

**HARRY SIDHU****REPUBLICAN**

Orange County Business Owner

As one of Orange County's most successful business owners and a dedicated conservative leader, Harry Sidhu has the experience we need in the State Assembly. Here's what our current Republican Assemblyman Don Wagner says about Harry:

"I strongly endorse Harry to be the next Assemblyman for the 68th District. I have known Harry for almost thirty years and know he shares my conservative, limited government philosophy. He has the business experience, government experience, and personal values needed to represent this district the right way in Sacramento."

In the Assembly, Harry will use his real world experience and proven ability to get things done:

Protect Prop. 13 and stop tax increases; cut red tape and needless regulations; reform state spending, slash waste and eliminate debt; increase public safety; support better services for our Military Veterans; stand up for conservative values.

Harry is endorsed by Orange County Sheriff Sandra Hutchens and District Attorney Tony Rackauckas, U.S. Representative Mimi Walters; Orange County Supervisors Andrew Do, Michelle Steel and Todd Spitzer; Senator Pat Bates, Senator Janet Nguyen and many more. Harry's experience includes: Mayor and City Councilman; Orange County Water District Director; Boys and Girls Clubs Board Member; Chamber of Commerce member; Small Business Chamber member; Orange County Republican Party, Deputy Chairman; Youth Soccer Coach; Fundraiser for children's sports.

"I respectfully ask for your vote for the State Assembly. To find out more, please visit my website, [www.HarrySidhu.com](http://www.HarrySidhu.com). Thank you."
