

UNITED STATES REPRESENTATIVE, 45TH DISTRICT

NAME: GREG RATHS **PARTY: REPUBLICAN**
OCCUPATION: Retired Marine Colonel **AGE: 60**

I'm a retired USMC Colonel combat veteran and fighter pilot who served our great nation for 30 years and now want to serve you once again, but this time as your representative in Congress. We can all agree that our country is off course, but with your support and vote we can begin to turn it around. Unlike my opponents, I'm not a professional politician, I'm not beholden to any group, and I have never taken a dime from special interests. I'm running because I believe, as a nation, we can and must do better.

My priorities are fivefold:

Create jobs by freeing business from excessive taxes and regulations. As a former president of an Orange County business I have endured the burden big government places on business of all sizes. Take care of our wounded warriors and all veterans.

Attack the federal debt by cutting spending and waste. I know where to find the waste in the Pentagon, and it permeates all levels of government.

Encourage an effective while cost-efficient healthcare system. Obamacare must be substituted with a free-market system that provides quality and personal choice without growing the government, invading our privacy, and raising our premiums.

Quality Education

I'm your independent Republican voice who will ensure that the opportunities I was given in life are available to our children and grandchildren. I am a passionate defender of national security, economic growth, and upholding sacred rights guaranteed by the U.S. Constitution.

A vote for Rath is a vote for freedom.
