reliable water for our current and future customers.

IRWD has a diversified water supply portfolio that has reduced the need for imported water from 66 percent in 1990 to 22 percent today. We have done so by expanding our local groundwater supplies, developing a new groundwater bank and increasing the supply of recycled water for irrigation and other nondrinking water uses.

I am committed to ensuring that you have a secure water supply using 21st century technology to increase property values, grow our economy, and improve our environment while also maintaining some of the lowest water rates in Orange County.

I will also protect taxpayers from increases and ensure a modern and well maintained system of hundreds of miles of pipelines and treatment facilities.

The ability to meet local water needs could soon affect property values the same way a good school district currently does. In the future, homebuyers and businesses will place a premium on being within IRWD.

STEVE SHELDON

AGE: 49

Director, Orange County Water District, Division 5

It is a privilege serving as your representative on the Orange County Water District (OCWD). Water should be pure, plentiful and affordable. Under my leadership, OCWD has:

- Kept water rates low for you and local farmers
- Developed new drinking water supplies
- Supported water conservation measures
- Increased testing to safeguard water quality

While your drinking water is safe and pure, our groundwater supply is in jeopardy. Industrial businesses have released toxic contamination polluting groundwater that provides drinking water to homes. One well was turned off which could provide enough water for approximately 40,000 residents. Plumes of cancer causing toxins are spreading and threaten to shut down other wells.

We are in a drought. Purchasing imported water is unreliable and expensive; it could cost the taxpayers millions of dollars per year additionally on your water bills. OCWD has begun a comprehensive process to clean-up these plumes. Responsible polluters should pay for this expensive but necessary cleanup; and not the taxpayers.

Endorsements:

- Orange County District Attorney Tony Rackauckas
- Orange County Supervisors Patricia Bates, John Moorlach, Shawn Nelson, Janet Nguyen, Todd Spitzer
- Irvine Mayor Dr. Steven Choi
- Irvine Councilwoman Christina Shea
- Newport Beach Councilmember Keith Curry
- Community and city leaders

I respectfully ask for your vote for re-election.

ORANGE COUNTY WATER DISTRICT DIRECTOR, DIVISION 5

LESLIE DAIGLE

AGE: 52

Businesswoman/City Councilwoman

Our demoralizing drought requires that our water board spend its time and energy on its core mission: Assuring that Newport Beach and Irvine will have abundant, clean and affordable water. Conservation is commendable, but a strategy based on scarcity won't meet our area's growing water needs. Board members should be a voice and force for new water sources.

The drought requires us to get back to basics. I will stop the board from spending time and your money on other things like wasteful, frivolous, and costly lawsuits, or pursuing the construction of a power plant near a residential area.

No candidate can match my record on water issues critical to maintaining our economic and environmental quality of life. During my ten years on the city council, I have been a non-partisan champion of successful, multi-agency projects to improve water quality in Upper Newport Bay, Newport Harbor and along our coast.

I am endorsed by the Mayors of Irvine and Newport Beach.

My leadership has been acknowledged by public officials as diverse as Democratic Senator Dianne Feinstein and Republican Congressman Ken Calvert for my work to clean up surface water facilities.

It's time for a change. I ask for your vote.

MEASURE E**

The Orange County Campaign Reform Ordinance was approved by the voters in 1992. The Ordinance sets contribution limits and regulates other campaign activity of County elected officials and candidates for those offices. Under the existing Ordinance, civil actions seeking monetary penalties for violations of the Ordinance may be brought by the Orange County District Attorney or by a County resident after following the procedure set forth in the Ordinance. Criminal violations are prosecuted by the District Attorney. There is no mechanism in the existing Ordinance for administrative enforcement short of filing a civil action.

State legislation was introduced this year to authorize the Fair Political Practices Commission ("FPPC") to enter into an agreement with a city or county for the FPPC's civil administration, implementation and enforcement of a local campaign finance ordinance. The FPPC is a State agency that regulates and enforces the Political Reform Act of 1974, including its provisions on campaign finance.

This measure would amend the Orange County Campaign Reform Ordinance to authorize Orange County and the FPPC to enter into an agreement for the FPPC to be the civil prosecutor of the Ordinance. The measure provides that in the absence of an agreement between the County and the FPPC, the District Attorney will be the civil prosecutor. The civil prosecutor can bring civil actions to enforce the Ordinance. Under the measure, authority to prosecute criminal violations of the Ordinance remains with the District Attorney.

The measure also provides that the civil prosecutor may bring an administrative action to stop violations of the Ordinance, and to require the filing of reports, statements or other documents and payment to the County of a monetary penalty of up to \$5,000 per violation. The measure further provides that an administrative action must be brought within 5 years after a violation occurs.

This measure will become effective if approved by a majority of the voters in the County casting votes on the measure. Future changes to the Orange County Campaign Reform Ordinance, including this provision if approved, must be submitted to the voters for approval. However, the Board of Supervisors may impose additional requirements without voter approval.

A "yes" vote is a vote to amend Orange County Campaign Reform Ordinance to authorize the Fair Political Practices Commission to be the civil prosecutor of the Ordinance and to add administrative enforcement to the Ordinance.

A "no" vote is a vote not to amend the Orange County Campaign Reform Ordinance.

ARGUMENT IN FAVOR OF MEASURE E

Measure E does one simple thing: it allows California's ethics commission to enforce Orange County's campaign finance rules.

In 1974, California voters approved Proposition 9, the Political Reform Act, which created the Fair Political Practices Commission (FPPC). The FPPC is California's ethics commission, serving as a watchdog enforcing California's campaign finance laws.

Currently, the FPPC is not allowed to enforce Orange County's campaign finance regulations. Measure E amends Orange County's campaign finance rules to permit the County to enter into an agreement with the FPPC to enforce our local campaign finance regulations. The FPPC will be able to provide enforcement, auditing, and training for Orange County's campaign finance rules. **Orange County's lower campaign finance limits would remain unchanged.**

Read the text of Measure E yourself — you'll see it does the following, nothing more, nothing less:

- Orange County can enter into an agreement for the FPPC to be the civil prosecutor enforcing Orange County's campaign finance rules. If there's no agreement, the civil prosecutor remains the District Attorney.
- The FPPC can impose penalties for violations of Orange County's campaign finance rules — including fines of \$5,000 per violation.
- The FPPC can refer cases to the District Attorney for criminal prosecution, if necessary.

Currently, a politician is responsible for enforcing Orange County's campaign finance rules. Some people want an Orange County ethics commission to enforce campaign finance rules while others have expressed concern about creating a new government bureaucracy.

Measure E provides critical government reform by giving Orange County the best of both worlds by bringing in the expertise of the FPPC, California's existing ethics commission.

The FPPC is California's watchdog and expert on enforcing campaign finance law. The FPPC is independent and far beyond the reach of Orange County's politicians, lobbyists, labor unions, business groups, and special interests.

Vote "Yes" on Measure E to allow California's ethics commission to enforce Orange County's campaign finance laws.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. What Orange County needs is a **local** independent Ethics Commission that will audit **all** campaign statements and identify **all** violations.

Measure E incorrectly refers to the Fair Political Practices Commission (FPPC) as "California's Ethics Commission".

- The FPPC is **NOT** an ethics commission. Ethics commissions, such as those in Los Angeles, San Diego and San Francisco, deal with much more than just campaign law violations — including fraud, waste, conflicts of interest, transparency of public records, nepotism, etc.
- The primary job of the FPPC is to enforce the State's campaign laws — **not** to handle ethics issues.

In order to adequately enforce Orange County's campaign law, the FPPC would have to **audit all** the county candidates' campaign statements over an entire four-year Election Cycle. But the FPPC has stated they would audit only on a random basis. Most violations would therefore go undetected.

Moreover, the Board of Supervisors could cancel the FPPC contract at any time, making the process vulnerable to political pressure. **A local Ethics Commission would not be subject to this interference.**

The last two Grand Juries recommended establishment of an Ethics Commission for Orange County and the last Grand Jury specifically recommended **against** hiring the FPPC.

Measure E is an attempt by the Board of Supervisors to skirt the need for an Orange County Ethics Commission. Politicians do not want this type of scrutiny that the public deserves. **Don't be fooled** by this diversion.

Vote NO on Measure E.

ARGUMENT AGAINST MEASURE E

According to the Orange County Grand Jury, Orange County has been a “hotbed of corruption” and “untoward behavior continues and is actively festering”. Former Sheriff Mike Carona is in prison, and there is a history of county executives that have been convicted or charged with serious crimes. Unfortunately, these problems have gone unaddressed for the past decade by the County District Attorney.

As a result, several Grand Juries and citizen activists have repeatedly asked the Board of Supervisors to establish an independent Ethics Commission. This Commission would monitor and enforce conflicts of interest by county officials and employees, as well as monitor and enforce the County campaign finance law (TINCUP - Time Is Now, Clean Up Politics.)

Rather than establish an Ethics Commission, the Board of Supervisors is asking the voters to amend the TINCUP Campaign Ordinance to allow the Board to contract with the Fair Political Practices Commission (FPPC) in Sacramento to review complaints and enforce violations of TINCUP. The FPPC would not address the culture of corruption in Orange County government and most of the violations of the county's Campaign Reform Ordinance would also go undetected since only random audits would be conducted by the FPPC.

An Orange County Ethics Commission would help reduce the influence of money and interest group power in County politics. Los Angeles, San Diego, San Francisco and at least five other major cities/counties in California have their own Ethics Commissions. Orange County needs one too. Contracting with a narrowly focused Sacramento-based bureaucracy will not get the job done. We can only get comprehensive reform by establishing a local Ethics Commission that is independent of the politicians.

We therefore urge you to Vote No on Measure E to prevent this band-aid solution as an alternative to an Orange County Ethics Commission.

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Measure E stands for ethical standards and accountability for Orange County's elected officials. California's Fair Political Practices Commission (FPPC) currently audits and prosecutes campaign finance violations in other counties: **Measure E allows the FPPC to enforce laws in Orange County that often go unenforced.**

Opponents claim the only way to obtain proper oversight is to create a local ethics commission. However, the opponents' idea would expand bureaucracy, cost taxpayers additional pension liability, be filled with political appointees and primed for corruption. Local “Ethics Commissions” in the cities of San Francisco, Los Angeles and San Diego cited by the opponents are appointed by politicians and have proven ineffective:

- **Indeed, the three California State Senators who have been indicted for corruption are from the counties the opponents seek to emulate**, and those Ethics Commissions did nothing to help indict these corrupt politicians.
- Opponents cite San Francisco's ethics commission as a model to follow. In fact, Senator/former Supervisor **Leland Yee appointed San Francisco Ethics Commissioners prior to his gun trafficking indictment** to provide “oversight” of the ethical behavior of that city's politicians.

Measure E would provide real oversight and enforcement by a known quantity: the California FPPC. The County of San Bernardino currently utilizes the FPPC as their campaign finance watchdog and the **FPPC HAS AUDITED EVERY POLITICIAN** there and is proven in cleaning up corruption in San Bernardino County government.

If Measure E is defeated, Orange County will get neither a County Ethics Commission nor oversight from the FPPC.

Vote “YES” on Measure E for ethical accountability and oversight of our politicians!

ORDINANCE NO. __

AN ORDINANCE OF THE COUNTY OF ORANGE, CALIFORNIA, MAKING CHANGES TO THE
CHARTER OF ORANGE COUNTY RELATING TO THE FILLING OF SUPERVISORIAL VACANCIES,
AND AMENDING ARTICLE I, SECTION 103 OF THE CHARTER OF ORANGE COUNTY

The People of the County of Orange, California, hereby ordain as follows:

SECTION 1: Article I, Section 103 of the Charter of Orange County is amended to read:

103. Filling of Vacancies.

Notwithstanding any other provision of law, whenever a vacancy occurs in the office of supervisor, the vacancy shall be filled as follows:

- A. *If, at the time the vacancy occurs, the remaining term of office is 365 days or greater, then the vacancy shall be filled by a vote of the electors of that district at a special election to be called by the Board of Supervisors not less than 56 days nor more than 70 days after the vacancy occurs, except that if the vacancy occurs within 180 days of a regularly scheduled election held throughout the supervisorial district, the election to fill the vacancy may be consolidated with that regularly scheduled election. If that person for any reason does not assume the office for the remainder of the term, or if no person receives a majority of votes cast for supervisor in that district in the statewide primary election, then the Board of Supervisors is hereby authorized to fill the vacancy by either (1) calling a special election not less than 56 days nor more than 70 days after the vacancy occurs, or by (2) appointing a person to fill the vacancy, provided that the Board of Supervisors may not fill a vacancy by appointing a person who has filed nomination documents with the county elections official to qualify as a candidate for Supervisor in the November general election.***
- C. *If, at the time the vacancy occurs, the remaining term of office is 180 days or less, then the Chairman of the Board of Supervisors shall appoint such personnel as necessary to address the needs of the residents of the district and the vacancy shall be filled by the person receiving the highest number of votes cast for Supervisor in that district after the Board declares the results of the November general election.***
- ~~A. If the vacancy occurs within 180 days of a regularly scheduled election held throughout the supervisorial district, the election to fill the vacancy may be consolidated with that regularly scheduled election. The person receiving the highest number of votes in that election shall fill the vacancy.~~
- ~~B. If the vacancy occurs within the final year of the term, the vacancy shall be filled by the person receiving the highest number of votes for Supervisor in that district in the March primary election that year. If that person for any reason does not assume the office for the remainder of the term, the Board of Supervisors is hereby authorized to appoint a person to fill the vacancy. If the Board of Supervisors does not make such an appointment within 30 days following the certification of the March primary election results or following the failure of that person to assume the office, whichever comes later, the Board of Supervisors shall call a special election to be held not less than 56 nor more than 70 days thereafter to fill the vacancy. The person receiving the highest number of votes in that special election shall fill the vacancy.~~

**IMPARTIAL ANALYSIS
COUNTY OF ORANGE
MEASURE G**

California law permits the voters to amend the County Charter if a majority of the voters voting in an election approve the amendment. This measure, placed on the ballot by the Board of Supervisors for the County of Orange, would amend the Orange County Charter.

In March 2002, voters approved a measure changing Orange County from a general law county to a charter county in the way vacancies are filled on the Board of Supervisors. Under the existing Charter, if a vacancy occurs in the fourth and final year of a Supervisor's term of office, the vacancy is filled by the person receiving the highest number of votes in the Supervisor's district in the March primary election that year. The person filling the vacancy would not need to receive a majority of the votes.

This measure would remove the Charter's reference to a March primary, because California law has been changed so that the statewide primary is held in June in each even numbered year. This measure would also change how vacancies that occur in the final year of a Supervisor's term of office are filled. If, at the time the vacancy occurs, the remaining term of office is less than a year, but greater than six months, the vacancy shall be filled by any person receiving a majority of the votes in the primary election that year for that office. If that person does not assume the office, or if no person receives a majority of votes cast for that office in the primary election, then the Board of Supervisors can fill the vacancy by either calling a special election or by appointing a person to fill the vacancy, provided that the Board of Supervisors may not appoint a person who has filed nomination documents as a candidate for that office for the next term in the November general election.

If, at the time the vacancy occurs, the remaining term of office is 180 days or less, then the office will be filled by the person receiving the highest number of votes cast for Supervisor in that district after the Board declares the results of the November general election. Until then, the Chairman of the Board of Supervisors shall appoint such personnel as necessary to address the needs of the residents of the district.

Future changes to the County Charter, including this measure if adopted, must be submitted to the voters for approval.

A "yes" vote is a vote to amend the Charter of the County of Orange to change the method for filling vacancies on the Board of Supervisors occurring in the final year of a Supervisor's term.

A "no" vote is a vote not to amend the Charter of the County of Orange.

A copy of the proposed amendment to the County Charter is posted on the Registrar of Voters' website, <http://www.ocvote.com/>. Voters may also contact the Registrar of Voters' office and request that a copy of the proposed amendment be mailed to them at no cost.

ARGUMENT IN FAVOR OF MEASURE G

Measure G protects the integrity of your vote by fixing two loopholes in the Orange County Charter.

The principles of Measure G are simple:

- Election losers should not become Orange County Supervisors after the voters rejected them
- When making an interim appointment for Orange County Supervisor, the Board of Supervisors should pick a temporary caretaker, not give their favorite candidate an unfair advantage before the election

If a Supervisor's seat becomes vacant in the final year of the term, the Orange County Charter enables the primary election to determine who fills this seat. However, due to a drafting error in the Orange County Charter, a person could **lose** the November election for Orange County Supervisor but still become Supervisor for two months.

No one should be allowed to become a Supervisor after the voters rejected that person in the election.

Measure G fixes this, so only an election winner can become a Supervisor.

The current Orange County Charter requires the Board of Supervisors to make an interim appointment for certain vacancies for Supervisor. However, that provision allows the Board of Supervisors to exercise undue influence over the November election by appointing one of the Supervisor candidates, giving the appointee an unfair incumbency advantage in the election.

Measure G fixes this by prohibiting the Board of Supervisors from appointing their favorite candidate before the voters have a chance to cast their election ballots. Measure G only allows the Board of Supervisors to pick a caretaker (who is **not** a candidate for Supervisor) to fill the vacancy, so the voters will elect the permanent replacement.

Measure G ensures that no candidate for Orange County Supervisor can gain an unfair incumbency advantage before the November election solely from having three cronies on the Board of Supervisors.

Vote "Yes" on Measure G to protect your right to elect your own Orange County Supervisor.

Section 6. Effective Date. This Ordinance shall go into effect ten (10) days after the date on which the election results are declared by the City Council.

MEASURE V**

Ballot Measure Establishing Policies Relating To Fiscal Transparency And Reforms For The Orange County Great Park Project

This measure mandates specific City of Irvine ("City") policies relating to the Orange County Great Park ("Great Park"). If adopted, this measure would:

- Require that the City have final approval authority over all financial matters, contracts, property instruments and allocation of funds for the Great Park.
- Require an annual audit of all Great Park funds by an accredited, outside professional auditing firm, with a final report posted on the City website each year.
- Prohibit the spending of any funds for the Great Park until a recommendation regarding such spending has been provided to the City Council by the Orange County Great Park Corporation Board of Directors ("Corporation Board") and approval is given by the City Council.
- Prohibit contracts for an expenditure on or benefit to the Great Park until a recommendation regarding said expenditure has been provided to the City Council by the Corporation Board and approval is given by the City Council.
- Establish whistleblower protections for any Great Park or City staff member or vendor who brings to the attention of the City information about: potential waste, fraud, or abuse of Great Park funds; substantial dangers to public health or safety; or the use of official positions or resources for personal gain.
- Require that the Corporation Board consist solely and exclusively of members of the Irvine City Council.

If the Orange County Great Park Corporation ceases to exist as a separate legal entity, then recommendations from the Corporation Board, or any other prerequisites related to the Corporation Board, are not required. This measure does not mandate the continued existence of the Orange County Great Park Corporation as a separate legal entity.

Additionally, if funding for a Great Park item is approved by the City Council as part of the annual budget or other approval mechanism, the measure does not require subsequent Corporation Board or City Council review and approval. For example, if the City Council approves budget items for maintenance or events, the City may expend funds on matters that are within the scope of such budget items without further review or approval by the Corporation Board and City Council.

A "Yes" vote is in favor of adopting this measure. A "No" vote is against adopting this measure. If a majority of voters vote "Yes," then this measure will take effect ten days after the vote is declared by the City Council. This measure was placed on the ballot by the City Council.

ARGUMENT IN FAVOR OF MEASURE V

“Orange County Great Park Fiscal Transparency and Reforms Act”

As your elected City Council, we are asking you to consider adopting Measure V which contains a number of important policies safeguarding fiscal accountability and transparency with respect to the finances and operations of the Great Park.

These items are being placed before you because if you, the voters, adopt them they will bind this and all future City Councils to adhere to them. The only way these policies will be able to be changed or ended would be bringing another measure to a public vote.

These proposed policies are broken down into two areas-fiscal accountability and fiscal responsibility.

FISCAL ACCOUNTABILITY

- The Great Park Board of Directors shall only be made up of the members of the Irvine City Council, thus assuring that governance of the Great Park is by your accountable, local elected officials.
- Before any funds can be appropriated or spent at the Great Park, they must be approved by the Great Park Board or City Council at a duly noticed public meeting.
- No spending may be increased, such as the modification of any contracts or budgets, without approval by the Great Park Board or City Council at a duly noticed public meeting.

FISCAL TRANSPARENCY

- An annual audit must be conducted of all Great Park funds. This audit must be conducted by an accredited outside professional auditing firm.
- Each year, the annual audit report shall be publicly available and posted on the City of Irvine website.
- “Whistleblower” protections – to prevent reprisals against any City and/or Great Park official, employee or vendor who brings forth information about potential waste, fraud or abuse – are put into place.

We hope that you will join with us in voting in support of Measure V, and locking into place these significant financial and operational safeguards.

CHARTER OF THE CITY OF IRVINE TO CREATE LIFETIME TERM LIMITS FOR THE MAYOR AND
CITY COUNCIL MEMBERS**

WHEREAS, Government Code section 36502 and the inherent powers of a charter city permit a city to adopt an ordinance proposing to limit or repeal the limit on the number of terms that a member of the City Council and/or the elected Mayor may serve, subject to the approval of the voters of the city at a regularly scheduled election; and

WHEREAS, Section 400 of the Charter for the City of Irvine currently imposes consecutive term limits for members of City Council and the elected Mayor, but does not impose lifetime term limits; and

WHEREAS, the purpose of lifetime term limits is to promote a free and democratic system of fair elections, and to encourage qualified candidates to seek public office by limiting the powers of incumbency; and

WHEREAS, to provide the opportunity of continuity of leadership by members of the City Council and Mayor while at the same time continuing to limit the power of incumbency, it is appropriate to amend the Charter of the City of Irvine to place lifetime limits on the total number of terms which members of the City Council or Mayor may serve; and

Section 400. Mayor and City Council.

The City Council, hereinafter termed "Council," shall consist of a Mayor and four (4) Council members elected to office from the City at large in the manner provided in this Charter.

The Mayor shall serve a term of two (2) years. ~~No Mayor shall serve for more than two (2) consecutive full terms in office. Any person who serves two (2) full terms as Mayor shall not be eligible to serve again as Mayor. If a Mayor serves a partial term in excess of one (1) year, it shall be considered a full term for the purpose of this provision.~~ Other than as set forth herein, eligibility for office, compensation, vacancies and the filling of vacancies shall be the same for the office of Mayor as provided for the office of Council member by this Charter. The Mayor, in addition to serving as the presiding officer of the Council, shall have all of the rights, powers and duties of a Council member and shall be a member of the Council.

The term of office for a Council member shall be four (4) years. Alternatively, and successively, two (2) four-year terms shall be filled at one general municipal election and two (2) four-year terms at the next such election, consistent with the sequence of terms of Council members existing on the effective date hereof ~~[June 7, 1988]~~. ~~No Council member shall serve for more than two (2) consecutive full terms in office. Any person who serves two (2) full terms as a member of the City Council shall not be eligible to serve again as a member of the City Council. If a Council member serves a partial term in excess of two (2) years, it shall be considered a full term for the purpose of this provision.~~

If at any general municipal election, one (1) or more Council member, whose term of office will not expire as of the election, and who would be required to vacate the office of Council member if elected to the office of Mayor, files as a candidate for the office of Mayor, the following procedure will be used to fill the contingent vacancy in the office of Council member that would arise if the sitting Council member were elected Mayor: To the extent legally possible, the ballot for the office of Council member, the official election materials and voter information pamphlet shall notify the voters that they may cast ballots for not more than three (3) candidates for the office of Council member; that at least two (2) Council offices shall be filled by election; and that if a Council member whose term of office will not expire as of the election is elected to the office of Mayor, the vacancy in the office of that Council member shall be filled by the candidate for Council member receiving the third highest number of votes at the same municipal election.

The term of the Mayor and a Council member shall commence at the next regularly scheduled meeting of the Council following certification of the election results by the election official or such earlier other date as may be established by ordinance of the City Council, and he or she shall serve until his or her successor qualifies. Any ties in voting and any determination with respect to which Council member is to fill which office shall be settled by the casting of lots. No person shall hold both the office of Mayor and Council member.

The term limits established by this section shall be applicable prospectively only. The term limits shall not apply to any term that began before November 4, 2014. The Mayor and each Council member in the office at the time this Charter amendment takes effect ~~[December 16, 1991]~~ shall continue in office until the end of the term for which he or she was elected or appointed, unless elected to the office of Mayor, and until his or her successor qualifies subject to the right of the people to recall a Council member from office as provided herein.

As used herein the term "qualifies" shall mean, in addition to the provisions of the general law, having taken the oath of office following the election and his or her term of office shall have commenced.

SECTION 3. Severability. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason, held to be invalid or unenforceable by a court of competent jurisdiction, then the remaining portions of this Ordinance shall nonetheless remain in full force and effect. The People of the City of Irvine, California, hereby declare that they would have adopted each section, subsection, sentence, clause, phrase, or portion of this Ordinance irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions of this Ordinance be declared invalid or unenforceable.

SECTION 4. Effective Date. This Ordinance shall go into effect ten (10) days after the date on which the election results are declared by the City Council.

CITY OF IRVINE
MEASURE W**

This Measure was placed on the ballot by the City Council for the City of Irvine. The City Council for the City of Irvine is comprised of four elected City Council members and one elected Mayor. (This impartial analysis refers to the City Council members and Mayor collectively as "Elected Officials.") California state law authorizes cities to establish limits on the number of terms an Elected Official may serve in office. Term limits must be approved by the voters of the City of Irvine.

Section 400 of the Charter for the City of Irvine currently imposes consecutive term limits for its Elected Officials. More specifically, a member of the City Council cannot serve more than two consecutive four-year terms, and the Mayor cannot serve more than two consecutive two-year terms. In other words, a person cannot be a City Council member for more than eight consecutive years, and a person cannot be the Mayor for more than four consecutive years. Because existing law only limits *consecutive* terms, an Elected Official can return to the City Council after sitting out for a term (or part of a term), or can potentially serve as an Elected Official indefinitely by alternating between terms served as the Mayor and terms served as a City Council member.

If a majority of voters vote "yes" to approve this Measure, Section 400 of the Charter for the City of Irvine will be amended to create *lifetime* term limits for Irvine Elected Officials. If approved, the Measure will prohibit a person from serving as a member of the City Council for more than two four-year terms, and will prohibit a person from serving as the Mayor for more than two two-year terms. If approved, the proposed Measure will effectively create a lifetime term limit for Elected Officials of twelve years (*i.e.*, eight years as a City Council member and four years as the Mayor).

If approved, the Measure would apply prospectively only, meaning the terms an Elected Official served that commenced prior to the adoption of this Measure would not count toward the newly adopted lifetime term limit. Instead, only terms that began on or after November 4, 2014, would count toward the lifetime term limits. Therefore, if the Measure is approved, terms for Council members and the Mayor that are being voted on at the same election as this Measure will be included as a term counting toward the lifetime term limits ban.

ARGUMENT IN FAVOR OF MEASURE W

Measure W enacts strong term-limits for the Irvine City Council. If passed an Irvine resident could serve no more than two terms as a Councilmember and two terms as Mayor. Afterwards there is a lifetime ban on future service.

Currently there is a 'loop hole' in the city's term limits ordinance that allows local politicians to run for Council, then Mayor, and back again – over and over. One member of the Council, first elected in 1978, has been serving continually in office since 1998 and is eligible to seek reelection again this year.

We believe that every politician, even in local government, should ultimately have to return back to private life and live under the laws and regulations they have created while in office.

We believe that with strict term limits, closing the 'revolving door' loophole, and a lifetime ban, that we ensure that our city council will always attract citizen representatives who are in touch with our residents.

Irvine voters passed a measure years ago that they thought enacted strong term-limits, but as we have seen it contained a loophole allowing politicians to jump between Mayor and Councilmember in perpetuity.

So to summarize this simple but important measure:

- Two Term Limit for Councilmembers
- Two Term Limit for Mayor
- Permanent lifetime ban once limits reached
- Closes 'revolving door' loophole

Please join us in enacting real and meaningful term limits here in the City of Irvine.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE W

Please Vote NO on Measure W. This isn't about true "term limits." Irvine already has a voter-approved term limits law in our City Charter. **Measure W is a TERM EXTENSION scheme** written by and for Mayor Steven Choi and Councilmember Jeff Lalloway — to extend their own terms far beyond the term limits now in our City Charter.

Beginning in 1986, Irvine voters approved a system of term limits. The term limits in our City Charter are clear: no more than two consecutive 4-year terms for City Councilmembers and no more than two consecutive 2-year terms for Mayor.

For more than 25 years, this voter-approved system has worked well for Irvine, providing a good mix of fresh faces and experienced elected officials on our City Council.

Now, Mayor Steven Choi wants you to give him — **and him alone** — the chance to run not just for a second term in 2014, but a **third** consecutive term in 2016 and, according to legal authorities, possibly even a **fourth** consecutive term in 2018. Then, after that, he could run for two more terms as a City Councilmember!

Measure W is either the worst written "term limits" proposal in history; or, in the name of "term limits," it is a hypocritical attempt by Steven Choi to extend his own power as Mayor far into the future. **Mayor Steven Choi's personal political ambition is a poor basis for radically changing Irvine's existing term limits law.**

We urge you to Vote NO on Measure W.

ARGUMENT AGAINST MEASURE W

Vote NO on Measure W. It's a fraud. Measure W is NOT a "term limits" measure. It is just the opposite. It is a TERM EXTENSION for the Mayor and City Council.

According to the Irvine City Attorney's impartial analysis, Measure W would permit its authors, Mayor Steven Choi and Councilman Jeff Lalloway, to stay on the Irvine City Council continuously until the year 2026!

- Under Irvine's existing term limit system – which was adopted by Irvine voters in 1986 – even if he were re-elected this November, Steven Choi would be termed-out as Mayor in 2016. **But if Measure W is adopted, he could run for an unprecedented third two-year term as Mayor in 2016. And then he could run for two more terms as a Councilman after that, serving on the Council continuously until 2026.**
- In the case of Jeff Lalloway, under Irvine's current term limit system, even if he were re-elected this November, he would be termed-out as a Councilman in 2018. **But if Measure W is adopted, he could run for an unprecedented third consecutive term as Councilmember in 2018 and serve until 2022. And then, he could run for two terms as Mayor after that, serving on the Council continuously until 2026.**

Does this look like real term limits to you? Of course not. It's obvious that the Choi-Lalloway Measure W is **NOT** about true term limits. It is a self-serving fraud to keep incumbent Councilmembers in office for another 12 years. It should be rejected.

Irvine voters elect a Mayor and City Councilmembers to serve the people, not to serve themselves. Let's stop this Choi-Lalloway term extension scheme before it gets started. Please join us in voting NO on Measure W.

REBUTTAL TO ARGUMENT AGAINST MEASURE W

Councilman Larry Agran, who signed the argument against Measure W wants you to believe that we currently have effective term limits in Irvine. THAT'S SIMPLY NOT TRUE.

Agran himself is the poster child for why this is certainly not the case.

Agran was first elected to the Council in 1978 and has served continuously on the council since 1998 and he is eligible to run again this year.

AGRAN WILL HAVE SERVED 16 YEARS STRAIGHT WITH NO END IN SIGHT.

The reality is that due to a LOOPHOLE, individuals can serve on the City Council with NO LIMITS AT ALL as long as they hop back and forth between Mayor and Councilmember, over and over.

You read that right! Under current law you can serve on the City Council FOREVER.

This measure CLOSSES THE LOOPHOLE by banning "office hopping" and instituting a PERMANENT LIFETIME TERM BAN after term limits have been reached.

Again — the four key parts of Measure W are:

- REAL Two Term Limits for Councilmembers
- REAL Two Term Limits for Mayor
- A LIFETIME ban once limits are reached
- CLOSSES the Revolving Door LOOPHOLE.

Don't be fooled by a self-serving 16 year incumbent – Larry Agran opposes strong term limits for Irvine, which will allow him a way to stay on the Council FOREVER.

SUPPORT REAL TERM LIMITS FOR THE CITY OF IRVINE.

Vote YES on Measure W.
