

MICHELE MARTINEZ
City Councilwoman/Educator

Growing up in a challenging environment was tough, but I never used it as an excuse. It fueled my fighting spirit and forged a future of hard work and tenacity that opened doors and created opportunities for my success. Now, I fight every day to ensure that every person has the same opportunities to pursue their own American Dream.

For the past 9 years, I have served Orange County as a local City Councilwoman and Regional Leader. My background gives me the experience and tools needed to be an effective leader for our county.

I am running for Supervisor to protect and empower middle class families, and to ensure that county government is working to advance the interests of all our residents. I will work collaboratively to find commonsense solutions to the problems we face, and I will fight to institute real reforms aimed at increasing transparency and accountability at the highest levels of local government.

I understand the importance of protecting our region's unique quality of life, and you can count on me to be an effective advocate for the needs of our neighborhoods and businesses.

I would be honored to earn your vote.
