

ASSESSOR

NAME: CLAUDE PARRISH

OCCUPATION: Taxpayer Advocate/Businessman

As your Orange County Assessor I pledge to eliminate waste, demand accountability and institute taxpayer friendly policies, as I did for 8 years as your representative on the California Board of Equalization. Additionally I served 4 years as Chairman of the Board's Property Tax Committee which creates and reviews every property tax regulation.

My commitment is to:

First, extend the deadline for tax appeals from September 15th to November 30th, giving taxpayers an additional 75 days to file appeals.

Second, create a Taxpayer Advocate Office to assist taxpayers with filing assessment appeals and navigating California's complex tax laws.

Third, establish a south county satellite office in existing county office space, with current local employees, at no additional cost to taxpayers.

Fourth, allow taxpayers all lawful exemptions that they are qualified for without undue bureaucratic delays.

I am endorsed by: Former Governor George Deukmejian, Howard Jarvis Taxpayers Association, National Tax Limitation Committee, Law Professor/Journalist Hugh Hewitt, Board of Equalization Member Michelle Steele, Orange County Clerk-Recorder Hugh Nguyen, State Senator Mimi Walters, Assemblyman Don Wagner, Assemblywoman Diane Harkey and over two dozen Orange County Mayors and Councilmembers.

I respectfully ask for your vote.
