

KAREN LEE SCHATZLE

AGE: 50

Deputy District Attorney

I will bring integrity to this judicial office.

I am a Senior Orange County Deputy District Attorney who has worked for twenty years prosecuting violent felons, child abusers and sex offenders. I have an exemplary conviction rate.

My real courtroom experience and personal integrity have earned me the endorsement of the Orange County District Attorneys Association, the Orange County Hispanic and Korean Bar Associations, Judges, and the Police Officers Research Association of California.

My adherence to conservative law and order values has brought me the support of local Police Officer Associations representing thousands of law enforcement professionals, including associations in Huntington Beach, Newport Beach, Laguna Beach, Fullerton, Santa Ana, La Habra, Fountain Valley, Los Alamitos, Westminster, Tustin and Brea.

Before becoming a District Attorney Prosecutor, I worked with the Gang Unit of the Orange County Probation Department, focusing on reducing gang violence.

The proud mother of three, my husband and I are homeowners in Orange.

In court, I have asked jurors to be the voice for victims and to punish criminals with the highest sentence available.

With your vote, I will bring the highest ethical standards of conduct to the Orange County Superior Court #48, and work tirelessly to keep our community safe and the rule of law enforced.
