1. I am the City Attorney for the City of Newport Beach, California. I am a member in good standing with the State Bar of California. I submit this declaration concerning actions in which I personally participated relating to compliance with the Court's orders requiring a November 3, 2026, election for three City Charter amendment ballot initiatives that have now been designated as Measures P, Q, and R. This declaration does not disclose internal legal advice, attorney-client communications, or attorney work product.

3. That same day, I participated in causing the election materials to be transmitted to the Orange County Registrar of Voters, County Counsel, and the Clerk of the Board of Supervisors. The City's transmittal asked the County to immediately identify any additional material or action required from the City. A true and correct copy of the August 27, 2026, correspondence to County Counsel is attached as **Exhibit 2**.

5. On September 2, 2026, the Court issued its Writ of Mandate directing the City to take all steps necessary to hold a municipal election for the three initiative measures on November 3, 2026, whether directly administered by the City or consolidated with the statewide general election that the County will otherwise be conducting on that date. A true and correct copy of the September 2, 2026, Writ of Mandate is attached as **Exhibit 4**.

///

6. After the Writ issued, I continued participating in efforts to comply with the Writ, while the City's judicial and appellate efforts proceeded separately. The detailed election-administration and statutory compliance work is addressed in the declarations of City Clerk Lena Shumway and election consultant Jessica Blair. The City's external County communications are also addressed in William Ihrke's declaration.

7. Participation in those judicial and appellate proceedings was not intended as a substitute for the operational work necessary to conduct the November 3, 2026, election pursuant to the Court's order.

8. On September 11, the City Council held a special meeting to take the formal actions necessary to call and conduct the November 3, 2026 election and request specified County assistance. At that meeting, the City Council adopted Resolution No. 2026-83, in which the City formally requested, pursuant to Section 10002 of the Elections Code, that the Orange County Board of Supervisors permit the Registrar of Voters, as the County elections official, to render to the City specified services relating to the conduct of the November 3, 2026 Special Municipal Election for the three initiatives. A detailed description of the various services being requested by the City to effectively administer the special election was provided as “Exhibit A” to the resolution. The resolution was immediately transmitted to the County the same day it was adopted. A true and correct copy of Resolution No. 2026-83 is attached as **Exhibit 5**.

9. On September 11, the Registrar responded to Resolution No. 2026-83. Among other things, the Registrar stated that the earliest date on which the matter could hypothetically be brought before the Board of Supervisors was September 29 and that the Registrar would not recommend authorization of the broad range of requested services. A true and correct copy of the Registrar's response to Resolution No. 2026-83 is attached as **Exhibit 6**.

///

///

///

///

10. On September 15, I wrote directly to County Counsel concerning the Registrar's September 11 response. In that September 15 communication, I advised that, although the City did not believe a new resolution was legally required, if the County maintained that a new or amended resolution was necessary before it would consider the City's request, I asked the County to identify the changes or additional language it required so the City could act promptly.

11. I also addressed the Registrar's voter confusion concern by explaining that the City intended to conduct a separate election using separate ballots, election materials, and procedures; provide clear voter communications distinguishing the City election from the County-administered General Election; and coordinate procedures for misdirected ballots and other potential areas of voter confusion. I asked the County to identify any additional measures or assurance language it believed necessary.

12. I specifically asked whether Resolution No. 2026-83 would be presented to the Board of Supervisors on September 29 and, if not, whether a new or amended resolution would result in consideration on that date. I also asked the County to confirm if it had determined that it would not present or recommend the City's request regardless of amendment, clarification, narrowing of services, or additional assurance from the City.

13. The September 15 communication concluded by stating that the City remained committed to taking all reasonably available steps to comply with the Writ and conduct the November 3 election. A true and correct copy of my September 15 external communication is attached as **Exhibit 7**. I did not receive a response.

14. I understand that to process a voted ballot, the City will need to verify that the signature on each ballot envelope matches the signature on file for each registered voter. To do so, the City needs access to signature verification image data. On September 17, 2026, in an email directed to me, the General Counsel for the Secretary of State confirmed that the SOS would not provide the City with voter signature images for use in the November 3, 2026 standalone election. A true and correct copy of this September 17 email is attached as **Exhibit 8**.

///

1 15. I also am aware that the Board of Supervisors must approve County support for
2 the City's election as requested in Resolution 2026-83. Accordingly, I emailed the County Counsel,
3 Leon Page, on September 21, 2026, to confirm whether Resolution 2026-83 would be placed on the
4 September 29 agenda for consideration by the Board of Supervisors, and whether the City must take
5 any additional action to obtain Board consideration on that date. A true and correct copy of my
6 September 21 external communication is attached as **Exhibit 9**. I did not receive a response.

7 16. On September 22, 2026, I sent an email to the general counsel for the Secretary
8 of State on behalf of the City Clerk, requesting the tint and watermark assignment for the City's
9 standalone election. A true and correct copy of that email is attached hereto as **Exhibit 10**. I did not
10 receive a response.

11 17. The more detailed operational steps taken during this period are set out in the
12 declarations of Ms. Shumway and Ms. Blair who directly performed or observed that work.

13 I declare under penalty of perjury under the laws of the State of California that the
14 foregoing is true and correct.

15 Executed on September 28, 2026, at Newport Beach, California.

NBSA'S EX PARTE APPLICATION RE CITY OF NEWPORT BEACH'S UNLAWFUL DELAY OF LOCAL VOTE

There are no appearances by any party.

Ex Parte Application, Declarations in Support, Proof of Service, and Opposition are read and considered.

Having reviewed the ex parte application, the opposition thereto, and all documents filed in support of and in opposition to the ex parte application, and having considered all documents filed in both case Nos. 30-2026-01559183 and 30-2026-01580961, the Court **GRANTS** the request for ex parte relief.

The Court finds that the Newport Beach City Council Resolution No. 2026-73, which was adopted by the City of Newport Beach at its May 25, 2026 Regular City Council Meeting, and a copy of which was attached as Exhibit A to the declaration of William Ihrke filed 08/26/2026 (ROA #284) expresses the City's Council's exercise of its discretion. Having reviewed that resolution, and in consideration of the City parties' filings, contentions, arguments, and stated positions throughout this litigation, as well as the Court's previous orders, the Court finds that the City Council abused its discretion by placing the three initiatives on the November 7, 2028 ballot. Therefore, this Court has the authority in this mandamus proceeding to order the City Council to immediately take the necessary steps to place these three initiatives on the November 3, 2026 ballot, including but not limited to forwarding all necessary materials to the Orange County Registrar of Voters.

The Court will reserve a decision on NBSA's request that the Court set an OSC re sanctions at this time.

Court orders Clerk to give notice.

Re: *City of Newport Beach et al v. Newport Beach Stewardship Association et al*
Case No. 30-2026-01559183-CU-JR-NJC

Dear Sir/Madam:

Our office serves as special counsel to the City of Newport Beach (“City”) in the above-referenced case. Earlier today, the Orange County Superior Court (“Court”) issued the attached Minute Order (referred to as the “8/27/2026 Minute Order”), which directs the City, “to immediately take the necessary steps to place these three initiatives on the November 3, 2026, ballot, including but not limited to forwarding all necessary materials to the Orange County Registrar of Voters.” The City is transmitting the enclosed materials in response to that direction. By way of explanation, the “three initiatives” are referred to in the attached resolutions and materials as: (1) AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO MODIFY CITY CHARTER PROVISIONS RELATED TO CITY COUNCIL MEMBER TERM LIMITS (the “Term Limits Initiative”); (2) AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO REQUIRE CITY COUNCIL MEMBERS BE ELECTED BY VOTERS RESIDING WITHIN THE DISTRICT THE COUNCIL MEMBER REPRESENTS (the “District Voting Initiative”); and (3) AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO ESTABLISH NEW CHARTER REQUIREMENTS GOVERNING PUBLIC MEETINGS, PUBLIC RECORDS, GOVERNMENT OVERSIGHT, AND ENFORCEMENT (the “Public Meetings and Records Initiative”).

Daniel Richards, Esq., et al.
August 27, 2026
Page 2

By way of brief background, on August 19, 2026, the Court issued the attached order (“8/19/2026 Minute Order”) directing the City to “[e]xercise its/their discretion to decide at which election the [Term Limits Initiative, the District Voting Initiative, and the Public Meetings and Records Initiative] will be placed on the ballot.” On August 25, 2026, the City Council exercised its discretion and called the election for consolidation of the Three Initiatives for the statewide general election ballot for November 7, 2028.

As noted above, the Court issued the 8/27/2026 Minute Order earlier today and, as such, the City is attaching and enclosing the resolutions that called for consolidation of the statewide election on November 7, 2028, because those three resolutions have the agreed-upon “ballot questions” and the full text for the three initiatives. The City is transmitting the resolutions and related materials in response to the 8/27/2026 Minute Order and under compulsion of that order.

The City transmits the following materials:

- The 8/27/2026 Minute Order;
- The 8/19/2026 Minute Order;
- The Certification of Signature Verification;
- Resolution No. 2026-64, calling for the election of Term Limits Initiative with the ballot question and full text included;
- Resolution No. 2026-67, calling for the election of the District Voting Initiative with the ballot question and full text included;
- Resolution No. 2026-70, calling for the election of the Public Meetings and Records Initiative with the ballot question and full text included;
- Arguments For the three initiatives submitted by the proponents, Newport Beach Stewardship Association (NBSA), and which have been signed; and
- Arguments Against the three initiatives presented to the Newport Beach City Council at its August 25, 2026, Regular Meeting, calling for the election of the three initiatives pursuant to the above-referenced Resolutions.¹

¹ Per the request of NBSA’s counsel to include only signed ballot arguments as part of the ballot materials for the three initiatives on the ballot for the consolidated November 3, 2026 election, if the Registrar of Voters requires signatures from City representatives, please advise *immediately* pursuant to the request at the end of this letter, so that the City can take appropriate steps.

Daniel Richards, Esq., et al.
August 27, 2026
Page 3

Please confirm immediately that the Registrar of Voters has received these materials. If the Registrar of Voters or County Counsel believes that any additional material or action is required in response to the 8/27/2026 Minute Order, please identify the requested material or action ***immediately*** and with specificity. The following is our contact information: City Attorney, Aaron Harp at aharp@newportbeachca.gov or 949-644-3131, my colleague Jennifer Farrell at jfarrell@rutan.com or 714-338-1884, and myself at bihrke@rutan.com or 714-338-1863.

Please be advised that the City is making this transmission solely in response to and under compulsion of the 8/27/2026 Minute Order. Nothing in this transmission constitutes voluntary acquiescence in, acceptance of, or agreement with the correctness, validity, or legal effect of the 8/27/26 Minute Order, or as a waiver of any objection, right, remedy, or right to seek reconsideration, a stay, appellate review, or other relief to which the City may or has a right to pursue.

Please feel free to contact me if you have any questions.

Respectfully submitted,

RUTAN & TUCKER, LLP

William H. Ihrke

CASE TITLE: **City of Newport Beach vs. Robert Page, in his Official Capacity as Registrar of Voters for Orange County**

CASE CATEGORY: Civil - Unlimited CASE TYPE: Writ of Mandate

EVENT ID/DOCUMENT ID: 74905625

EVENT TYPE: Petition for Writ

MOVING PARTY: City of Newport Beach

CAUSAL DOCUMENT/DATE FILED: Amended Petition First, 07/09/2026

APPEARANCES

William H. Ihrke and Jennifer Farrel, from Rutan & Tucker, LLP, present for Petitioner(s).

Daniel Richards, from Leon J. Page, County Counsel, present for Respondent(s).

Paul Hastings and Navi S. Dhillon, from Paul Hastings LLP, present for Real Party In Interest (RpII), Interested Party(s).

Martin Koczanowicz, from Aleshire & Wynder, present.

Nathanial Acosta, counsel, present remotely.

Nancy Scarbrough, Laura Curran, Kathe Morgan, and Jim Mosher, observers, present remotely.

The following matters are called concurrently:

30-2026-01580961 City of Newport Beach vs. Robert Page, in his Official Capacity as Registrar of Voters for Orange County

30-2026-1559183 City of Newport Beach vs Newport Beach Stewardship Association

Hearing held, participants appearing remotely and in person.

Counsel provides an update on the current adherence to the Court's prior orders.

The request for judicial notice is GRANTED as to all documents attached to the request.

Counsel for the City requests a statement of decision.

Additionally, the City objects to the proposed order submitted by NBSA.

Counsel proceed to present their cases to the Court.

Oral arguments heard.

At 10:36 AM, the court is in recess.

At 10:50 AM, again in open court. Counsel and parties are present as indicated above.

Oral arguments resume.

Counsel for respondents in case 30-2026-01580961 request separate proposed orders be submitted for each case so the parties may clearly understand the Court's instructions to each respective party.

Oral arguments resume.

At 11:24 AM, the court is in recess.

At 2:02 PM, again in open court. Counsel and parties are present as indicated above.

After considering the arguments of all parties, both written and oral, as well as the evidence presented, the Court now rules as follows:

The issue before the Court at this juncture is whether four initiatives proposed by Newport Beach Stewardship Association meet the requirements of publication and/or posting. The Court and the parties have referred to these initiatives as the Sunshine Initiative (which was the subject of an earlier petition before this Court); the Housing Initiative (which is the subject of the City's petition, case No. 30-2026-01580961); the City Council term limits Initiative; and the City Council District Voting Initiative. The Sunshine Initiative, the Term Limits Initiative, and the District Voting Initiative are the subjects of NBSA's first amended cross-petition (case No. 30-2026-01559183).

Elections Code section 9205 provides the rules for publication and/or posting of a notice of intention and title and summary of a proposed measure before signatures may be collected. The Orange County Superior Court maintains a list of adjudicated newspapers of general circulation pursuant to Government Code sections 6000 to 6027. This list includes the Orange County Reporter and the Daily Pilot. This list does not specify that any newspaper is adjudicated as a newspaper of general circulation only for one city or one geographic region of the County. The Court finds that the Orange County Reporter has been adjudicated as a newspaper of general circulation, as described in section 9205, subdivision (a). The Court does not find that the Orange County Reporter is a newspaper of general circulation only in Santa Ana. Nor does the Court find that additional proof is required by any party to prove or disprove the adjudicated status of the Orange County Reporter. Therefore, the court finds that notice for all four initiatives was properly published before the collection of signatures began. The registrar of voters has confirmed that sufficient signatures were obtained for all four initiatives.

Even if this Court were to find that the Orange County Reporter was not an adjudicated newspaper of general circulation for purposes of section 9205, the Court would find that NBSA's notices were in substantial compliance with the requirements of the statute. The City argues that strict compliance is required, citing *Ibarra v. City of Carson* (1989) 214 Cal.App.3d 90, 99:

Whether a failure to comply with requirements of the Elections Code in circulating initiative or referendum petitions is fatal depends upon the nature and purpose of the statutory requirement. Technical defects of form may be excused if the petitions substantially comply with the requirement [citation], but actual compliance is required in respect to the substance essential to the objective of the statute. [Citation.] Where the purpose of the statutory requirement is to give information to the public to assist the voters in deciding whether to sign or oppose the petition, the substantial compliance argument is often rejected and strict compliance held essential. [Citations.] [¶] In the present case, as we have discussed, the requirement to give notice of intent prior to commencing circulation serves important purposes educating the public about the petition campaign before it begins."

In *Ibarra*, the initiative proponents published the notice, but did not post the notice until after they had begun collecting signatures. The Court finds that while the failure to comply with the posting requirement at all may be subject to strict compliance, a substantial compliance test applies here, if the notice was

published in AN ADJUDICATED NEWSPAPER OF GENERAL CIRCULATION, which it was.

The Court would also find that principles of estoppel apply in this case. Last fall, the City found that NBSA had met the publication and posting requirements for the Responsible Housing Initiative, for which notice was published in the Orange County Reporter. The only reason the City now claims the Housing Initiative failed to meet the publication and notice requirements is that NBSA submitted additional initiatives to the City. Had NBSA not done so, the matter would have proceeded to the November election without another thought. Further, given that the City did not raise any concern with respect to the notice publication of the Housing Initiative, NBSA had every right to believe the same process would be acceptable for the other initiatives.

Ultimately, the Court finds that the purpose of the publication and notice provisions in the Elections Code is to ensure the integrity of the initiative process by guaranteeing the voting public has the opportunity to fully participate throughout the elections process. The Court's findings and rulings today further that goal.

Although it is not a basis of this Court's ruling, the Court notes that the City's positions in the two matters before the Court could lead to a finding of obstructionism. When case No. 30-2026-01559183 first came before this Court, the City argued strongly and persuasively that the issue of whether the Sunshine Initiative violated the single subject rule should be addressed before the election, rather than after. With that in mind, the Court and the parties worked cooperatively to come up with a schedule for briefing and hearing first on the issue of preparation of a title and summary, and then on the issue of the single subject rule that would allow more than sufficient time to prepare the title and summary, collect and certify signatures, and prepare necessary ballot arguments, etc. After all of that the City raised the notice and publication issue for the first time. Further, while the City has argued in the current proceedings that any timing issues are the fault of NBSA, which submitted its signatures on the Sunshine Initiative, District Voting Initiative, and Term Limits Initiative on July 7, the Court notes that at least the Sunshine Initiative was held up by the single subject rule briefing and hearing. Further, while everyone seems to agree that the signatures were presented to the City Clerk on July 7, they were not sent on to the Registrar of Voters until this Court ordered the City to do so on July 17, 2026.

And the Court was required to order the City on multiple occasions to prepare ballot questions and arguments. The point of doing so was to prevent the delays that the City now contends prevent these initiatives from going on the November 2026 ballot. It has been represented to the Court that the City Council has a regularly scheduled meeting next week at which it will determine at which election the initiatives shall be placed on the ballot. The Court finds that the 10-day public examination period provided by Elections Code section 9295 is not required to occur before an initiative is placed on the ballot. Therefore, the Court finds that that examination period may occur concurrently with the transmission of the necessary paperwork to the registrar of voters, and that should not be a matter that impacts the City's discretionary duties at its next Council meeting.

Elections Code section 9255 requires that an initiative amending a city charter be submitted to the voters at an established statewide or regularly scheduled municipal election occurring not less than 88 days after the date of the order of election. The Court finds that the Sunshine, Term Limits, and Direct Voting Initiatives are not subject to this limit because the City's actions in this case caused the matters to be delayed beyond the normal time period. The Court further finds that this does not raise an issue of mandamus compelling the City to perform a void or illegal act, an act contrary to public policy, or an act which tends to aid in an unlawful purpose. (Swan v. Civil Service Commission (1971) 16 Cal.App.3d 710, 713.) To the contrary, the Court's orders today are consistent with its duty to jealously guard the public's right to use the initiative process. (Rossi v. Brown (1995) 9 Cal.4th 688, 695.)

As to case No. 30-2026-01580961, City of Newport Beach v Robert Page, the petition for writ of mandate is DENIED.

As to case No. 30-2026-01559183, petition entitled City of Newport Beach et al. v. Newport Beach Stewardship Association et al. and Cross-Petition entitled Newport Beach Stewardship Association et al v. Lena Shumway et al, the Petition for Writ of Mandate is GRANTED and a peremptory writ shall issue. That writ shall command the City of Newport Beach, the City Council of the City of Newport Beach, Lena Shumway, in her official capacity as the Newport Beach City Clerk, and Aaron Harp, in his official capacity as the Newport Beach City Attorney (cross-respondents and real parties in interest) to:

1. Exercise its/their discretion to decide at which election the three initiatives will be placed on the ballot;
2. If the decision is made to place the three initiatives on a ballot other than the November 2026 ballot, cross-respondents and real parties in interest shall provide an explanation why in their return to the peremptory writ of mandate;
3. The 10 days for public examination provided by Elections Code section 9295 may run even after the initiative paperwork has been forwarded to the Registrar of Voters, and therefore the need for a 10-day public examination period should not impact the City's Council's discretionary determination at its next meeting regarding these initiatives;
4. File and serve a return to the writ within 10 days after service.

Counsel for NBSA shall prepare the necessary orders and/or writs for each case separately.

At 2:17 PM, the court is adjourned in this matter.

Resolution No. 2026-64

RESOLUTION NO. 2026-64

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, CALLING FOR AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 7, 2028, TO SUBMIT TO THE VOTERS AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO MODIFY CITY CHARTER PROVISIONS RELATED TO CITY COUNCIL MEMBER TERM LIMITS AND REQUESTING THE ORANGE COUNTY BOARD OF SUPERVISORS CONSOLIDATE THE GENERAL MUNICIPAL ELECTION WITH THE STATEWIDE GENERAL ELECTION TO BE HELD ON THE SAME DATE

WHEREAS, Section 1003 of the Charter of the City of Newport Beach ("City Charter") states that the provisions of the Elections Code of the State of California ("Elections Code"), as the same now exist or hereafter may be amended, which governs initiatives, shall apply to the use thereof in the City of Newport Beach ("City") so far as such provisions of the Elections Code are not in conflict with the provisions of the Charter;

WHEREAS, on April 17, 2026, pursuant to Elections Code Section 9202, the City was served with a Notice of Intention to Circulate Petition, a Proponent's Signed Statement, and a copy of a proposed initiative to establish new Charter requirements modifying City Charter provisions related to City Council Member term limits ("Initiative");

WHEREAS, on April 30, 2026, pursuant to Elections Code Section 9203, the City Attorney prepared a summary of the Initiative with the following ballot title: "Initiative Imposing a Lifetime Two-Term Limit on City Council Service and Eliminating Return to Office After a Break in Service";

WHEREAS, on August 25, 2026, certification was presented to the City Council that not less than fifteen percent of the registered voters of the City signed the petition for the Initiative;

WHEREAS, pursuant to Elections Code Section 9255(c), if an initiative petition is signed by not less than fifteen percent of the registered voters of a city, that city shall submit the measure to the voters at an established statewide general, statewide primary, or regularly scheduled municipal election pursuant to Sections 1200, 1201, or 1301 occurring not less than 88 days after the date of the order of election;

WHEREAS, Section 1200 of the Elections Code provides that “[t]he statewide general election shall be held on the first Tuesday after the first Monday in November of each even-numbered year,” which is the same date for the holding of municipal elections pursuant to Charter Section 1000;

WHEREAS, the next statewide general election that is more than 88 days after the date of the order of election is November 7, 2028; and

WHEREAS, pursuant to Charter Sections 1000, 1002, and 1003 and Elections Code Section 9255, the City Council of the City of Newport Beach desires to call and give notice of a General Municipal Election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions related to City Council Member term limits.

NOW, THEREFORE, the City Council of the City of Newport Beach, California, does resolve, declare, determine and order as follows:

Section 1: Pursuant to the California Constitution Article XI, Government Code Section 34450 et seq., City Charter sections 1000, 1002, and 1003 and Elections Code Sections 9255 et seq., there is hereby called and ordered to be held in the City of Newport Beach, California, on Tuesday, November 7, 2028, a general municipal election for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions related to City Council Member term limits.

Section 2: The City Council does hereby order submitted to the registered voters of the City of Newport Beach at the general municipal election on Tuesday, November 7, 2028, the following question:

MEASURE ____	
CITY OF NEWPORT BEACH CHARTER AMENDMENT	Yes
Shall the measure amending the City of Newport Beach Charter to impose a lifetime two-term limit on City Council service, for a maximum of eight years of service on the City Council, regardless of any break in service, be adopted?	No

Section 3: The text of the Initiative and proposed amendment to the City Charter is attached hereto as Exhibit "A" and incorporated herein by this reference.

Section 4: The vote requirement for the ballot measure to pass is a majority (50% +1) of the votes cast.

Section 5: The ballots to be used at the election shall be in form and content as required by law.

Section 6: The City hereby requests, pursuant to Elections Code Section 10403, that the Orange County Board of Supervisors consent and agree to the consolidation of the general municipal election with the statewide general election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions related to City Council Member term limits.

Section 7: The City recognizes that additional costs will be incurred by the County of Orange by reason of consolidation, and the City agrees to reimburse the County of Orange for such costs.

Section 8: The City Clerk is authorized, instructed, and directed to contract with the County of Orange to procure and furnish all services, official ballots, notices, printed matter and all supplies, equipment, and paraphernalia that may be necessary to properly and lawfully conduct the election.

Section 9: In accordance with the provisions of law governing statewide general elections, including Elections Code Section 10418, the precincts, ballot drop box locations, vote center locations, hours of operations, vote-by-mail procedures and timing, the election officers, and all other services, staff, and procedures for the general municipal election shall be the same as those utilized by the County of Orange and in compliance with the Elections Code of the State of California.

Section 10: In all particulars not recited in this resolution, the election shall be held and conducted as provided by law for the holding of municipal elections.

Section 11: Notice of the time and place of holding the election is given and the City Clerk is authorized, instructed, and directed to give further or additional notice of the election, the time, and in the form, and manner as required by law.

Section 12: The City Clerk shall certify the passage and adoption of this resolution and enter it into the book of original resolutions.

Section 13: The City Council authorizes the City Clerk to administer said election and all reasonable and actual election expenses shall be paid by the City of Newport Beach upon presentation of a properly submitted bill.

Section 14: The Orange County Elections Official is hereby authorized to canvass the returns of the general municipal election.

Section 15: The City Clerk shall receive the canvass from the Orange County Elections Official as it pertains to the Initiative and shall timely certify the results to the City Council in accordance with law.

Section 16: If the voters approve the Initiative to amend the City Charter to modify City Charter provisions related to City Council Member term limits, the Initiative shall be adopted in accordance with Elections Code Section 9269 or as otherwise required by law.

Section 17: The City Clerk shall deliver certified copies of this resolution, including the full text of the measure attached hereto as Attachment A, to the Clerk of the Board of Supervisors of Orange County and the Orange County Registrar of Voters.

Section 18: In the case of City of Newport Beach et al. v. Newport Beach Stewardship Association, et al., Orange County Superior Court Case No. 30-2026-01559183, the trial court's minute order purports to order the City Council to "[e]xercise its/their discretion to decide at which election the three [charter amendment] initiatives will be placed on the ballot" and orders that "[i]f the decision is made to place the three initiatives on a ballot other than the November 2026 ballot," the City Council "shall provide an explanation why in their return to the peremptory writ of mandate[.]" The trial court's minute order also purports to find that "the need for a 10-day public examination period [pursuant to Elections Code section 9295] should not impact the City's Council's discretionary determination at its next meeting regarding these initiatives[.]"

To avoid an argument that the City Council's action to call the elections is "voluntary compliance" with the court's order, the City Council finds that it is being compelled to take the action calling the elections for the initiative and associated actions. The trial court has stated its intention to hold the City and City Council in contempt should the City Council fail to put the initiatives on a ballot. Believing itself to be compelled to vote to place the initiatives on a ballot upon threat of a contempt, the City Council exercises only the discretion afforded to it by the court's order concerning the election at which the initiative is to be considered and places the initiative on the November 7, 2028, ballot. The City Council's action does not constitute voluntary acquiescence in or acceptance of the correctness or validity of the court's ruling.

Neither the City or City Council waives any claim, defense, objection, argument, appellate right, or request for relief arising from or relating to the court's order, the resulting judgment or writ of mandate, for the City Council's compelled compliance with the court's orders including, any appellate proceeding in Orange County Superior Court Case No. 30-2026-01559183 or Case No. 30-2026-01580961 (*City of Newport Beach et al. v. Robert Page, in his Official Capacity as Registrar of Voters, et al.*). The City and City Council expressly reserve all such remedies and finds there is no intention to render any part of any appeal moot;

Section 19: The recitals provided in this resolution are true and correct and are incorporated into the operative part of this resolution.

Section 20: If any section, subsection, sentence, clause or phrase of this resolution is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this resolution. The City Council hereby declares that it would have passed this resolution, and each section, subsection, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

Section 21: The City Council finds the adoption of this resolution is not subject to the California Environmental Quality Act ("CEQA") pursuant to Public Resources Code Section 21080(b)(1) because submission to the voters of a voter-sponsored initiative is a ministerial duty required by Elections Code Section 9215, and is therefore not subject to CEQA pursuant to Sections 15060(c)(1) (the activity does not involve the exercise of discretionary powers by a public agency), 15060(c)(3) (the activity is not a project as defined in Section 15378), and 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3.

Section 22: This resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify the vote adopting the resolution.

ADOPTED this 25th day of August, 2026.

Lauren Kleiman
Mayor

ATTEST:

Lena Shumway
City Clerk

APPROVED AS TO FORM:
CITY ATTORNEY'S OFFICE

Aaron C. Harp
City Attorney

Attachment: Exhibit A – Term Limits Initiative

Exhibit A
Term Limits Initiative

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The People of the City of Newport Beach do hereby ordain as follows:

Section 1. Title

This initiative measure shall be known as the “**Initiative To Establish Strict Term Limits for City Council Members**” (the “**Initiative**”).

Section 2. Purpose and Findings.

A. Purpose. Entrenched interests at the City Council do not promote the best interests of the community. This Initiative seeks to improve the leadership and governance of Newport Beach by eliminating the current loophole that allows City Council Members to serve for an unlimited number of terms so long as they are not consecutive. A revolving door of council members is not desirable, and the Charter of the City of Newport Beach (“**Charter**”) should be modified to ensure council members remain responsive to local residents. This Initiative amends the Charter to limit Council Members from serving more than two full terms, or a total of 8 years.

B. Findings. The residents of the City of Newport Beach find that this Initiative promotes the public interest in light of its purpose and the following facts and circumstances:

1. Term limits promote electoral competition, encourage civic participation, and create opportunities for new leadership.
2. This Initiative closes the current term limit “loophole” by eliminating the ability of a former City Council Member to sit on the sidelines then return for another eight years. The current law allows the same politicians to run our City without the benefit of new voices and viewpoints.
3. Many cities and counties in California have maximum term limits. This Initiative is consistent with many other jurisdictions throughout California.
4. This Initiative will better align the City Charter with the community’s general understanding, expectations and preferences.
5. This Initiative recognizes the benefits that local governments can receive from experienced leadership. By allowing for up to eight years on the City Council, the City can benefit from City Council Members with experience and institutional knowledge.
6. City Council Members may be distracted and influenced by the opportunity to return to the City Council for additional terms. This Initiative eliminates incentives for City Council Members to engage in behavior that is guided by a City Council Member’s interests in

additional terms on the City Council, instead of the interests of the Newport Beach community. This Initiative helps ensure that the City Council Members are focused on what is best for the City, not their reelection prospects.

7. Extended service on the City Council allows for concentration of power, undermines democratic and transparent governance, and can lead to unethical behavior. This Initiative will prevent the various consequences of powerful repeat leaders who have interests and allegiances tied to previous government roles, and will create more opportunities for new, fresh leadership on the City Council.

8. This Initiative is in the best interest of the people of Newport Beach.

Section 3. Amendment and Addition to the *Newport Beach Municipal Code*.

The voters hereby amend and Section 401 (titled, "Eligibility") of the City Charter as follows (new language is shown in underlined text and deleted text shown in ~~striketrough text~~):

"No person shall be eligible to hold office as a member of the City Council unless he or she is, and shall have been for at least thirty (30) days immediately preceding his or her nomination or appointment, a registered elector of the district from which he or she is nominated or appointed, and for at least thirty (30) days immediately preceding his or her election or appointment, a registered elector of the City.

Notwithstanding the provisions of Section 400, no person shall be or remain eligible to hold office as a member of the City Council for more than two (2) ~~consecutive~~ four (4) year terms or a total of eight (8) years ("Term Limit"). Service of a partial term, by appointment or otherwise, on the City Council of any duration shall constitute completion of a four-year term for purposes of the Term Limit. All duly elected City Council members as of January 31, 2027, shall remain eligible to complete their current terms notwithstanding the Term Limit, but eligibility for any future term on the City Council shall be subject to the Term Limit. Members of the City Council who have served one or more terms prior to their current term shall be entitled to complete such term, but shall not be eligible for re-election except as provided below. Members of the City Council who are serving their first term as of the effective date of this amendment shall be eligible to hold office during a second four year term when the current term expires.

~~This section is intended to prevent persons from serving more than two (2) consecutive terms, and shall not be construed to render ineligible any person who would not, by virtue of his or her election, serve more than two consecutive terms."~~

Section 4. Implementation of this Initiative.

A. This Initiative is considered adopted and effective upon the earliest date legally possible after the elections official certifies the vote on the Initiative by the voters of the City (the "Effective Date"). Upon the Effective Date of this Initiative, the City is directed to promptly take all appropriate actions needed to implement this Initiative, including but not limited to taking any

administrative steps necessary to update any and all City ordinances, codes, maps, figures, and any other documents maintained by the City so they conform to the legislative policies set forth in this Initiative.

B. Upon the Effective Date of this Initiative, the City Charter provisions of Section 3 of this Initiative are hereby inserted into the City Charter as set forth above. The City may reorganize, renumber, and/or reformat the City Charter to incorporate Section 3 of this Initiative, provided that the full text of each provision is inserted into the City Charter without alteration.

C. The City Charter in effect on the date of filing of the Notice of Intention to Circulate Petition ("**Filing Date**"), and the City Charter as amended by this Initiative, comprise an integrated, internally consistent and compatible statement of policies for the City. To ensure that the City Charter and other City policies and plans remain an integrated, internally consistent, and compatible statement of policies for the City, any provision of the City Charter that is adopted between the Filing Date and the Effective Date of the City Charter amendment adopted by this Initiative shall, to the extent that such interim-enacted provision is inconsistent with or would diminish, render invalid, defeat, or impair the City Charter amendment adopted by this Initiative, be amended as soon as possible and in the manner and time required by applicable law to ensure consistency with this Initiative.

Section 5. Effect of Other Measures on the Same Ballot.

If this Initiative and another measure on the same subject matter appear on the same ballot, and a majority of the voters vote in favor of both measures but this Initiative receives more votes than the other measure, this Initiative alone shall become valid, binding and adopted in its entirety, and the other measure shall be null and void in its entirety. If a majority of the voters vote in favor of both measures but this Initiative receives less votes than the other measure, only those provisions of the other measure that are in direct and irreconcilable conflict with the provisions of this Initiative shall control, and all other provisions of this Initiative shall become valid, binding and adopted. The voters expressly declare this to be their intent, regardless of any contrary language in any other ballot measure.

Section 6. Interpretation, Severability, and Legal Defense.

A. This Initiative must be interpreted so as to be consistent with all federal and State laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Initiative is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Initiative. The voters declare that this Initiative, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, parts, or portions are found to be invalid. If any provision of this Initiative is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Initiative that can be given effect without the

invalid application.

B. If any portion of this Initiative is held by a court of competent jurisdiction to be invalid, we the People of the City of Newport Beach indicate our strong desire that: (i) the Newport Beach City Council use its best efforts to sustain and reenact that portion, and (ii) the Newport Beach City Council implement this Initiative by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Initiative, including by presenting voters with an opportunity to adopt or reenact any such portion in a manner consistent with this Initiative.

C. This Initiative must be broadly construed in order to achieve the purposes stated above. It is the intent of the voters that the provisions of this Initiative be interpreted or implemented by the City and others in a manner that facilitates the purpose set forth in this Initiative.

D. The People of the City of Newport Beach desire that this amendment to the City Charter, if approved by the voters and thereafter challenged in court, be defended by the City. The People, by approving this City Charter amendment, hereby declare that the proponent(s) of this City Charter amendment have a direct and personal stake in defending it from constitutional or statutory challenges to its validity or implementation. In the event the City fails to defend this City Charter amendment, or the City fails to appeal an adverse judgment against its constitutionality, statutory permissibility or implementation, in whole or in part, in any court of law, the proponents shall be entitled to assert their direct personal stake by defending its validity and implementation in any court of law, shall be empowered by the People through this measure to act as agents of the People, and shall be entitled to recover their reasonable attorney's fees from the City of Newport Beach.

Section 7. Amendment or Repeal.

The City Charter as amended and adopted by Section 3 of this Initiative can be amended or repealed only by a majority of the voters of the City voting in an election held in accordance with applicable State and City law. For the avoidance of doubt, this Section only limits the power to amend the City Charter provisions as amended and adopted by Section 3 and does not limit the power of the City to amend or repeal other portions of the City Charter or Newport Beach Municipal Code in a manner that is consistent with this Initiative and other applicable law.

Section 8. Judicial Enforcement.

Any aggrieved person shall have the right to bring an action to enjoin any violation of this Initiative or to enforce the duties imposed on the City by this Initiative. The proponents of this Initiative may defend the provisions of this Initiative in any litigation brought to challenge the Initiative consistent with Section 6 of this Initiative.

STATE OF CALIFORNIA
COUNTY OF ORANGE
CITY OF NEWPORT BEACH

SS.

I, Lena Shumway, City Clerk of the City of Newport Beach, California, do hereby certify that the whole number of members of the City Council is seven; the foregoing Resolution No. 2026-64 was duly adopted by the City Council of said City at a regular meeting held on the 25th day of August, 2026, by the following vote, to wit:

AYES: Mayor Lauren Kleiman, Mayor Pro Tem Noah Blom, Councilmember Joe Stapleton,
Councilmember Sara J. Weber, Councilmember Erik Weigand
NAYS: Councilmember Michelle Barto, Councilmember Robyn Grant
RECUSED: None

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed the official seal of said City this 26th day of August, 2026.

Lena Shumway
City Clerk
City of Newport Beach, California

City of Newport Beach

Resolution No. 2026-67

RESOLUTION NO. 2026-67

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, CALLING FOR AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 7, 2028, TO SUBMIT TO THE VOTERS AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO REQUIRE CITY COUNCIL MEMBERS BE ELECTED BY VOTERS RESIDING WITHIN THE DISTRICT THE COUNCIL MEMBER REPRESENTS AND REQUESTING THE ORANGE COUNTY BOARD OF SUPERVISORS CONSOLIDATE THE GENERAL MUNICIPAL ELECTION WITH THE STATEWIDE GENERAL ELECTION TO BE HELD ON THE SAME DATE

WHEREAS, Section 1003 of the Charter of the City of Newport Beach ("City Charter") states that the provisions of the Elections Code of the State of California ("Elections Code"), as the same now exist or hereafter may be amended, which governs initiatives, shall apply to the use thereof in the City of Newport Beach ("City") so far as such provisions of the Elections Code are not in conflict with the provisions of the Charter;

WHEREAS, on April 17, 2026, pursuant to Elections Code Section 9202, the City was served with a Notice of Intention to Circulate Petition, a Proponent's Signed Statement, and a copy of a proposed initiative to establish new Charter requirements modifying City Charter provisions to require that City Council Members be elected by voters residing within the district the Council Member represents, instead of by all City of Newport Beach voters ("Initiative");

WHEREAS, on April 30, 2026, pursuant to Elections Code Section 9203, the City Attorney prepared a summary of the Initiative with the following ballot title: "Initiative to Eliminate Citywide Voting for City Council and Require District-Based Elections";

WHEREAS, on August 25, 2026, certification was presented to the City Council that not less than fifteen percent of the registered voters of the City signed the petition for the Initiative;

WHEREAS, pursuant to Elections Code Section 9255(c), if an initiative petition is signed by not less than fifteen percent of the registered voters of a city, that city shall submit the measure to the voters at an established statewide general, statewide primary, or regularly scheduled municipal election pursuant to Sections 1200, 1201, or 1301 occurring not less than 88 days after the date of the order of election;

WHEREAS, Section 1200 of the Elections Code provides that “[t]he statewide general election shall be held on the first Tuesday after the first Monday in November of each even-numbered year,” which is the same date for the holding of municipal elections pursuant to Charter Section 1000;

WHEREAS, the next statewide general election that is more than 88 days after the date of the order of election is November 7, 2028; and

WHEREAS, pursuant to Charter Sections 1000, 1002, and 1003 and Elections Code Section 9255, the City Council of the City of Newport Beach desires to call and give notice of a General Municipal Election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions to require that City Council Members be elected by voters residing within the district the Council Member represents, instead of by all City of Newport Beach voters.

NOW, THEREFORE, the City Council of the City of Newport Beach, California, does resolve, declare, determine and order as follows:

Section 1: Pursuant to the California Constitution Article XI, Government Code Section 34450 et seq., City Charter Sections 1000, 1002, and 1003 and Elections Code Sections 9255 et seq., there is hereby called and ordered to be held in the City of Newport Beach, California, on Tuesday, November 7, 2028, a general municipal election for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions to require that City Council Members be elected by voters residing within the district the Council Member represents, instead of by all City of Newport Beach voters.

Section 2: The City Council does hereby order submitted to the registered voters of the City of Newport Beach at the general municipal election on Tuesday, November 7, 2028, the following question:

MEASURE ____ CITY OF NEWPORT BEACH CHARTER AMENDMENT	Yes
Shall the measure amending the City of Newport Beach Charter to require that City Council members be elected by voters residing within the district the Council member represents, instead of by all City of Newport Beach voters, be adopted?	No

Section 3: The text of the Initiative and proposed amendment to the City Charter is attached hereto as Exhibit "A," and incorporated herein by this reference.

Section 4: The vote requirement for the ballot measure to pass is a majority (50% +1) of the votes cast.

Section 5: The ballots to be used at the election shall be in form and content as required by law.

Section 6: The City hereby requests, pursuant to Elections Code Section 10403, that the Orange County Board of Supervisors consent and agree to the consolidation of the General Municipal Election with the statewide general election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to modify City Charter provisions to require that City Council Members be elected by voters residing within the district the Council Member represents, instead of by all City of Newport Beach voters.

Section 7: The City recognizes that additional costs will be incurred by the County of Orange by reason of consolidation, and the City agrees to reimburse the County of Orange for such costs.

Section 8: The City Clerk is authorized, instructed, and directed to contract with the County of Orange to procure and furnish all services, official ballots, notices, printed matter and all supplies, equipment, and paraphernalia that may be necessary to properly and lawfully conduct the election.

Section 9: In accordance with the provisions of law governing statewide general elections, including Elections Code Section 10418, the precincts, ballot drop box locations, vote center locations, hours of operation, vote-by-mail procedures and timing,

the election officers, and all other services, staff, and procedures for the general municipal election shall be the same as those utilized by the County of Orange and in compliance with the Elections Code of the State of California.

Section 10: In all particulars not recited in this resolution, the election shall be held and conducted as provided by law for the holding of municipal elections.

Section 11: Notice of the time and place of holding the election is given and the City Clerk is authorized, instructed, and directed to give further or additional notice of the election, the time, and in the form, and manner as required by law.

Section 12: The City Clerk shall certify the passage and adoption of this resolution and enter it into the book of original resolutions.

Section 13: The City Council authorizes the City Clerk to administer said election and all reasonable and actual election expenses shall be paid by the City of Newport Beach upon presentation of a properly submitted bill.

Section 14: The Orange County Elections Official is hereby authorized to canvass the returns of the general municipal election.

Section 15: The City Clerk shall receive the canvass from the Orange County Elections Official as it pertains to the Initiative and shall timely certify the results to the City Council in accordance with law.

Section 16: If the voters approve the Initiative to amend the City Charter to modify City Charter provisions to require that City Council Members be elected by voters residing within the district the Council Member represents, instead of by all City of Newport Beach voters, the Initiative shall be adopted in accordance with Elections Code Section 9269 or as otherwise required by law.

Section 17: The City Clerk shall deliver certified copies of this resolution, including the full text of the measure attached hereto as Exhibit "A," to the Clerk of the Board of Supervisors of Orange County and the Orange County Registrar of Voters.

Section 18: In the case of City of Newport Beach et al. v. Newport Beach Stewardship Association, et al., Orange County Superior Court Case No. 30-2026-01559183, the trial court's minute order purports to order the City Council to "[e]xercise its/their discretion to decide at which election the three [charter amendment] initiatives will be placed on the ballot" and orders that "[i]f the decision is made to place the three initiatives on a ballot other than the November 2026 ballot," the City Council "shall provide an explanation why in their return to the peremptory writ of mandate[.]" The trial court's minute order also purports to find that "the need for a 10-day public examination period

[pursuant to Elections Code section 9295] should not impact the City's Council's discretionary determination at its next meeting regarding these initiatives[.]”

To avoid an argument that the City Council's action to call the elections is “voluntary compliance” with the court's order, the City Council finds that it is being compelled to take the action calling the elections for the initiative and associated actions. The trial court has stated its intention to hold the City and City Council in contempt should the City Council fail to put the initiatives on a ballot. Believing itself to be compelled to vote to place the initiatives on a ballot upon threat of a contempt, the City Council exercises only the discretion afforded to it by the court's order concerning the election at which the initiative is to be considered and places the initiative on the November 7, 2028, ballot. The City Council's action does not constitute voluntary acquiescence in or acceptance of the correctness or validity of the court's ruling.

Neither the City or City Council waives any claim, defense, objection, argument, appellate right, or request for relief arising from or relating to the court's order, the resulting judgment or writ of mandate, for the City Council's compelled compliance with the court's orders including, any appellate proceeding in Orange County Superior Court Case No. 30-2026-01559183 or Case No. 30-2026-01580961 (*City of Newport Beach et al. v. Robert Page, in his Official Capacity as Registrar of Voters, et al.*). The City and City Council expressly reserve all such remedies and finds there is no intention to render any part of any appeal moot.

Section 19: The recitals provided in this resolution are true and correct and are incorporated into the operative part of this resolution.

Section 20: If any section, subsection, sentence, clause or phrase of this resolution is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this resolution. The City Council hereby declares that it would have passed this resolution, and each section, subsection, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

Section 21: The City Council finds the adoption of this resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Public Resources Code Section 21080(b)(1) because submission to the voters of a voter-sponsored initiative is a ministerial duty required by Elections Code Section 9215, and is therefore not subject to CEQA pursuant to Sections 15060(c)(1) (the activity does not involve the exercise of discretionary powers by a public agency), 15060(c)(3) (the activity is not a project as defined in Section 15378), and 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3.

Section 22: This resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify the vote adopting the resolution.

ADOPTED this 25th day of August, 2026.

Lauren Kleiman
Mayor

CITY ATTORNEY'S OFFICE

Aaron C. Harp
City Attorney

Attachment: Exhibit A – District Voting Initiative

Exhibit A
District Voting Initiative

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The People of the City of Newport Beach do hereby ordain as follows:

Section 1. Title

This initiative measure shall be known as the "Home District Voting Initiative" (the "Initiative").

Section 2. Purpose and Findings.

A. Purpose. This Initiative seeks to enhance the leadership and governance of Newport Beach by ensuring City Council Members are directly accountable to the residents living within their Districts. Currently, the Charter of the City of Newport Beach ("Charter") provides for "at large" voting, where voters across the entire City of Newport Beach elect each City Council Member, regardless of where voters live. This Initiative amends the Charter to enact "district voting," which ensures all City Council members are elected directly by the residents that live inside their District.

B. Findings. The residents of the City of Newport Beach find that this Initiative promotes the public interest in light of its purpose and the following facts and circumstances:

1. The District Voting Initiative provides a more democratic election structure, granting the opportunity for each District to pick their specific Council Member.
2. Many cities and counties throughout California use district voting to great success. District voting tends to make local voters feel more invested in local elections.
3. Under the current election system, smaller Districts have less effective and less direct representation on the City Council. Direct voting and representation allows elected representatives to be more responsive to the specific issues and unique concerns facing their District.
4. This Initiative would simplify the voting process for all Newport Beach voters as voters would be able to focus only on the candidates that represent their District, not candidates that prioritize or represent other Districts.
5. This Initiative recognizes the value of having City Councilmembers that are aware of and can promptly respond to the concerns of all Districts across Newport Beach. Through direct and localized elections, this Initiative makes City Council Members directly accountable to the District that they are intended to represent.
6. District campaigns, instead of Citywide campaigns, can cost less, creating opportunities for new candidates and leadership. District campaigns would also make it easier for candidates to engage directly with electors in their District, improving civic engagement.

7. This Initiative is in the best interest of the people of Newport Beach.

Section 3. Amendment and Addition to the *Charter of the City of Newport Beach*.

The voters hereby amend and Section 400 (titled, "Elective Officers") of the City Charter as follows (new language is shown in underlined text and deleted text shown in ~~strike through text~~):

The elective officers of the City shall consist of a City Council of seven members. Candidates for City Council shall be nominated from and by the electors of each of the seven districts referred to in Article X of this Charter and one shall be elected from each of such districts by the voters of the City ~~at large~~ that district at the times and in the manner provided in this Charter. Ties in voting among candidates for office shall be settled by the casting of lots.

Alternatively, and successively, four four-year terms shall be filled at one general municipal election and three four-year terms at the next such election, consistent with the sequence of terms of Council members existing on the effective date of this amendment.

The term of office shall be four years. The term of each City Council member shall commence on the date of the City Council meeting, following his or her election, at which the council receives the certification of election results from the City Clerk.

Section 4. Implementation of this Initiative.

A. This Initiative is considered adopted and effective upon the earliest date legally possible after the elections official certifies the vote on the Initiative by the voters of the City (the "Effective Date"). Upon the Effective Date of this Initiative, the City is directed to promptly take all appropriate actions needed to implement this Initiative, including but not limited to taking any administrative steps necessary to update any and all City ordinances, codes, maps, figures, and any other documents maintained by the City so they conform to the legislative policies set forth in this Initiative.

B. Upon the Effective Date of this Initiative, the City Charter provisions of Section 3 of this Initiative are hereby inserted into the City Charter as set forth above. The City may reorganize, renumber, and/or reformat the City Charter to incorporate Section 3 of this Initiative, provided that the full text of each provision is inserted into the City Charter without alteration.

C. The City Charter in effect on the date of filing of the Notice of Intention to Circulate Petition ("Filing Date"), and the City Charter as amended by this Initiative, comprise an integrated, internally consistent and compatible statement of policies for the City. To ensure that the City Charter and other City policies and plans remain an integrated, internally consistent, and compatible statement of policies for the City, any provision of the City Charter that is adopted between the Filing Date and the Effective Date of the City Charter amendment adopted by this Initiative shall, to the extent that such interim-enacted provision is inconsistent with or would diminish, render invalid, defeat, or impair the City Charter amendment adopted by this Initiative,

be amended as soon as possible and in the manner and time required by applicable law to ensure consistency with this Initiative.

Section 5. Effect of Other Measures on the Same Ballot.

If this Initiative and another measure on the same subject matter appear on the same ballot, and a majority of the voters vote in favor of both measures but this Initiative receives more votes than the other measure, this Initiative alone shall become valid, binding and adopted in its entirety, and the other measure shall be null and void in its entirety. If a majority of the voters vote in favor of both measures but this Initiative receives less votes than the other measure, only those provisions of the other measure that are in direct and irreconcilable conflict with the provisions of this Initiative shall control, and all other provisions of this Initiative shall become valid, binding and adopted. The voters expressly declare this to be their intent, regardless of any contrary language in any other ballot measure.

Section 6. Interpretation, Severability, and Legal Defense.

A. This Initiative must be interpreted so as to be consistent with all federal and State laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Initiative is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Initiative. The voters declare that this Initiative, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, parts, or portions are found to be invalid. If any provision of this Initiative is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Initiative that can be given effect without the invalid application.

B. If any portion of this Initiative is held by a court of competent jurisdiction to be invalid, we the People of the City of Newport Beach indicate our strong desire that: (i) the Newport Beach City Council use its best efforts to sustain and re-enact that portion, and (ii) the Newport Beach City Council implement this Initiative by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Initiative, including by presenting voters with an opportunity to adopt or reenact any such portion in a manner consistent with this Initiative.

C. This Initiative must be broadly construed in order to achieve the purposes stated above. It is the intent of the voters that the provisions of this Initiative be interpreted or implemented by the City and others in a manner that facilitates the purpose set forth in this Initiative.

D. The People of the City of Newport Beach desire that this amendment to the City Charter, if approved by the voters and thereafter challenged in court, be defended by the City. The

People, by approving this City Charter amendment, hereby declare that the proponent(s) of this City Charter amendment have a direct and personal stake in defending it from constitutional or statutory challenges to its validity or implementation. In the event the City fails to defend this City Charter amendment, or the City fails to appeal an adverse judgment against its constitutionality, statutory permissibility or implementation, in whole or in part, in any court of law, the proponents shall be entitled to assert their direct personal stake by defending its validity and implementation in any court of law, shall be empowered by the People through this measure to act as agents of the People, and shall be entitled to recover their reasonable attorney's fees from the City of Newport Beach.

Section 7. Amendment or Repeal.

The City Charter as amended and adopted by Section 3 of this Initiative can be amended or repealed only by a majority of the voters of the City voting in an election held in accordance with applicable State and City law. For the avoidance of doubt, this Section only limits the power to amend the City Charter provisions as amended and adopted by Section 3 and does not limit the power of the City to amend or repeal other portions of the City Charter or Newport Beach Municipal Code in a manner that is consistent with this Initiative and other applicable law.

Section 8. Judicial Enforcement.

Any aggrieved person shall have the right to bring an action to enjoin any violation of this Initiative or to enforce the duties imposed on the City by this Initiative. The proponents of this Initiative may defend the provisions of this Initiative in any litigation brought to challenge the Initiative consistent with Section 6 of this Initiative.

STATE OF CALIFORNIA
COUNTY OF ORANGE
CITY OF NEWPORT BEACH

ss.

I, Lena Shumway, City Clerk of the City of Newport Beach, California, do hereby certify that the whole number of members of the City Council is seven; the foregoing Resolution No. 2026-67 was duly adopted by the City Council of said City at a regular meeting held on the 26th day of August, 2026, by the following vote, to wit:

AYES: Mayor Lauren Kleiman, Mayor Pro Tem Noah Blom, Councilmember Joe Stapleton,
Councilmember Sara J. Weber, Councilmember Erik Weigand
NAYS: Councilmember Michelle Barto, Councilmember Robyn Grant
RECUSED: None

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed the official seal of said City this 26th day of August, 2026.

Lena Shumway
City Clerk
City of Newport Beach, California

City of Newport Beach

Resolution No. 2026-70

RESOLUTION NO. 2026-70

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, CALLING FOR AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 7, 2028, TO SUBMIT TO THE VOTERS AN INITIATIVE MEASURE PROPOSING TO AMEND THE CITY CHARTER TO ESTABLISH NEW CHARTER REQUIREMENTS GOVERNING PUBLIC MEETINGS, PUBLIC RECORDS, GOVERNMENT OVERSIGHT, AND ENFORCEMENT AND REQUESTING THE ORANGE COUNTY BOARD OF SUPERVISORS CONSOLIDATE THE GENERAL MUNICIPAL ELECTION WITH THE STATEWIDE GENERAL ELECTION TO BE HELD ON THE SAME DATE

WHEREAS, Section 1003 of the Charter of the City of Newport Beach ("City Charter") states that the provisions of the Elections Code of the State of California ("Elections Code"), as the same now exist or hereafter may be amended, which governs initiatives, shall apply to the use thereof in the City of Newport Beach ("City") so far as such provisions of the Elections Code are not in conflict with the provisions of the Charter;

WHEREAS, on December 23, 2025, pursuant to Elections Code Section 9202, the City was served with a Notice of Intention to Circulate Petition, a Proponent's Signed Statement, and a copy of a proposed initiative to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement ("Initiative");

WHEREAS, on April 30, 2026, pursuant to Elections Code Section 9203, the City Attorney prepared a summary of the Initiative with the following ballot title: "Initiative Establishing Charter Provisions Governing Public Meetings, Public Records, and Government Oversight, in Addition to Those Requirements Provided for Under State Law";

WHEREAS, on August 25, 2026, certification was presented to the City Council that not less than fifteen percent of the registered voters of the City signed the petition for the Initiative;

WHEREAS, pursuant to Elections Code Section 9255(c), if an initiative petition is signed by not less than fifteen percent of the registered voters of a city, that city shall submit the measure to the voters at an established statewide general, statewide primary, or regularly scheduled municipal election pursuant to Sections 1200, 1201, or 1301 occurring not less than 88 days after the date of the order of election;

City of Newport Beach

WHEREAS, Section 1200 of the Elections Code provides that "[t]he statewide general election shall be held on the first Tuesday after the first Monday in November of each even-numbered year," which is the same date for the holding of municipal elections pursuant to Charter Section 1000;

WHEREAS, the next statewide general election that is more than 88 days after the date of the order of election is November 7, 2028; and

WHEREAS, pursuant to Charter Sections 1000, 1002, and 1003 and Elections Code Section 9255, the City Council of the City of Newport Beach desires to call and give notice of a General Municipal Election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement.

NOW, THEREFORE, the City Council of the City of Newport Beach, California, does resolve, declare, determine and order as follows:

Section 1: Pursuant to the California Constitution Article XI, Government Code Section 34450 et seq., City Charter Sections 1000, 1002, and 1003 and Elections Code Sections 9255 et seq., there is hereby called and ordered to be held in the City of Newport Beach, California, on Tuesday, November 7, 2028, a general municipal election for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement.

Section 2: The City Council does hereby order submitted to the registered voters of the City of Newport Beach at the general municipal election on Tuesday, November 7, 2028, the following question:

City of Newport Beach

MEASURE ____ CITY OF NEWPORT BEACH CHARTER AMENDMENT Shall the measure amending the City of Newport Beach Charter to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement, be adopted?	Yes No
--	--

Section 3: The text of the Initiative and proposed amendment to the City Charter is attached hereto as Exhibit "A," and incorporated herein by this reference.

Section 4: The vote requirement for the ballot measure to pass is a majority (50% +1) of the votes cast.

Section 5: The ballots to be used at the election shall be in form and content as required by law.

Section 6: The City hereby requests, pursuant to Elections Code Section 10403, that the Orange County Board of Supervisors consent and agree to the consolidation of the General Municipal Election with the statewide general election to be held on Tuesday, November 7, 2028, for the purpose of submitting to the registered voters of the City of Newport Beach an initiative measure proposing to amend the City Charter to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement.

Section 7: The City recognizes that additional costs will be incurred by the County of Orange by reason of consolidation, and the City agrees to reimburse the County of Orange for such costs.

Section 8: The City Clerk is authorized, instructed, and directed to contract with the County of Orange to procure and furnish all services, official ballots, notices, printed matter and all supplies, equipment, and paraphernalia that may be necessary to properly and lawfully conduct the election.

City of Newport Beach

Section 9: In accordance with the provisions of law governing statewide general elections, including Elections Code Section 10418, the precincts, ballot drop box locations, vote center locations, hours of operation, vote-by-mail procedures and timing, the election officers, and all other services, staff, and procedures for the general municipal election shall be the same as those utilized by the County of Orange and in compliance with the Elections Code of the State of California.

Section 10: In all particulars not recited in this resolution, the election shall be held and conducted as provided by law for the holding of municipal elections.

Section 11: Notice of the time and place of holding the election is given and the City Clerk is authorized, instructed, and directed to give further or additional notice of the election, the time, and in the form, and manner as required by law.

Section 12: The City Clerk shall certify the passage and adoption of this resolution and enter it into the book of original resolutions.

Section 13: The City Council authorizes the City Clerk to administer said election and all reasonable and actual election expenses shall be paid by the City of Newport Beach upon presentation of a properly submitted bill.

Section 14: The Orange County Elections Official is hereby authorized to canvass the returns of the general municipal election.

Section 15: The City Clerk shall receive the canvass from the Orange County Elections Official as it pertains to the Initiative and shall timely certify the results to the City Council in accordance with law.

Section 16: If the voters approve the Initiative to amend the City Charter to establish new Charter requirements governing public meetings, public records, government oversight, and enforcement, the Initiative shall be adopted in accordance with Elections Code Section 9269 or as otherwise required by law.

Section 17: The City Clerk shall deliver certified copies of this resolution, including the full text of the measure attached hereto as Exhibit "A," to the Clerk of the Board of Supervisors of Orange County and the Orange County Registrar of Voters.

Section 18: In the case of City of Newport Beach et al. v. Newport Beach Stewardship Association, et al., Orange County Superior Court Case No. 30-2026-01559183, the trial court's minute order purports to order the City Council to "[e]xercise its/their discretion to decide at which election the three [charter amendment] initiatives will be placed on the ballot" and orders that "[i]f the decision is made to place the three initiatives on a ballot other than the November 2026 ballot," the City Council "shall provide

City of Newport Beach

an explanation why in their return to the peremptory writ of mandate[.]” The trial court’s minute order also purports to find that “the need for a 10-day public examination period [pursuant to Elections Code section 9295] should not impact the City’s Council’s discretionary determination at its next meeting regarding these Initiatives[.]”

To avoid an argument that the City Council’s action to call the elections is “voluntary compliance” with the court’s order, the City Council finds that it is being compelled to take the action calling the elections for the initiative and associated actions. The trial court has stated its intention to hold the City and City Council in contempt should the City Council fail to put the initiatives on a ballot. Believing itself to be compelled to vote to place the initiatives on a ballot upon threat of a contempt, the City Council exercises only the discretion afforded to it by the court’s order concerning the election at which the initiative is to be considered and places the initiative on the November 7, 2028, ballot. The City Council’s action does not constitute voluntary acquiescence in or acceptance of the correctness or validity of the court’s ruling.

Neither the City or City Council waives any claim, defense, objection, argument, appellate right, or request for relief arising from or relating to the court’s order, the resulting judgment or writ of mandate, for the City Council’s compelled compliance with the court’s orders including, any appellate proceeding in Orange County Superior Court Case No. 30-2026-01559183 or Case No. 30-2026-01580961 (*City of Newport Beach et al. v. Robert Page, in his Official Capacity as Registrar of Voters, et al.*). The City and City Council expressly reserve all such remedies and finds there is no intention to render any part of any appeal moot.

Section 19: The recitals provided in this resolution are true and correct and are incorporated into the operative part of this resolution.

Section 20: If any section, subsection, sentence, clause or phrase of this resolution is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this resolution. The City Council hereby declares that it would have passed this resolution, and each section, subsection, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid or unconstitutional.

Section 21: The City Council finds the adoption of this resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Public Resources Code Section 21080(b)(1) because submission to the voters of a voter-sponsored initiative is a ministerial duty required by Elections Code Section 9215, and is therefore not subject to CEQA pursuant to Sections 15060(c)(1) (the activity does not involve the exercise of discretionary powers by a public agency), 15060(c)(3) (the activity is not a project as

defined in Section 15378), and 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3.

Section 22: This resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify the vote adopting the resolution.

ADOPTED this 25th day of August, 2026.

Attachment: Exhibit A – Public Meetings/Records Initiative

Exhibit A

Public Meetings/ Records Initiative

City of Newport Beach

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The People of the City of Newport Beach do hereby ordain as follows:

Section 1. Title

This initiative measure shall be known as the "Sunshine and Governmental Transparency Initiative".

Section 2. Purpose and Findings.

A. Purpose. This Initiative seeks to provide more transparency and accountability to City of Newport Beach ("City") leadership and governance by amending and adding various provisions to the Charter of the City of Newport Beach ("City Charter").

B. Findings. The People of the City of Newport Beach find:

(1) Government's duty is to serve the public, reaching its decisions in full view of the public.

(2) Elected officials, departments, commissions, boards, councils and other bodies of the City exist to conduct the People's business. The People do not cede to these entities the right to decide what the People should know about the operations of their local government.

(3) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel comfortable conducting the People's business away from the scrutiny of those who elect and employ them. Technology offers public officials additional ways to hide the making of public policy from the public. As government evolves, so too must the laws designed to ensure that process remains visible.

(4) The right of the People to know what their government and those acting on behalf of their government are doing is fundamental to democracy, and with very few exceptions, that right supersedes any other policy interest that would prevent public access to information. Only in very rare and unusual circumstances does the public benefit from allowing the business of government to be conducted in secret, and those circumstances should be carefully and narrowly defined to prevent public officials from abusing their authority.

(5) Private entities, individuals, employees and officials of the City have rights to privacy that must be respected. However, when a person or entity is before a policy body, that person, and the public, has the right to an open and public process.

(6) Public officials who attempt to conduct the public's business in secret should be held accountable for their actions. Only a strong open government and Sunshine Ordinance, enforced by a strong Sunshine Task Force, can protect the public's interest in open government.

(7) The People of Newport Beach enact these amendments to assure that the People of the City remain in control of the government they have created.

Section 3. Amendments and Additions to the *Newport Beach City Charter*.

Sections 409.1 through 409.17, Sections 409.50 through 409.63, and Sections 409.70 through Section 409.76 collectively are the "Sunshine Ordinance".

The voters hereby adopt Section 409.1 ("Definitions") of the City Charter:

"Definitions": Whenever any provision of the Sunshine Ordinance uses the following words or phrases, those words or phrases shall have the following meanings:

- (1) "City" shall mean the City of Newport Beach.
- (2) "Department" shall mean any department or division of the City of Newport Beach.
- (3) "Meeting" shall mean any of the following:
 - (i) A congregation of a majority of the members of a Policy Body at the same time and place; and
 - (ii) A series of gatherings, each of which involves less than a majority of a Policy Body, to hear, discuss or deliberate upon any item that is within the subject matter jurisdiction of the City, if the cumulative result is that a majority of members has become involved in such gatherings; or any other use of personal intermediaries or communications media that could permit a majority of the members of a Policy Body to become aware of an item of business and of the views or positions of other members with respect thereto, and to negotiate consensus thereupon.
- (4) "Meeting" shall not include any of the following:
 - (i) Individual contacts or conversations between a member of a Policy Body and another person that do not convey to the member the views or positions of other members upon the subject matter of the contact or conversation and in which the member does not solicit or encourage the restatement of the views of the other members.
 - (ii) The attendance of a majority of the members of a Policy Body at a regional, statewide or national conference, or at a meeting organized to address a topic of local community concern and open to the public, provided

that a majority of the members refrains from using the occasion to collectively discuss the topic of the gathering or any other business within the subject matter jurisdiction of the City.

(iii) The attendance of a majority of the members of a Policy Body at a purely social, recreational or ceremonial occasion other than one sponsored or organized by or for the Policy Body itself, provided that a majority of the members refrains from using the occasion to discuss any business within the subject matter jurisdiction of this body. A meal gathering of a Policy Body before, during or after a business meeting of the body is part of that meeting and shall be conducted only under circumstances that permit public access to hear and observe the discussion of members. Such meetings shall not be conducted in restaurants or other accommodations where public access is possible only in consideration of making a purchase or some other payment of value.

(iv) The attendance of a majority of the members of a Policy Body at an open and noticed meeting of a standing committee of that body, provided that the members of the Policy Body who are not members of the standing committee attend only as observers.

(5) "Passive Meeting Body" shall mean:

(i) Advisory committees created by the initiative of a member of a Policy Body, the Mayor, or a Department head;

(ii) Any group that meets to discuss with or advise the Mayor, City Council, or any Department head on fiscal, economic, or policy issues; and

(iii) Social, recreational or ceremonial occasions sponsored or organized by or for a Policy Body to which a majority of the body has been invited.

(iv) "Passive Meeting Body" shall not include a committee that consists solely of employees of the City of Newport Beach created by the initiative of a member of a Policy Body, the Mayor, or a Department head.

(6) "Policy Body" shall mean:

(i) The City Council;

(ii) Any Department, board or commission enumerated in the Charter;

(iii) Any Department, board, commission, committee, or other body created by ordinance or resolution of the City Council;

(iv) Any advisory board, commission, committee or body, created by the initiative of a Policy Body;

(v) Any standing committee of a Policy Body irrespective of its composition;

(vi) "Policy Body" shall not include a committee which consists solely of employees of the City of Newport Beach, unless such committee was established by City Charter or by ordinance or resolution of the City Council; and

(vii) Any advisory board, commission, committee, or council created by a federal, State, or local grant whose members are appointed by City officials, employees or agents.

(7) "Public Information" shall mean the content of "public records" as defined in the California Public Records Act (Government Code Section 7920.530), whether provided in documentary form or in an oral communication.

(8) "Supervisor of Records" shall mean the City Attorney.

The voters hereby adopt Section 409.2 ("Passive Meetings") of the City Charter:

a. All gatherings of Passive Meeting Bodies shall be accessible to members of the public upon inquiry and to the extent possible consistent with the facilities in which they occur.

(1) Such gatherings need not be formally noticed, except on the City's website whenever possible, although the time, place and nature of the gathering shall be disclosed upon inquiry by a member of the public, and any agenda actually prepared for the gathering shall be accessible to such inquirers as a public record.

(2) Such gatherings need not be conducted in any particular space for the accommodation of members of the public, although members of the public shall be permitted to observe on a space available basis consistent with legal and practical restrictions on occupancy.

(3) Such gatherings of a business nature need not provide opportunities for comment by members of the public, although the person presiding may, in his or her discretion, entertain such questions or comments from spectators as may be relevant to the business of the gathering.

b. To the extent not inconsistent with State or federal law, a Policy Body shall include in any contract with an entity that owns, operates or manages any property in which the City has or will have an ownership interest, including a mortgage, and on which the entity performs a government function related to the furtherance of health, safety or welfare, a requirement that any meeting of the governing board of the entity to address any matter relating to the property or its government related activities on the property, or performance under the contract or grant, be conducted as provided in Subdivision (a) of this Section. Records made available to the governing board relating to such matters shall be likewise available to the public.

The voters hereby adopt Section 409.3 ("Application of Brown Act") of the City Charter:

All meetings of any Policy Body shall be open and public, and governed by the provisions of the Ralph M. Brown Act (Government Code Sections 54950 *et. seq.*) and of the Sunshine Ordinance. In the case of inconsistent requirements under the Brown Act and the Sunshine Ordinance, the requirement which would result in greater or more expedited public access shall apply.

The voters hereby adopt Section 409.4 ("Conduct of Business; Time and Place for Meetings") of the City Charter:

- a. Each Policy Body, except for advisory bodies, shall establish by resolution or motion the time and place for holding regular meetings.
- b. All meetings of a Policy body shall be held within the City of Newport Beach unless a different location is required by state or federal law or is necessary to inspect real property or personal property which cannot be conveniently brought within the territory of the City of Newport Beach, to meet with residents residing on property owned by the City, or to meet with residents of another jurisdiction to discuss actions of the Policy Body that affect those residents.
- c. If a regular meeting would otherwise fall on a holiday, it shall instead be held on the previous or next business day, unless otherwise rescheduled in advance.
- d. If, because of fire, flood, earthquake or other emergency, it would be unsafe to meet at the regular meeting place, meetings may be held for the duration of the emergency at some other place specified by the Policy Body. The change of meeting site shall be announced, by the most rapid means of communication available at the time, in a notice to the local media who have requested written notice of special meetings pursuant to Government Code Section 54956. Reasonable attempts shall be made to contact others regarding the change in meeting location.
- e. Meetings of Passive Meeting Bodies shall be preceded by notice delivered personally or by mail, e-mail, or facsimile as reasonably requested at least 72 hours before the time of such meeting to each person who has requested, in writing, notice of such meeting. If the advisory body elects to hold regular meetings, it shall provide by bylaws, or whatever other rule is utilized by that advisory body for the conduct of its business, for the time and place for holding such regular meetings. In such case, no notice of regular meetings, other than the posting of an agenda pursuant to Section 409.5 of this Section in the place used by the Policy Body which it advises, is required.
- f. Special meetings of any Policy Body, including advisory bodies that choose to establish regular meeting times, may be called at any time by the presiding officer thereof or by a majority of the members thereof, by delivering personally or by mail written notice to each member of such Policy Body and the local media who have requested written notice of special meetings in writing. Such notice of a special meeting shall be delivered as described in subsection (e) at least 72 hours before the time of such meeting as

specified in the notice. The notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meetings. Such written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the presiding officer or secretary of the body or commission a written waiver of notice. Such written notice may be dispensed with as to any member who is actually present at the meeting at the time it convenes. Each special meeting shall be held at the regular meeting place of the Policy Body except that the Policy Body may designate an alternate meeting place provided that such alternate location is specified in the notice of the special meeting; further provided that the notice of the special meeting shall be given at least 15 days prior to said special meeting being held at an alternate location. This provision shall not apply where the alternative meeting location is located within the same building as the regular meeting place.

- g. If a meeting must be canceled, continued or rescheduled for any reason, notice of such change shall be provided to the public as soon as is reasonably possible, including posting of a cancellation notice in the same manner as described in Section 409.4 and mailed notice if sufficient time permits.

The voters hereby adopt Section 409.5 ("Agenda Requirements") of the City Charter:

- a. At least 72 hours before a regular meeting, a Policy Body shall post an agenda containing a meaningful description of each item of business to be transacted or discussed at the meeting. Agendas shall specify for each item of business the proposed action or a statement the item is for discussion only. In addition, a Policy Body shall post a current agenda on its Internet site at least 72 hours before a regular meeting.
- b. A description is meaningful if it is sufficiently clear and specific to alert a person of average intelligence and education whose interests are affected by the item that he or she may have reason to attend the meeting or seek more information on the item. The description should be brief, concise and written in plain, easily understood English. It shall refer to any explanatory documents that have been provided to the Policy Body in connection with an agenda item, such as correspondence or reports, and copies or links to such documents shall be included in the agenda or, if such documents are of more than one hundred pages in length, made available for public inspection and copying at a location indicated on the agenda during normal business hours.
- c. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public.
- d. No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a Policy Body may respond to statements made or questions posed by persons exercising their public testimony rights, to the extent of asking a question for clarification, providing a reference to staff or other resources for factual information, or requesting staff to report back to the body at a subsequent meeting concerning the matter raised by such testimony.

- e. Notwithstanding Subdivision (d), the Policy Body may take action on items of business not appearing on the posted agenda under any of the following conditions:
- (1) Upon a determination by a majority vote of the body that an accident, natural disaster or work force disruption poses a threat to public health and safety.
 - (2) Upon a good faith, reasonable determination by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that (A) the need to take immediate action on the item is so imperative as to threaten serious injury to the public interest if action were deferred to a subsequent special or regular meeting, or relates to a purely commendatory action, and (B) that the need for such action came to the attention of the body subsequent to the agenda being posted as specified in Subdivision (a).
 - (3) The item was on an agenda posted pursuant to Subdivision (a) for a prior meeting of the body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.
- f. Each board and commission enumerated in the City Charter shall ensure that agendas for regular and special meetings are made available to speech and hearing impaired persons through telecommunications devices for the deaf, telecommunications relay services or equivalent systems, and, upon request, to sight impaired persons through Braille or enlarged type.
- g. Each Policy Body shall ensure that notices and agendas for regular and special meetings shall include the following notice:

KNOW YOUR RIGHTS UNDER THE SUNSHINE
ORDINANCE (Sections 409.1 through 409.76 of the Charter of
the City of Newport Beach)

Government's duty is to serve the public, reaching its decisions in
full view of the public.

Commissions, boards, councils and other agencies of the City of
Newport Beach exist to conduct the people's business. The
Sunshine Ordinance assures that deliberations are conducted
before the people and that City operations are open to the people's
review.

FOR MORE INFORMATION ON YOUR RIGHTS UNDER THE
SUNSHINE ORDINANCE OR TO REPORT A VIOLATION OF
THE ORDINANCE, CONTACT THE SUNSHINE TASK FORCE.

- h. Each agenda of a Policy Body covered by this Sunshine Ordinance shall include the address, area code and phone number, e-mail address, and a contact person's name for

the Sunshine Task Force (as defined below). Information on how to obtain a free copy of the Sunshine Ordinance shall be included on each agenda.

The voters hereby adopt Section 409.6 ("Public Notice Requirements") of the City Charter:

- a. Any public notice that is mailed, posted or published by a Policy Body to residents residing within a specific area to inform those residents of a matter that may impact their property or that neighborhood area, shall be brief, concise and written in plain, easily understood English. Any such public notice must be provided at least seven days prior to the public meeting on the matter.
- b. The notice should inform the residents of the proposal or planned activity, the length of time planned for the activity, the effect of the proposal or activity, and a telephone contact for residents who have questions.
- c. If the notice informs the public of a public meeting or hearing, then the notice shall state that persons who are unable to attend the public meeting or hearing may submit to the City, by the time the proceeding begins, written comments regarding the subject of the meeting or hearing, that these comments will be made a part of the official public record, and that the comments will be brought to the attention of the person or persons conducting the public meeting or hearing. The notice should also state the name and address of the person or persons to whom those written comments should be submitted.

The voters hereby adopt Section 409.7 ("Agenda Disclosures: Closed Sessions") of the City Charter:

- a. In addition to the brief general description of items to be discussed or acted upon in open and public session, the agenda posted pursuant to Government Code Section 54954.2, any mailed notice given pursuant to Government Code Section 54954.1, and any call and notice delivered to the local media and posted pursuant to Government Code Section 54956 shall specify and disclose the nature of any closed sessions by providing all of the following information:

- (1) With respect to every item of business to be discussed in closed session pursuant to Government Code Section 54956.7:

LICENSE/PERMIT DETERMINATION:

_____ applicant(s)

The space shall be used to specify the number of persons whose applications are to be reviewed.

- (2) With respect to every item of business to be discussed in closed session pursuant to Government Code Section 54956.8:

CONFERENCE WITH REAL PROPERTY NEGOTIATOR

Property:

Person(s) negotiating:

Under negotiation:

Price: _____ Terms of payment: _____ Both: _____

The space under "Property" shall be used to list an address, including cross streets where applicable, or other description or name which permits a reasonably ready identification of each parcel or structure subject to negotiation. The space following "Person(s) negotiating" shall be used to identify the person or persons with whom negotiations concerning that property are in progress. The space following "Under negotiation" shall be checked off as applicable to indicate which issues are to be discussed.

- (3) With respect to every item of business to be discussed in closed session pursuant to Government Code Section 54956.9, either:

CONFERENCE WITH LEGAL COUNSEL

Existing litigation:

_____ Unspecified to protect service of process

_____ Unspecified to protect settlement posture or:

CONFERENCE WITH LEGAL COUNSEL

Anticipated litigation: _____ As defendant _____ As plaintiff _____

The space under "Existing litigation" shall be used to specifically identify a case under discussion pursuant to subdivision (a) of Government Code Section 54956.9, including the case name, court, and case number, unless the identification would jeopardize the City's ability to effectuate service of process upon one or more unserved parties, in which instance the space in the next succeeding line shall be checked, or unless the identification would jeopardize the City's ability to conclude existing settlement negotiations to its advantage, in which instance the space in the next succeeding line shall be checked. If the closed session is called pursuant to Section 54956.9 and applicable litigation has not yet been filed, the appropriate space shall be checked under "Anticipated litigation" to indicate the City's anticipated position as defendant or plaintiff respectively. If more than one instance of anticipated litigation is to be reviewed, space may be saved by entering the number of separate instances in the "As defendant" or "As plaintiff" spaces or both as appropriate.

(4) With respect to every item of business to be discussed in closed session pursuant to Government Code Section 54957, either:

THREAT TO PUBLIC SERVICES OR FACILITIES

Name, title and agency of law enforcement officer(s) to be conferred with:
or:

PUBLIC EMPLOYEE APPOINTMENT/HIRING

Title/description of position(s) to be filled:

PUBLIC EMPLOYEE PERFORMANCE EVALUATION

Position and, in the case of a routine evaluation, name of employee(s) being evaluated:

or:

PUBLIC EMPLOYEE DISMISSAL

Number of employees affected:

or:

(5) With respect to every item of business to be discussed in closed session pursuant to Government Code Section 54957.6, either:

CONFERENCE WITH NEGOTIATOR ON COLLECTIVE BARGAINING

Name and title of City's negotiator:

Organization(s) representing:

_____ Police officers, firefighters and airport police

_____ Transit Workers

_____ Nurses

_____ Miscellaneous Employees

Anticipated issue(s) under negotiation:

_____ Wages

_____ Hours

- ☐ Benefits
- ☐ Working Conditions
- ☐ Other (specify if known)
- ☐ All

If renegotiating a memorandum of understanding or negotiating a successor memorandum of understanding, the name of the memorandum of understanding:

(6) In case of multiple items of business under the same category, lines may be added and the location of information may be reformatted to eliminate unnecessary duplication and space, so long as the relationship of information concerning the same item is reasonably clear to the reader. As an alternative to the inclusion of lengthy lists of names or other information in the agenda, or as a means of adding items to an earlier completed agenda, the agenda may incorporate by reference separately prepared documents containing the required information, so long as copies of those documents are posted adjacent to the agenda within the time periods required by Government Code Sections 54954.2 and 54956 and provided with any mailed or delivered notices required by Sections 54954.1 or 54956 as applicable.

The voters hereby adopt Section 409.8 ("Additional Requirements for Closed Sessions") of the City Charter:

- a. All closed sessions of any Policy Body covered by this Sunshine Ordinance shall be either audio recorded or audio and video recorded in their entirety and all such recordings shall be retained permanently unless the Policy Body determines, at a noticed public meeting, that permanent retention of such records is infeasible. Closed session recordings shall be made available immediately after all rationales for closing the session are no longer applicable. For closed sessions of a Policy Body where the justification for the closed session is due to "anticipated litigation", recordings shall be released to the public in accordance with the following provisions: (i) if no litigation is filed, either (a) as soon as the controversy leading to the anticipated litigation is settled or concluded, or (b) two years after the meeting or upon expiration of the statute of limitations for the anticipated litigation, whichever occurs later; and (ii) if litigation is filed, as soon as the litigation is settled or a judgment becomes final.
- b. Each agenda item covered by this Sunshine Ordinance that involves existing litigation shall identify the court, case number, and date the case was filed on the written agenda. For each agenda item covered by this Sunshine Ordinance that involves anticipated litigation, the City Attorney's Office or the Policy Body shall, upon request from any member of the public, disclose whether such anticipated litigation developed into litigation and shall identify the court, case number, and date the case was filed.

The voters hereby adopt Section 409.9 ("Agendas and Related Materials") of the City Charter:

- a. Agendas of meetings and any other documents on file with the clerk of the Policy Body, when intended for distribution to all, or a majority of all, of the members of a Policy Body in connection with a matter anticipated for discussion or consideration at a public meeting, shall be made available to the public on the Policy Body's website. However, this disclosure need not include any material exempt from public disclosure under this Sunshine Ordinance or the California Public Records Act (Government Code sections 7920.000, *et seq.*).
- b. Records which are subject to disclosure under Subdivision (a) and which are intended for distribution to a Policy Body prior to commencement of a public meeting shall be made available for public inspection and copying upon request prior to commencement of such meeting, whether or not actually distributed to or received by the body at the time of the request.
- c. Records which are subject to disclosure under Subdivision (a) and which are distributed during a public meeting but prior to commencement of their discussion shall be made available for public inspection prior to commencement of, and during, their discussion.
- d. Records which are subject to disclosure under Subdivision (a) and which are distributed during their discussion at a public meeting shall be made available for public inspection immediately or as soon thereafter as is practicable.

The voters hereby adopt Section 409.10 ("Closed Sessions; Permitted Topics") of the City Charter:

A Policy Body may, but is not required to, hold closed sessions:

- a. With the Attorney General, District Attorney, or Chief of Police, or their respective deputies, on matters posing a threat to the security of public buildings or a threat to the public's right of access to public services or public facilities.
- b. To consider the appointment, employment, evaluation of performance, or dismissal of a City employee, if the Policy Body has the authority to appoint, employ, or dismiss the employee, or to hear complaints or charges brought against the employee by another person or employee unless the employee complained of requests a public hearing. The body may exclude from any such public meeting, and shall exclude from any such closed meeting, during the comments of a complainant, any or all other complainants in the matter. The term "employee" as used in this section shall not include any elected official, member of a Policy Body or applicant for such a position, or person providing services to the City as an independent contractor or the employee thereof, including but not limited to independent attorneys or law firms providing legal services to the City for a fee rather than a salary.
- c. Based on advice of its legal counsel, and on a motion and vote in open session to assert the attorney-client privilege, to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would likely and unavoidably prejudice the position of the City in that litigation. Litigation shall be considered pending when any of the following circumstances exist:

- (1) An adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator, to which the City is a party, has been initiated formally; or,
 - (2) A point has been reached where, in the opinion of the Policy Body on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the City, or the body is meeting only to decide whether a closed session is authorized pursuant to that advice or, based on those facts and circumstances, the body has decided to initiate or is deciding whether to initiate litigation.
 - (3) A closed session may not be held under this Section to consider the qualifications or engagement of an independent contract attorney or law firm, for litigation services or otherwise.
- d. With the City's designated representatives regarding matters within the scope of collective bargaining or meeting and conferring with public employee organizations when a Policy Body has authority over such matters.
- (1) Such closed sessions shall be for the purpose of reviewing the City's position and instructing its designated representatives and may take place solely prior to and during active consultations and discussions between the City's designated representatives and the representatives of employee organizations or the unrepresented employees. A Policy Body shall not discuss compensation or other contractual matters in closed session with one or more employees directly interested in the outcome of the negotiations.
 - (2) In addition to the closed sessions authorized by subsection 409.10, a Policy Body subject to Government Code Section 3501 may hold closed sessions with its designated representatives on mandatory subjects within the scope of representation of its represented employees, as determined pursuant to Government Code Section 3504.

The voters hereby adopt Section 409.11 ("Statement of Reasons for Closed Sessions") of the City Charter:

- a. Prior to any closed session, a Policy Body shall state the general reason or reasons for the closed session, and shall cite the statutory authority, including the specific section and subdivision, or other legal authority under which the session is being held. In the closed session, the Policy Body may consider only those matters covered in its statement. In the case of regular and special meetings, the statement shall be made in the form of the agenda disclosures and specifications required by Section 409.7. In the case of adjourned and continued meetings, the statement shall be made with the same disclosures and specifications required by Section 409.7, as part of the notice provided for the meeting.

- b. In the case of an item added to the agenda as a matter of urgent necessity, the statement shall be made prior to the determination of urgency and with the same disclosures and specifications as if the item had been included in the agenda pursuant to Section 409.7 of this Section. Nothing in this Section shall require or authorize a disclosure of information prohibited by state or federal law.

The voters hereby adopt Section 409.12 ("Disclosure of Closed Session Discussions and Actions") of the City Charter:

- a. After every closed session, a Policy Body must disclose to the public any portion of its discussion that is not confidential under federal or State law, the Charter, or non-waivable privilege. The Policy Body shall, by motion and vote in open session, elect either to disclose no information or to disclose the information that a majority deems to be in the public interest. The disclosure shall be made through the presiding officer of the body or such other person, present in the closed session, whom he or she designates to convey the information.
- b. A Policy Body shall publicly report any action taken in closed session and the vote or abstention of every member present thereon, as follows:

(1) Real Property Negotiations: Approval given to a Policy Body's negotiator concerning real estate negotiations pursuant to Government Code Section 54956.8 shall be reported as soon as the agreement is final. If its own approval renders the agreement final, the Policy Body shall report that approval, the substance of the agreement and the vote thereon in open session immediately. If final approval rests with another party to the negotiations, the Policy Body shall, at its next meeting and immediately upon inquiry by any person, disclose the fact of that approval, the substance of the agreement and the Policy Body's vote or votes thereon as soon as the other party or its agent has informed the body of its approval. If notwithstanding the final approval there are conditions precedent to the final consummation of the transaction, or there are multiple contiguous or closely located properties that are being considered for acquisition, the document referred to need not be disclosed until the condition has been satisfied or the agreement has been reached with respect to all the properties, or both.

(2) Litigation: Direction or approval given to the Policy Body's legal counsel to prosecute, defend or seek or refrain from seeking appellate review or relief, or to otherwise enter as a party, intervenor or amicus curiae in any form of litigation as the result of a consultation pursuant to Government Code Section 54956.9 shall be reported in open session as soon as given, or at the first meeting after an adverse party has been served in the matter if immediate disclosure of the City's intentions would be contrary to the public interest. The report shall identify the adverse party or parties, any co-parties with the City, any existing claim or order to be defended against or any factual circumstances or contractual dispute giving rise to the City's complaint, petition or other litigation initiative.

(3) Settlement: A Policy Body shall neither solicit nor agree to any term in a settlement which would preclude the release of the text of the settlement itself and any related documentation communicated to or received from the adverse party or parties. Any written settlement agreement and any documents attached to or referenced in the settlement agreement shall be made publicly available at least 10 calendar days before the meeting of the Policy Body at which the settlement is to be approved to the extent that the settlement would commit the City (including any Department) to adopting, modifying, or discontinuing an existing policy, practice or program or otherwise acting other than to pay an amount of money less than fifty thousand dollars (\$50,000). The agenda for any meeting in which a settlement subject to this Section is discussed shall identify the names of the parties, the case number, the court, and the material terms of the settlement. Where the disclosure of documents in a litigation matter that has been or may be settled could be detrimental to the City's interest in pending litigation arising from the same facts or incident and involving a party not a party to or otherwise aware of the settlement, the documents required to be disclosed by Subdivision (b) of this Section need not be disclosed until the other case is settled or otherwise finally concluded.

(4) Employee Actions: Action taken to appoint, employ, dismiss, transfer or accept the resignation of a public employee in closed session pursuant to Government Code Section 54957 shall be reported immediately in a manner that names the employee, the action taken and position affected and, in the case of dismissal for a violation of law or of the policy of the City, the reason for dismissal. "Dismissal" within the meaning of this Sunshine Ordinance includes any termination of employment at the will of the employer rather than of the employee, however characterized. The proposed terms of any separation agreement shall be immediately disclosed as soon as presented to the body, and its final terms shall be immediately disclosed upon approval by the body.

(5) Collective Bargaining: Any collectively bargained agreement shall be made publicly available at least 15 calendar days before the meeting of the Policy Body to which the agreement is to be reported.

- c. Reports required to be made immediately may be made orally or in writing, but shall be supported by copies of any contracts, settlement agreements, or other documents related to the transaction that were finally approved or adopted in the closed session and that embody the information required to be disclosed immediately shall be provided to any person who has made a written request regarding that item following the posting of the agenda, or who has made a standing request for all such documentation as part of a request for notice of meetings pursuant to Government Code Sections 54954.1 or 54956.
- d. A written summary of the information required to be immediately reported pursuant to this Section, or documents embodying that information, shall be posted by the close of business on the next business day following the meeting, in the place where the meeting agendas of the body are posted.

City of Newport Beach

The voters hereby adopt Section 409.13 ("Barriers to Attendance Prohibited") of the City Charter:

- a. No Policy Body shall conduct any meeting, conference or other function in any facility that excludes persons on the basis of actual or presumed class identity or characteristics, or which is inaccessible to persons with physical disabilities, or where members of the public may not be present without making a payment or purchase. Whenever the City Council, or a Policy Body anticipates that the number of persons attending the meeting will exceed the legal capacity of the meeting room, any public address system used to amplify sound in the meeting room shall be extended by supplementary speakers to permit the overflow audience to listen to the proceedings in an adjacent room or passageway, unless such supplementary speakers would disrupt the operation of a City office.
- b. Each Policy Body shall provide sign language interpreters or note-takers at each regular meeting, provided that a request for such services is communicated to the secretary or clerk of the Policy Body at least 48 hours before the meeting, except for Monday meetings, for which the deadline shall be 4 p.m. of the last business day of the preceding week.
- c. Each Policy Body shall ensure that accessible seating for persons with disabilities, including those using wheelchairs, is made available for each regular and special meeting.

The voters hereby adopt Section 409.14 ("Video and Audio Recording") of the City Charter:

- a. Any person attending an open and public meeting of a Policy Body shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera, or to broadcast the proceedings, in the absence of a reasonable finding of the Policy Body that the recording or broadcast cannot continue without such noise, illumination or obstruction of view as to constitute a persistent disruption of the proceedings.
- b. Each Policy Body shall audio record each regular and special meeting. Each such audio recording, and any audio or video recording of a meeting of any other Policy Body made at the direction of the Policy Body shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code sections 7920.000 *et seq.*), and shall not be erased or destroyed. Inspection of any such recording shall be provided without charge on an appropriate play back device made available by the City.
- c. Every Policy Body shall audio or video every noticed regular meeting, special meeting, or hearing open to the public held in a Newport City Civic Center hearing room that is equipped with audio or video recording facilities, except to the extent that such facilities may not be available for technical or other reasons. Each such audio or video recording shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code sections 7920.000 *et seq.*), and shall not be erased or destroyed. The City shall make such audio or video recording available in digital form at a centralized location on the City's website (www.newportbeachca.gov) within 72

hours of the date of the meeting or hearing and for a period of at least two years after the date of the meeting or hearing. Inspection of any such recording shall also be provided without charge on an appropriate play back device made available by the City. This subsection (C) shall not be construed to limit or in any way modify the duties created by any other provision of this Section, including but not limited to the requirements for recording closed sessions as stated in Section 409.8 and for recording meetings of boards and commissions enumerated in the Charter as stated in subsection (b) above.

The voters hereby adopt Section 409.15 ("Public Testimony") of the City Charter:

- a. Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a Policy Body on items of interest to the public that are within Policy Body's subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section 409.5.
- b. Every agenda for special meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.
- c. A Policy Body may adopt reasonable regulations to ensure that the intent of Subdivisions (a) and (b) are carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Each Policy Body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for no less than three minutes. Time limits shall be applied uniformly to members of the public wishing to testify.
- d. A Policy Body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis that the performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to Subdivision (c) of this Section.
- e. To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer of a Policy Body at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer.

The voters hereby adopt Section 409.16 ("Minutes") of the City Charter:

- a. The clerk or secretary of the City Council, and the clerk, secretary or other representative of all Policy Bodies and commissions shall record the minutes for each regular and special meeting of such bodies. The minutes shall state the time the meeting was called to order, the names of the members attending the meeting, the roll call vote on each matter considered at the meeting, the time the meeting began and ended any closed session, the names of the members and the names, and titles where applicable,

of any other persons attending any closed session, a list of those members of the public who spoke on each matter if the speakers identified themselves, whether such speakers supported or opposed the matter, a brief summary of each person's statement during the public comment period for each agenda item, and the time the meeting was adjourned. Any person speaking during a public comment period may supply a brief written summary of their comments which shall, if no more than 150 words, be included in the minutes.

- b. The draft minutes of each meeting shall be made available on the City's website, and at a designated location for inspection and copying upon request, no later than five working days after the meeting. The officially adopted minutes shall be available for inspection and copying upon request no later than 10 working days after the meeting at which the minutes are adopted. Upon request, minutes required to be produced by this Section shall be made available in Braille or increased type size.

The voters hereby adopt Section 409.17 ("Public Comments by Members of Policy Bodies") of the City Charter:

Every member of a Policy Body retains the full constitutional rights of a citizen to comment publicly on the wisdom or propriety of government actions, including those of the Policy Body of which he or she is a member. Policy Bodies shall not sanction, reprove or deprive members of their rights as elected or appointed officials for expressing their judgments or opinions, including those which deal with the perceived inconsistency of non-public discussions, communications or actions with the requirements of State or Federal law or of this Sunshine Ordinance. The release of specific factual information made confidential by State or Federal law including, but not limited to, the privilege for confidential attorney-client communications, may be the basis for a request for injunctive or declaratory relief, of a complaint to the City Council seeking an accusation of misconduct, or both.

The voters hereby adopt Section 409.50 ("Process for Gaining Access to Public Records; Administrative Appeals") of the City Charter:

- a. Every person having custody of any public record or public information, as defined in this Sunshine Ordinance, (hereinafter referred to as a custodian of a public record) shall, at normal times and during normal and reasonable hours of operation, without unreasonable delay, and without requiring an appointment, permit the public record, or any segregable portion of a record, to be inspected and examined by any person and shall furnish one copy thereof upon payment of a reasonable copying charge, not to exceed the lesser of the actual cost or 10 cents (\$0.10) per page.
- b. A custodian of a public record shall, as soon as possible and within 10 days following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by fax, postal delivery, or e-mail. If the custodian believes the record or information requested is not a public record or is exempt, the custodian shall justify withholding any record by demonstrating, in writing as soon as possible and within 10

days following receipt of a request, that the record in question is exempt under express provisions of this Sunshine Ordinance.

- c. A custodian of a public record shall assist a requester in identifying the existence, form, and nature of any records or information maintained by, available to, or in the custody of the custodian, whether or not the contents of those records are exempt from disclosure and shall, when requested to do so, provide in writing within seven days following receipt of a request, a statement as to the existence, quantity, form and nature of records relating to a particular subject or questions with enough specificity to enable a requester to identify records in order to make a request. A custodian of any public record, when not in possession of the record requested, shall assist a requester in directing a request to the proper office or staff person.
- d. If the custodian refuses, fails to comply, or incompletely complies with a request for records under this Section, the person making the request may petition the Supervisor of Records for a determination whether the record requested is public. The Supervisor of Records shall inform the petitioner, as soon as possible and within 10 days, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination by the Supervisor of Records that the record is public, the Supervisor of Records shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within five days, the Supervisor of Records shall notify the Sunshine Task Force, and district attorney or the attorney general who shall take whatever measures she or he deems necessary and appropriate to insure compliance with the provisions of this Sunshine Ordinance. The Supervisor of Records shall also have the right to investigate any failure to comply with the Sunshine Ordinance. The Supervisor of Records may implement disciplinary and/or remedial action against City officials and staff.
- e. If the custodian refuses, fails to comply, or incompletely complies with a request for records under this Section, or if a petition is denied or not acted on by the Supervisor of Records, the person making the request may petition the Sunshine Task Force for a determination whether the record requested is public. The Sunshine Task Force shall inform the petitioner, as soon as possible and within 2 days after its next meeting but in no case later than 45 days from when a petition in writing is received, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination that the record is public, the Sunshine Task Force shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the Sunshine Task Force shall notify the district attorney or the attorney general who may take whatever measures she or he deems necessary to insure compliance with the provisions of this Sunshine Ordinance. The City Council and the City Attorney's office shall provide sufficient staff and resources to allow the Sunshine Task Force to fulfill its duties under this provision. Where requested by the petition, the Sunshine Task Force may conduct a public hearing concerning the records

request denial. An authorized representative of the custodian of the public records requested shall attend any hearing and explain the basis for its decision to withhold the records requested.

- f. The administrative remedy provided under this Section shall in no way limit the availability of other administrative remedies provided to any person with respect to any officer or employee of any executive office, or Policy Body; nor shall the administrative remedy provided by this section in any way limit the availability of judicial remedies otherwise available to any person requesting a public record. If a custodian of a public record refuses or fails to comply with the request of any person for inspection or copy of a public record or with an administrative order under this Section, the superior court shall have jurisdiction to order compliance.
- g. In any court proceeding pursuant to this article there shall be a presumption that the record sought is public, and the burden shall be upon the custodian to prove with specificity the exemption which applies.
- h. On at least an annual basis, and as otherwise requested by the Sunshine Task Force, the Supervisor of Records shall prepare a tally and report of every petition brought before it for access to records since the time of its last tally and report. The report shall at least identify for each petition the record or records sought, the custodian of those records, the ruling of the Supervisor of Records, whether any ruling was overturned by a court and whether orders given to custodians of public records were followed. The report shall also summarize any court actions during that period regarding petitions the Supervisor of Records has decided. At the request of the Sunshine Task Force, the report shall also include copies of all rulings made by the Supervisor of Records and all opinions issued. All annual tallies and reports shall be made available on the City's website within ten days.
- i. The City Attorney Department shall act to protect and secure the rights of the people of Newport Beach to access public information and public meetings and shall not act as legal counsel for any city employee or any person having custody of any public record for purposes of denying access to the public. The City Attorney may publish legal opinions in response to a request from any person as to whether a record or information is public. All communications with the City Attorney's Office with regard to this Sunshine Ordinance, including petitions, requests for opinion, and opinions shall be public records, regardless of whether such communications include City employees or officials.
- j. Notwithstanding the provisions of this Section, the City Attorney may defend the City or a City employee in litigation under the Sunshine Ordinance that is actually filed in court to any extent required by the City Charter or California Law.
- k. Release of documentary public information, whether for inspection of the original or by providing a copy, shall be governed by the California Public Records Act (Government Code sections 7920.000 *et seq.*) in particulars not addressed by the

Sunshine Ordinance and in accordance with the enhanced disclosure requirements provided in this Sunshine Ordinance.

1. Inspection and copying of documentary public information stored in electronic form shall be made available to the person requesting the information in any form requested which is available to or easily generated by the City, its officers or employees, including disk, tape, printout or monitor at a charge no greater than the cost of the media on which it is duplicated. Inspection of documentary public information on a computer monitor need not be allowed where the information sought is necessarily and inseparably intertwined with information not subject to disclosure under this Sunshine Ordinance. Nothing in this Section shall require a Department to program or reprogram a computer to respond to a request for information or to release information where the release of that information would violate a licensing agreement or copyright law.

The voters hereby adopt Section 409.51 ("Release of Oral Public Information") of the City Charter:

Release of oral public information shall be accomplished as follows:

- a. Every Department head shall designate a person or persons knowledgeable about the affairs of the Department, to provide information, including oral information, to the public about the Department's operations, plans, policies and positions. The Department head may designate himself or herself for this assignment, but in any event shall arrange that an alternate be available for this function during the absence of the person assigned primary responsibility. If a Department has multiple bureaus or divisions, the Department may designate a person or persons for each bureau or division to provide this information.
- b. The role of the person or persons so designated shall be to provide information on as timely and responsive a basis as possible to those members of the public who are not requesting information from a specific person. This Section shall not be interpreted to curtail existing informal contacts between employees and members of the public when these contacts are occasional, acceptable to the employee and the Department, not disruptive of his or her operational duties and confined to accurate information not confidential by law.
- c. No employee shall be required to respond to an inquiry or inquiries from an individual if it would take the employee more than two hours to obtain the information responsive to the inquiry or inquiries.
- d. Public employees shall not be discouraged from or disciplined for the expression of their personal opinions on any matter of public concern while not on duty, so long as the opinion (1) is not represented as that of the Department and does not misrepresent the Department position; and (2) does not disrupt coworker relations, impair discipline or control by superiors, erode a close working relationship premised on personal loyalty and confidentiality, interfere with the employee's performance of his or her duties or obstruct the routine operation of the office in a manner that outweighs the employee's interests in expressing that opinion. In adopting this Subdivision, the City intends

merely to restate and affirm court decisions recognizing the First Amendment rights enjoyed by public employees. Nothing in this Section shall be construed to provide rights to City employees beyond those recognized by courts, now or in the future, under the First Amendment, or to create any new private cause of action or defense to disciplinary action.

- e. Notwithstanding any other provisions of the Sunshine Ordinance, public employees shall not be discouraged from or disciplined for disclosing any information that is public information or a public record to any journalist or any member of the public. Any public employee who is disciplined for disclosing public information or a public record shall have a cause of action against the City and the supervisor imposing the discipline.

The voters hereby adopt Section 409.52 ("Public Review File -- Policy Body Communications") of the City Charter:

- a. The City Clerk and the clerk of each Department and commission shall maintain a file, accessible to any person during normal office hours, containing a copy of any letter, memorandum or other communication which the clerk has distributed to or received from a quorum of the Policy Body concerning a matter calendared by the body within the previous 30 days or likely to be calendared within the next 30 days, irrespective of subject matter, origin or recipient, except commercial solicitations, periodical publications or communications exempt from disclosure under the California Public Records Act (Government Code sections 7920.000, *et seq.*) and not deemed disclosable under Section 409.53 of the Sunshine Ordinance.
- b. Communications, as described in subsection (a), sent or received in the last three business days shall be maintained in chronological order in the office of the Department head or at a place nearby, clearly designated to the public. After documents have been on file for three full days, they may be removed, and, in the discretion of the board or commission, placed in a monthly chronological file.
- c. Multiple-page reports, studies or analyses which are accompanied by a letter or memorandum of transmittal need not be included in the file so long as the letter or memorandum of transmittal is included.

The voters hereby adopt Section 409.53 ("Public Information That Must Be Disclosed") of the City Charter:

Notwithstanding the City Council's and Department's legal discretion to withhold certain information under the California Public Records Act, the following policies shall govern specific types of documents and information and shall provide enhanced rights of public access to information and records:

- a. Neither the City nor any office, official, employee, or agent thereof may assert as the basis for withholding any documents or information requested under the Sunshine Ordinance, or the California Public Records Act (Gov. Code section 7922.000 *et. seq.*) or

any similar provision authorizing the withholding of any document or information based on a finding or showing that the public interest in withholding the information outweighs the public interest in disclosure.

- b. Neither the City nor any office, employee, or agent thereof may assert an exemption for withholding for any document or information based on a "deliberative process" exemption, either as provided by California Public Records Act Section 7922.000 or any other provision of law that does not prohibit disclosure.
- c. All withholdings of documents or information must be based on an express provision of this Sunshine Ordinance providing for withholding of the specific type of information in question or on an express and specific exemption provided by California Public Records Act that is not forbidden by this Sunshine Ordinance.
- d. Drafts and Memoranda.

(1) Except as provided in subparagraph (2) below, no preliminary draft or Policy Body memorandum, whether in printed or electronic form, shall be exempt from disclosure under Government Code Section 7927.500 or any other provision of the California Public Records Act. If such a document is not normally kept on file and would otherwise be disposed of, its factual content is not exempt under Government Code Section 7927.500. Only the recommendation of the author may, in such circumstances, be withheld as exempt.

(2) Draft versions of an agreement being negotiated by representatives of the City with some other party need not be disclosed immediately upon creation but must be preserved and made available for public review for 10 days prior to the presentation of the agreement for approval by a Policy Body, unless the Policy Body finds that and articulates how the public interest would be unavoidably and substantially harmed by compliance with this 10 day rule, provided that Policy Body as used in this Subdivision does not include committees. In the case of negotiations for a contract, lease or other business agreement in which an agency of the City is offering to provide facilities or services in direct competition with other public or private entities that are not required by law to make their competing proposals public or do not in fact make their proposals public, the Policy Body may postpone public access to the final draft agreement until it is presented to it for approval.

e. Litigation Material.

(1) Notwithstanding any exemptions otherwise provided by law, the following are public records subject to disclosure under this Sunshine Ordinance:

- (i) A pre-litigation claim against the City;

(ii) A record previously received or created by a Policy Body in the ordinary course of business that was not attorney/client privileged when it was previously received or created; and

(iii) Advice on compliance with, analysis of, an opinion concerning liability under, or any communication otherwise concerning the California Public Records Act, the Ralph M. Brown Act, the Political Reform Act, the City Charter, the City of Newport Beach Municipal Code, or this Sunshine Ordinance.

(2) Unless otherwise privileged under California law, when litigation is finally adjudicated or otherwise settled, records of all communications between the Policy Body and the adverse party shall be subject to immediate disclosure, including the text and terms of any settlement.

f. Personnel Information.

None of the following shall be exempt from disclosure under Government Code Section 7927.400 to Government Code Section 7927.430, or any other provision of California Law where disclosure is not forbidden:

(1) The job pool characteristics and employment and education histories of all successful job applicants, including at a minimum the following information as to each successful job applicant:

(i) Sex, age and ethnic group;

(ii) Years of graduate and undergraduate study, degree(s) and major or discipline;

(iii) Years of employment in the private and/or public sector; and

(iv) Whether currently employed in the same position for another public agency.

(v) Other non-identifying particulars as to experience, credentials, aptitudes, training or education entered in or attached to a standard employment application form used for the position in question.

(2) The professional biography or curriculum vitae of any employee, provided that the home address, home telephone number, social security number, age, and marital status of the employee shall be redacted.

(3) The job description of every employment classification.

(4) The exact gross salary and City-paid benefits available to every employee.

(5) Any memorandum of understanding between the City or Department and a recognized employee organization.

(6) The amount, basis, and recipient of any performance-based increase in compensation, benefits, or both, or any other bonus, awarded to any employee, which shall be announced during the open session of a Policy Body at which the award is approved.

(7) The record of any confirmed misconduct of a public employee involving personal dishonesty, misappropriation of public funds, resources or benefits, unlawful discrimination against another on the basis of status, abuse of authority, or violence, and of any discipline imposed for such misconduct.

g. Law Enforcement Information.

The Chief of Police and City Attorney are encouraged to cooperate with the press and other members of the public in allowing access to local records pertaining to investigations, arrests, and other law enforcement activity. However, no provision of the Sunshine Ordinance is intended to abrogate or interfere with the constitutional and statutory power and duties of any district attorney, sheriff, police officer or other applicable State law or judicial decision. Records pertaining to any investigation, arrest or other law enforcement activity shall be disclosed to the public once the district attorney or court determines that a prosecution will not be sought against the subject involved, or once the statute of limitations for filing charges has expired, whichever occurs first. Notwithstanding the occurrence of any such event, individual items of information in the following categories may be segregated and withheld if, on the particular facts, the public interest in nondisclosure clearly and substantially outweighs the public interest in disclosure:

(1) The names of juvenile witnesses (whose identities may nevertheless be indicated by substituting a number or alphabetical letter for each individual interviewed);

(2) Personal or otherwise private information related to or unrelated to the investigation if disclosure would constitute an unwarranted invasion of privacy;

(3) The identity of a confidential source;

(4) Secret investigative techniques or procedures;

(5) Information whose disclosure would endanger law enforcement personnel; or

(6) Information whose disclosure would endanger the successful completion of an investigation where the prospect of enforcement proceedings is concrete and definite.

This Subdivision shall not exempt from disclosure any portion of any record of a concluded inspection or enforcement action by an officer or Policy Body responsible for regulatory protection of the public health, safety, or welfare.

h. Contracts, Bids and Proposals.

(1) Contracts, contractors' bids, responses to requests for proposals and all other records of communications between a Policy Body and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded and for no less than two years after the contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All bidders and contractors shall be advised that information provided which is covered by this Subdivision will be made available to the public upon request. Immediately after any review or evaluation or rating of responses to a Request for Proposal ("RFP") has been completed, evaluation forms and score sheets and any other documents used by persons in the RFP evaluation or contractor selection process shall be available for public inspection and for no less than two years. The names of scorers, graders or evaluators, along with their individual ratings, comments, and score sheets or comments on related documents, shall be made immediately available after the review or evaluation of a RFP has been completed and for no less than two years.

(2) All documents exchanged and related to the position of the parties, including draft contracts, shall be made available for public inspection and copying upon request for no less than two years if they relate to negotiations for:

- (i) personal, professional, or other contractual services not subject to a competitive process or where such a process has arrived at a stage where there is only one qualified or responsive bidder;
- (ii) leases or permits having total anticipated revenue or expense to the City of Newport of five hundred thousand dollars (\$500,000) or more or having a term of 10 years or more; or
- (iii) any franchise agreements.

In the event that no records are prepared or exchanged during negotiations in the above-mentioned categories, or the records exchanged do not provide a meaningful representation of the respective positions, the City Attorney or City representative familiar with the negotiations shall, upon a written request by a member of the public, prepare written summaries of the respective positions within five working days following the final day of negotiation of any given week. The summaries will be available for public inspection and copying. Upon completion of negotiations, the executed contract, including the dollar amount of said contract, shall be made available for inspection and copying. At the end of

each fiscal year, each Department shall provide to the City Attorney a list of all sole source contracts entered into during the past fiscal year. This list shall be made available for inspection and copying as provided for elsewhere in the City Charter.

- i. Budgets and Other Financial Information. Budgets, whether tentative, proposed or adopted, for the City or any Departments, programs, projects or other categories, and all bills, claims, invoices, vouchers or other records of payment obligations as well as records of actual disbursements showing the amount paid, the payee and the purpose for which payment is made, other than payments for social or other services whose records are confidential by law, shall not be exempt from disclosure under any circumstances.

The voters hereby adopt Section 409.54 ("Immediacy of Response") of the City Charter:

- a. Notwithstanding the 10 day period for response to a request permitted in Government Code Section 7922.535 and in this Section, a written request for information described in any category of non-exempt public information shall be satisfied no later than the five business days following the day of the request. This deadline shall apply only if the words "Immediate Disclosure Request" are placed across the top of the request and on the envelope, subject line, or cover sheet in which the request is transmitted. Maximum deadlines provided in this article are appropriate for more extensive or demanding requests, but shall not be used to delay fulfilling a simple, routine or otherwise readily answerable request.
- b. If the voluminous nature of the information requested, its location in a remote storage facility or the need to consult with another interested Department warrants an extension of 10 days as provided in Government Code Section 7922.535, the requester shall be notified as required by the close of business on the business day following the request. Any such notification shall identify with specificity the steps taken to identify the volume of responsive records, including any search parameters used to identify the volume of records and the record custodians who performed any such search, and briefly explain why it would not be possible to review the identified records without an extension. For the purposes of this Section, unusual circumstances shall not include consider any ordinary business activities of the City or any Department or division holding responsive records.
- c. The person seeking the information need not state his or her reason for making the request or the use to which the information will be put, and requesters shall not be asked to make such a disclosure. Where a record being requested contains information which is exempt from disclosure under the California Public Records Act and this Section, however, the City Attorney or custodian of the record may inform the requester of the nature and extent of the non-exempt information and inquire as to the requester's purpose for seeking it, in order to suggest alternative sources for the information which may involve less redaction or to otherwise prepare a response to the request.

- d. Notwithstanding any provisions of California Law or the Sunshine Ordinance, in response to a request for information describing any category of non-exempt public information, when so requested, the City of Newport Beach shall produce any and all responsive public records as soon as reasonably possible on an incremental or "rolling" basis such that responsive records are produced as soon as possible by the end of the same business day that they are reviewed and collected. This Section is intended to prohibit the withholding of public records that are responsive to a records request until all potentially responsive documents have been reviewed and collected. Failure to comply with this provision is a violation of the Sunshine Ordinance.

The voters hereby adopt Section 409.55 ("Withholding Kept to a Minimum") of the City Charter:

No record shall be withheld from disclosure in its entirety unless all information contained in it is exempt from disclosure under express provisions of this Sunshine Ordinance, the California Public Records Act, or of some other statute. Information that is exempt from disclosure shall be masked, deleted or otherwise segregated in order that the nonexempt portion of a requested record may be released, and keyed by footnote or other clear reference to the appropriate justification for withholding required by Section 409.56. This work shall be done personally by the attorney or other staff member conducting the exemption review. The work of responding to a public-records request and preparing documents for disclosure shall be considered part of the regular work duties of any City of Newport Beach employee, and no fee shall be charged to the requester to cover the personnel costs of responding to a records request.

The voters hereby adopt Section 409.56 ("Justification of Withholding") of the City Charter:

Any withholding of information shall be justified, on a document-by-document basis, in writing and memorialized in a log to facilitate review by a requester, as follows:

- a. A withholding under a specific permissive exemption in the California Public Records Act or elsewhere, which permissive exemption is not forbidden to be asserted under the Sunshine Ordinance, shall cite that authority.
- b. A withholding on the basis that disclosure is prohibited by law shall cite the specific statutory authority in the Public Records Act or elsewhere.
- c. A withholding on the basis that disclosure would incur civil or criminal liability shall cite any specific statutory or case law, or any other public agency's litigation experience, supporting that position.
- d. When a record being requested contains information, most of which is exempt from disclosure under the California Public Records Act and the Sunshine Ordinance, the custodian shall inform the requester of the nature and extent of the nonexempt information and suggest alternative sources for the information requested, if available.

The voters hereby adopt Section 409.57 ("Index to Records") of the City Charter:

The City of Newport Beach shall prepare a public records index that identifies the types of information and documents maintained by the City Council, Departments, and elected officials. The index shall be for the use of City officials, staff and the general public, and shall be organized to permit a general understanding of the types of information maintained, by which officials and Departments, for which purposes and for what periods of retention, and under what manner of organization for accessing, *e.g.*, by reference to a name, a date, a proceeding or project, or some other referencing system. The index need not be in such detail as to identify files or records concerning a specific person, transaction or other event, but shall clearly indicate where and how records of that type are kept. Any such master index shall be reviewed by appropriate staff for accuracy and presented for formal adoption to the administrative official or Policy Body responsible for the indexed records. The City Manager shall be responsible for the preparation of this records index. The City Manager shall report on the progress of the index to the Sunshine Task Force on at least a semi-annual basis until the index is completed. Each Department and public official shall cooperate with the City Manager to identify the types of records it maintains, including those documents created by the entity and those documents received in the ordinary course of business and the types of requests that are regularly received. Each Department and elected official is encouraged to solicit and encourage public participation to develop a meaningful records index. The index shall clearly and meaningfully describe, with as much specificity as practicable, the individual types of records that are prepared or maintained by each Department or public official of the City of Newport Beach. The index shall be sufficient to aid the public in making an inquiry or a request to inspect. Any changes in the Departments or elected officials practices or procedures affecting the accuracy of the information provided to the City Manager shall be recorded by the City Manager on no less than an annual basis so as to maintain the integrity and accuracy of the index. The index shall be continuously maintained on the City of Newport Beach's website and made available at a public library within the City of Newport Beach.

The voters hereby adopt Section 409.58 ("Records Survive Transition of Officials") of the City Charter:

All documents prepared, received, or maintained by the City Council, by any elected City official, and by the head of any Department are the property of the City of Newport Beach. The originals of these documents shall be maintained consistent with the records retention policies of the City.

The voters hereby adopt Section 409.59 ("Internet Access, Minimum Standards") of the City Charter:

Each Department shall make publicly available through its website or the City's website, as much information and as many documents as possible concerning its activities. At a minimum, within six months after enactment of this Section, each Department shall post on its website all meeting notices required under the Sunshine Ordinance, agendas and the minutes of all previous meetings of any of their Policy Bodies for the last three years. Notices and agendas shall be posted no later than the time that the Department otherwise distributes this information to the public, allowing reasonable time for posting. Minutes of meetings shall be posted as soon as possible, but in any event within 10 days after they

have been approved. Each Department shall make reasonable efforts to ensure that its website or any portion of the City's website that it uses to post materials is regularly reviewed for timeliness and updated on at least a weekly basis.

The voters hereby adopt Section 409.60 ("Lobbyist on Behalf of the City") of the City Charter:

- a. Any lobbyist who contracts for economic consideration with the City of Newport Beach to represent the City of Newport Beach in matters before any local, regional, State, or federal administrative or legislative body shall file a public records report of their activities on a quarterly basis with the Sunshine Task Force. This report shall be maintained by the Sunshine Task Force and not be exempt from disclosure. Each quarterly report shall identify all financial expenditures exceeding two hundred dollars (\$200) by the lobbyist, the individual or entity to whom each expenditure was made, the date the expenditure was made, and specifically identify the local, State, regional or national legislative or administrative action the lobbyist supported or opposed in making the expenditure. The failure to file a quarterly report with the required disclosures shall be a violation of this Sunshine Ordinance. The City shall promptly terminate any lobbyist who fails to timely file two consecutive quarterly reports.
- b. No person shall be deemed a lobbyist under section (a), unless that person receives or becomes entitled to receive at least two thousand dollars (\$2,000) total compensation in any month for influencing legislative or administrative action on behalf of the City of Newport Beach, or within two consecutive months has at least 25 separate contacts with local, State, regional or national officials for the purpose of influencing legislative or administrative action on behalf of the City of Newport Beach. No business or organization shall be deemed as a lobbyist under Section (a) unless it compensates its employees or members for their lobbying activities on behalf of the City of Newport Beach, and the compensated employees or members have at least 25 separate contacts with local, State, regional or national officials for the purpose of influencing legislative or administrative action within any two consecutive months. "Total compensation" shall be calculated by combining all compensation received from the City of Newport Beach during the month for lobbying activities on matters at the local, State, regional or national level. "Total number of contacts" shall be calculated by combining all contacts made during the two-month period on behalf of the City of Newport Beach for all lobbying activities on matters at the local, state, regional or national level.
- c. Funds of the City of Newport Beach, including organizational dues, shall not be used to support any lobbying efforts to restrict public access to records, information, or meetings, except where such effort is solely for the purpose of protecting the identity and privacy rights of private citizens.

The voters hereby adopt Section 409.61 ("Calendars of Certain Officials") of the City Charter:

- a. The Mayor, City Attorney, the City Council, and every chief executive or head of every Department shall keep or cause to be kept a daily calendar wherein is recorded the time and place of each meeting or event attended by that official, either in person or by teleconference or other electronic means, with the exclusion of purely personal or social

events at which no City business is discussed and that do not take place at City of Newport Beach officers or at the offices or residences of people who do business with or are otherwise substantially financially affected by actions of the City of Newport Beach. For meetings not otherwise publicly recorded, the calendar shall include a general statement of issues discussed. Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date.

- b. For meetings or events with ten or fewer attendees, the calendar shall also identify the individual(s) present and organization(s) represented at the meeting or event if known by the official, unless the official is aware that the information would reveal the identity of a confidential whistleblower, would disclose the attendance of members or representatives of a labor organization at a meeting to discuss matters within the scope of representation, as that term is defined in California Government Code Section 3504, would reveal personnel information not subject to disclosure, or is otherwise exempt from disclosure under State and local law. For the purpose of calculating the total number of attendees at a meeting or event an official shall not include himself or herself.
- c. The obligations imposed under subsection (b), and the obligations imposed upon under subsection (a), shall not apply to meetings or events where City of Newport Beach business is discussed only incidentally; to unplanned, casual conversations with residents; to campaign-related meetings, events, and appearances; or to meetings or events where all attendees are employees or officers in the official's Department, which for members of the City Council shall mean that all attendees are members of the City Council, legislative aides, or employees of the City Clerk. Officials are not in violation of subsections (b), and members of the City Council are not in violation of subsection (b), if they can demonstrate a good faith effort to comply with their obligations thereunder.

The voters hereby adopt Section 409.62 ("Sources of Outside Funding") of the City Charter:

No official or employee or agent of the City of Newport Beach shall accept, allow to be collected, or direct or influence the spending of, any money, or any goods or services worth more than two thousand dollars (\$2,000) in aggregate, for the purpose of carrying out or assisting any City of Newport Beach function unless the amount and source of all such funds is disclosed as a public record and made available on the website for the Department to which the funds are directed or the City's website. When such funds are provided or managed by an entity, and not an individual, that entity must agree in writing to abide by the Sunshine Ordinance before providing or managing such funds. The disclosure shall include the names of all individuals or organizations contributing such money and a statement as to any financial interest the contributor has involving the City of Newport Beach.

The voters hereby adopt Section 409.63 ("Correspondence and Records Shall Be Maintained") of the City Charter:

- a. The Mayor and all heads of every Department shall maintain and preserve in a professional and businesslike manner all documents and correspondence, including but not limited to letters, e-mails, drafts, memorandum, invoices, reports and proposals, and shall disclose all such records in accordance with this Sunshine Ordinance.
- b. The City Clerk (or the Orange County Registrar of Voters, if accessible to the City Clerk) shall keep and preserve all records and invoices relating to the design and printing of ballots and other election materials and shall keep and preserve records documenting who had custody of ballots from the time ballots are cast until ballots are received and certified by the City Clerk or Orange County Registrar of Voters.
- c. In any contract, agreement or permit between the City of Newport Beach and any outside entity that authorizes that entity to demand any funds or fees from citizens, the City of Newport Beach shall ensure that accurate records of each transaction are maintained in a professional and businesslike manner and are available to the public as public records under the provisions of this Sunshine Ordinance. Failure of an entity to comply with these provisions shall be grounds for terminating the contract or for imposing a financial penalty equal to one-half of the fees derived under the agreement or permit during the period of time when the failure was in effect. Failure of any Department under this provision shall be a violation of this Sunshine Ordinance. This paragraph shall apply to any agreement allowing an entity to tow or impound vehicles in Newport Beach and shall apply to any agreement allowing an entity to collect any fee from any persons in any pretrial diversion program.

The voters hereby adopt Section 409.70 ("Sunshine Task Force") of the City Charter:

- a. There is hereby established a task force to be known as the Sunshine Task Force consisting of five voting members appointed by the City Attorney ("Sunshine Task Force"). All members must have experience and/or demonstrated interest in the issues of citizen access and participation in local government. One member must be an attorney who has graduated from a law school accredited by the American Bar Association and who is, or was, licensed to practice law in the State of California. One member shall be a member of the public experienced in consumer advocacy and/or civil liberties. The Sunshine Task Force may have no more than one City Council member as a member, but shall not be required to have any City Council member as a member.
- b. The City Attorney shall serve as legal advisor to the Sunshine Task Force. The Sunshine Task Force shall, at its request, have assigned to it an attorney from within the City Attorney's Office, who is experienced in public access law matters. This attorney shall serve solely as a legal advisor and advocate to the Sunshine Task Force and an ethical wall will be maintained between the work of this attorney on behalf of the Sunshine Task Force and any person or City office that the Sunshine Task Force determines may have a conflict of interest with regard to the matters being handled by the attorney.

- c. The term of each appointive member shall be three years unless earlier removed by the City Attorney. In the event of such removal or in the event a vacancy otherwise occurs during the term of office of any appointive member, a successor shall be appointed for the unexpired term of the office vacated in a manner similar to that described herein for the initial members. The Sunshine Task Force shall elect a chair from among its appointive members. The term of office as chair of the Sunshine Task Force shall be two years. Members of the Sunshine Task Force shall serve without compensation.
- d. The Sunshine Task Force shall advise the City Council and provide information to other Departments on appropriate ways in which to implement this chapter. The Sunshine Task Force shall develop appropriate goals to ensure practical and timely implementation of this Section. The Sunshine Task Force may propose to the City Council amendments to this Section. The Sunshine Task Force shall report to the City Council at least once annually on any practical or policy problems encountered in the administration of this Section. The Sunshine Task Force shall receive and review the annual report of the Supervisor of Records and may request additional reports or information as it deems necessary. The Sunshine Task Force shall make referrals to the City Attorney or any other governmental office with enforcement power under the Sunshine Ordinance, the California Public Records Act, or the Brown Act, whenever it concludes that any person has violated any provisions of the Sunshine Ordinance or the Acts. The Sunshine Task Force shall, from time to time as it sees fit, issue public reports evaluating compliance with this ordinance and related California laws by the City or any Policy Body.
- e. In addition to the powers specified above, the Sunshine Task Force shall possess such powers as City Council may confer upon it by ordinance or as the People of Newport Beach shall confer upon it by initiative.
- f. The Sunshine Task Force shall approve by-laws specifying a general schedule for meetings, requirements for attendance by Sunshine Task Force members, and procedures and criteria for removing members for non-attendance.

The voters hereby adopt Section 409.71 ("Responsibility for Administration") of the City Charter:

The City Attorney, with advice of the City Council, shall administer and coordinate the implementation of all provisions for the Sunshine Ordinance for all Policy Bodies and any other bodies under its control. Elected officers or, in the absence of any elected officers, the most senior appointive officer, shall administer and coordinate the implementation of the provisions of this chapter for Policy Bodies and any other bodies under their respective control.

The voters hereby adopt Section 409.72 ("Provisions of Services to Other Agencies; Sunshine Required") of the City Charter:

It is the policy of the City of Newport Beach to ensure opportunities for informed civic participation embodied in the Sunshine Ordinance to all local, state, regional and federal agencies and institutions with which it maintains continuing legal and political

relationships. Officers, agents and other representatives of the City of Newport Beach shall continually, consistently and assertively work to seek commitments to enact open meetings, public information and citizen comment policies by these agencies and institutions.

The City of Newport Beach shall give no subsidy in money, tax abatements, land, or services to any private entity unless that private entity agrees in writing to provide the City with financial projections (including profit and loss figures), and annual audited financial statements for the project thereafter, for the project upon which the subsidy is based and all such projections and financial statements shall be public records that must be disclosed.

The voters hereby adopt Section 409.73 ("Department Head Declaration") of the City Charter:

All Department heads shall sign an annual affidavit or declaration stating under penalty of perjury that they have read the Sunshine Ordinance and have attended or will attend when next offered, a training session on the Sunshine Ordinance, to be held at least once annually. The affidavit or declarations shall be maintained by the City Manager and shall be available as a public record. Annual training shall be provided by the City Attorney's Office with the assistance of the Sunshine Task Force.

The voters hereby adopt Section 409.74 ("Willful Failure Shall Be Official Misconduct") of the City Charter:

The willful failure of any elected official, Policy Body head, or other managerial City employee to discharge any duties imposed by the Sunshine Ordinance, the Brown Act or the Public Records Act shall be deemed official misconduct. Complaints involving allegations of willful violations of this Sunshine Ordinance, the Brown Act or the Public Records Act by elected officials or any Policy Body heads of the City of Newport Beach shall be reported both to the Sunshine Task Force and the City Attorney. To the extent permitted by State law, the City Attorney shall have the right to establish processes for investigation and disciplinary processes to address potential and actual violations of the Sunshine Ordinance, California Public Records Act, the Ralph M. Brown Act, and/or Political Reform Act.

The voters hereby adopt Section 409.75 ("Enforcement Provisions") of the City Charter:

- a. Any person may institute proceedings for injunctive relief, declaratory relief, or writ of mandate in any court of competent jurisdiction to enforce his or her right to inspect or to receive a copy of any public record or class of public records under this Sunshine Ordinance or to enforce his or her right to attend any meeting required under this Sunshine Ordinance to be open, or to compel such meeting to be open.
- b. A court shall award costs and reasonable attorneys' fees to the plaintiff who is the prevailing party in an action brought to enforce this Sunshine Ordinance.
- c. If a court finds that an action filed pursuant to this Section is frivolous, the City Attorney may assert its rights to be paid its reasonable attorneys' fees and costs.

- d. Any person or entity may institute proceedings for enforcement and penalties under this act in any court of competent jurisdiction.

The voters hereby adopt Section 409.76 ("Enforcement Provisions") of the City Charter:

The provisions of this Sunshine Ordinance supersede other local laws. Whenever a conflict in local law is identified, the requirement which would result in greater or more expedited public access to public information shall apply.

Section 4. Implementation of this Initiative.

A. This Initiative is considered adopted and effective upon the earliest date legally possible after the elections official certifies the vote on the Initiative by the voters of the City (the "Effective Date"). Upon the Effective Date of this Initiative, the City is directed to promptly take all appropriate actions needed to implement this Initiative, including but not limited to taking any administrative steps necessary to update any and all City ordinances, codes, maps, figures, and any other documents maintained by the City so they conform to the legislative policies set forth in this Initiative.

B. Upon the Effective Date of this Initiative, the provisions of Section 3 of this Initiative are hereby inserted into the City Charter as set forth above. The City may reorganize, renumber, and/or reformat the City Charter and City of Newport Beach Municipal Code to incorporate Section 3 of this Initiative, provided that the full text of each provision is inserted into the City Charter without alteration.

C. The City Charter and City of Newport Beach Municipal Code in effect on the date of filing of the Notice of Intention to Circulate Petition ("Filing Date"), and the City Charter and City of Newport Beach Municipal Code as amended by this Initiative, comprise an integrated, internally consistent and compatible statement of policies for the City. To ensure that the City Charter and City of Newport Beach Municipal Code and other City policies and plans remain an integrated, internally consistent, and compatible statement of policies for the City, any provision of the City Charter or City of Newport Beach Municipal Code that is adopted between the Filing Date and the Effective Date of the City Charter amendment adopted by this Initiative shall, to the extent that such interim-enacted provision is inconsistent with or would diminish, render invalid, defeat, or impair the City Charter amendment adopted by this Initiative, be amended as soon as possible and in the manner and time required by applicable law to ensure consistency with this Initiative.

Section 5. Effect of Other Measures on the Same Ballot.

If this Initiative and another measure on the same subject matter appear on the same ballot, and a majority of the voters vote in favor of both measures but this Initiative receives more votes than the other measure, this Initiative alone shall become valid, binding and adopted in its entirety, and the other measure shall be null and void in its entirety. If a majority of the voters

vote in favor of both measures but this Initiative receives less votes than the other measure, only those provisions of the other measure that are in direct and irreconcilable conflict with the provisions of this Initiative shall control, and all other provisions of this Initiative shall become valid, binding and adopted. The voters expressly declare this to be their intent, regardless of any contrary language in any other ballot measure.

Section 6. Interpretation, Severability, and Legal Defense.

A. This Initiative must be interpreted so as to be consistent with all federal and State laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Initiative is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Initiative. The voters declare that this Initiative, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, parts, or portions are found to be invalid. If any provision of this Initiative is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Initiative that can be given effect without the invalid application. If there is any conflict between this Initiative and other applicable law, this Initiative shall control, to the extent consistent with applicable law.

B. If any portion of this Initiative is held by a court of competent jurisdiction to be invalid, we the People of the City of Newport Beach indicate our strong desire that: (i) the Newport Beach City Council use its best efforts to sustain and re-enact that portion, and (ii) the Newport Beach City Council implement this Initiative by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Initiative, including adopting or reenacting any such portion in a manner consistent with this Initiative.

C. This Initiative must be broadly construed in order to achieve the purposes stated above. It is the intent of the voters that the provisions of this Initiative be interpreted or implemented by the City and others in a manner that facilitates the purpose set forth in this Initiative.

D. The People of the City of Newport Beach desire that this amendment to the City Charter, if approved by the voters and thereafter challenged in court, be defended by the City. The People, by approving this City Charter amendment, hereby declare that the proponent(s) of this City Charter amendment have a direct and personal stake in defending it from constitutional or statutory challenges to its validity or implementation. In the event the City fails to defend this City Charter amendment, or the City fails to appeal an adverse judgment against its constitutionality, statutory permissibility or implementation, in whole or in part, in any court of law, the proponents shall be entitled to assert their direct personal stake by defending its validity and implementation in any court of law, shall be empowered by the People through this measure to act as agents of the People, and shall be entitled to recover reasonable attorney's fees from

the City of Newport Beach.

Section 7. Amendment or Repeal.

The City Charter as amended and adopted by Section 3 of this Initiative can be amended or repealed only by a majority of the voters of the City voting in an election held in accordance with applicable State and City law. For the avoidance of doubt, this Section only limits the power to amend the City Charter provisions as amended and adopted by Section 3 and does not limit the power of the City to amend or repeal other portions of the City Charter or City of Newport Beach Municipal Code in a manner that is consistent with this Initiative and other applicable law.

Section 8. Judicial Enforcement.

Any aggrieved person shall have the right to bring an action to enjoin any violation of this Initiative or to enforce the duties imposed on the City by this Initiative. The proponents of this Initiative may defend the provisions of this Initiative in any litigation brought to challenge the Initiative. Any member of the public who prevails in a lawsuit to enforce any portion of this Initiative shall be entitled to recover reasonably incurred legal fees and costs.

STATE OF CALIFORNIA
COUNTY OF ORANGE
CITY OF NEWPORT BEACH

SS.

I, Lena Shumway, City Clerk of the City of Newport Beach, California, do hereby certify that the whole number of members of the City Council is seven; the foregoing Resolution No. 2026-70 was duly adopted by the City Council of said City at a regular meeting held on the 25th day of August, 2026, by the following vote, to wit:

AYES: Mayor Lauren Kleiman, Mayor Pro Tem Noah Blom, Councilmember Joe Stapleton,
Councilmember Sara J. Weber, Councilmember Erik Weigand
NAYS: Councilmember Michelle Barto, Councilmember Robyn Grant
RECUSED: None

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed the official seal of said City this 26th day of August, 2026.

Lena Shumway
City Clerk
City of Newport Beach, California

AND

AND

City of Newport Beach

Argument in Favor of District Voting Initiative:

VOTE YES ON MEASURE __ and give every neighborhood in Newport Beach a real voice on the City Council.

Currently, Newport Beach's City Council Members are elected "at large"—meaning by all City voters—even though each Member represents a specific District. That means a candidate can win a District seat with little support from the people who actually live there, and without spending any time campaigning or listening to voters in that District.

That is not direct representation. Measure __ amends the City Charter so each District elects its own Council Member, directly, by the residents of that District alone.

This will create real accountability to the people each Council Member is supposed to represent.

District voting is not new. Cities and counties across the country already use it successfully, and voters consistently feel more engaged when they elect their own District's representative rather than choosing from a citywide slate.

District voting also lowers campaign costs. Candidates run within their own District instead of financing an expensive citywide race, opening the door to new leaders with real community roots even if they don't have a citywide donor network.

District voting gives each part of Newport Beach a Council Member directly answerable to it.

Local government works best when residents can hold their own representative accountable. Join us in supporting a more responsive, more democratic City Council.

VOTE YES ON MEASURE __.

City of Newport Beach

Argument in Favor of The Sunshine and Governmental Transparency Initiative:

VOTE YES to make City Hall more responsive to the people who pay for it.

Newport Beach residents deserve to know what their government is doing and to participate in the important decisions shaping our community. For too long City Hall has been making critical decisions while voters are kept in the dark.

Right now, City committees can meet with little notice, basic records requests can drag on for weeks, and information can be withheld with no explanation. And the City can hire consultants, lobbyists, and others with little transparency into how taxpayer funds are being used.

This Measure fixes that.

A YES vote will:

- **Require real notice for real meetings.** Agendas must be posted early, written in plain English, and available online so residents actually know what's coming before the vote, not after.
- **Shine a light on closed-door sessions.** The City must explain, in specific terms, why a meeting is closed to the public, and report certain decisions made during that session.
- **Speed up public records requests.** No more open-ended delays. The City must respond promptly, and if it withholds a record, it must explain why.
- **Create independent oversight.** A citizen-led Sunshine Task Force will have the power to review records disputes and hold officials accountable when they try to keep the public's business secret.
- **Stop excuses for secrecy.** Closes loopholes that let officials withhold information simply because they'd rather not share it, while still protecting legitimate privacy, security, and legal interests.

This Measure borrows proven transparency practices that have been successfully used for decades. Open government isn't a partisan issue. It's the foundation of trust between elected officials and the citizens they are supposed to serve.

Join residents across Newport Beach and VOTE YES on Measure ____.

Argument in Favor of Initiative to Establish Strict Term Limits for City Council Members:

STOP THE REVOLVING DOOR ON THE NEWPORT BEACH CITY COUNCIL!

VOTE YES to close the term limit loophole and bring real accountability to Newport Beach city government.

Right now, our City Council Members can serve unlimited terms — as long as they occasionally sit out an election cycle. That's not a term limit, it's a temporary vacation. Our current system is a revolving door of politicians in City Hall, shutting out new leadership and fresh ideas.

Measure __ fixes that loophole. It amends the City Charter to impose a genuine, common-sense limit: **no more than eight years total on the City Council, period.** No more stepping aside for one term just to come back and pick up where they left off.

Why this matters:

- **It ends career politics at City Hall.** Eight years gives a Council Member plenty of time to make a real contribution and gain valuable experience — while also avoiding politicians entrenching themselves in power for decades.
- **It creates opportunities for new voices.** Newport Beach deserves a Council that reflects the community today, not one dominated by the same names year after year. It's time for the next generation to get a fair shot at leadership.
- **It keeps Council Members focused on residents, not re-election.** When officials know their time is limited, they make decisions based on what is right for Newport Beach — not on what keeps the campaign contributions flowing.

Term limits are proven tools for encouraging accountable, responsive local government. Many cities and counties already have them. It's time Newport Beach closed this loophole.

VOTE YES ON MEASURE __ for real term limits and real accountability.

SUPPORTERS/OPPONENTS TO BE LISTED ON BALLOT LABEL

All ballot labels concerning county, city, district, or school measures on a county ballot shall end with a list of Supporters and Opponents taken from the signers of the argument in favor or against the measure. **The list of Supporters/Opponents shall not exceed 125 characters in length, including spaces. Each Supporter/Opponent shall be separated by a semicolon. An association, nonprofit organization, business, or individual shall not be listed unless they support/oppose the measure. A Supporter/Opponent shall not be listed if the Supporter/Opponent is a political party or is representing a political party.**

The below listed Individuals, Associations, Nonprofit Organizations, and/or Businesses are:

☒ **SUPPORTERS**

☐ **OPPONENTS**

of ballot measure _____ at the General Municipal election for the City of Newport Beach being held on Nov. 3, 2026
(Letter) (Election Name) (Jurisdiction) (Date of Election)
hereby state that all the information provided is true and correct to the best of his/her/their knowledge and belief.

A Supporter or Opponent shall not be listed unless it is one of the following:

(A) An association, nonprofit organization, or business that was not originally created as a committee described in Section 82013 of the Government Code and that has been in existence for at least four years.

(B) A current or former elected official, who may be listed with the official's title (e.g., "State Senator Mary Smith," "Assembly Member Carlos Garcia," or "former Eureka City Council Member Amy Lee"). These titles may be shortened (e.g. "Senator" or "Sen." for "State Senator" or "Asm." for "Assembly Member").

(C) An Individual who is not a current or former elected official may be listed only with the individual's first and last name and an honorific (e.g., "Dr.," "M.D.," "Ph.D.," or "Esquire"), with no other title or designation, unless it is a title representing an association, nonprofit organization, or business that meets the requirements of (A) or (B) above and that is eligible to be listed if the individual supports the measure or if the individual opposes the measure pursuant to Elections Code 9170 (a).

Use the space below to show the order of the list of Individuals, Associations, Nonprofit Organizations, and/or Businesses* (not to exceed 125 characters in length) Spaces between Supporters/Opponents may be omitted. Each Supporter/Opponent shall be separated by a semicolon.

1. Nancy Scarbrough;
2. Dennis Durgan;
3. Curt Fleming;
4. Charles Klobe;
5. _____;

City of Newport Beach

Arguments Against the three initiatives
presented to the Newport Beach City Council at
its August 25, 2026 Regular Meeting

**Draft Arguments Against the Three Initiatives from
Mayor Pro Tem Blom**

ARGUMENT AGAINST MEASURE ____

Measure ____ would provide that all seven Councilmembers get to vote on what happens in your neighborhood, but you only get to vote for one Councilmember.

Today, every Newport Beach voter may vote for every Council seat on the ballot every two years. Under Measure ____, you could vote for only one Councilmember, once every four years. You would lose your vote in six of seven Council races.

But all seven Councilmembers would still vote on decisions affecting you: public safety, taxes and fees, traffic, development, beaches, the harbor, infrastructure, and the City budget. Six Councilmembers could make decisions affecting your neighborhood without ever appearing on your ballot or needing your vote.

Proponents call this “real accountability.” But officials who never need your vote are not accountable to you. Councilmembers do not govern only their districts because every vote they cast affects all Newport Beach residents. Electing them through small, separate electorates could encourage narrow district interests and divide the City, making it harder for voters to hold a Council majority accountable.

This measure also guarantees no reduction in campaign spending. It establishes no spending limits and does not require campaigns to cost less.

Newport Beach does not need seven separate political islands because it already has district representation. Every Councilmember must reside in and be nominated by voters from the district represented. Our present system combines neighborhood representation with citywide voter accountability.

Do not surrender your right to vote for six of the seven people who govern the City.

VOTE NO ON MEASURE ____.

This Argument Against Measure ___, the District Voting Initiative, is executed in accordance with Elections Code Section 9283.

ARGUMENT AGAINST MEASURE ____

Vote NO on Measure ____. This measure does not limit politicians; it limits voters.

Newport Beach already has term limits. Councilmembers may serve no more than two consecutive four-year terms and then must leave office for at least four years. A mandatory four-year break is not a “revolving door.” It is a locked door for four years and prevents indefinite incumbency while preserving voters’ ability to consider a former Councilmember later.

Measure ____ replaces this rule with a lifetime ban. No matter how qualified or widely supported a former Councilmember may be, voters could never elect that person again. This measure disqualifies effective and ineffective Councilmembers alike and deprives future voters of experienced candidates who understand City operations.

Worse, the measure says that service of a partial term “of any duration” counts as a full four-year term. A resident appointed to fill a vacancy for weeks or months would be treated as though that person served four years. Treating a few weeks of service as four years is not strict term limits; its bad arithmetic. Will qualified residents interested in government service really accept these temporary appointments knowing it limits their potential ability to serve?

Term limits should prevent entrenchment without depriving future voters of qualified candidates. The existing Charter does that by requiring a break after two consecutive terms and letting the voters decide whether a former Councilmember deserves to return.

Measure ____ substitutes a permanent prohibition for voter judgment, reduces the pool of qualified candidates, and sacrifices institutional knowledge.

Protect your right to choose. Vote NO on Measure ____.

This Argument Against Measure ____, the Term Limits Initiative, is executed in accordance with Elections Code Section 9283.

ARGUMENT AGAINST MEASURE ____

Vote NO on over 30 pages of new laws and regulations.

Today, Newport Beach must comply with extensive statewide public meetings and document disclosure laws. This measure goes far beyond those statewide rules and adds more regulations, government bureaucracy and rigid mandates, impairing the City's ability to protect taxpayers, employees, and residents.

The measure promises accountability but concentrates extraordinary power in one unelected official. The City Attorney would appoint, and could remove, every member of a Task Force formed to oversee the new mandates, while also advising the City, supervising records, deciding disclosure disputes, investigating employees, and providing the Task Force legal counsel. A Task Force appointed, advised and removable by the same official is not independent oversight.

This measure requires the funding of additional staff, technology, permanent record storage, outside attorneys, training, and administrative proceedings, with no cost limit and no identified funding source. Do we really need more unfunded costs and red tape?

This measure requires the recording of certain closed session meetings and eventual release of those recordings to the public, which could potentially impact the decisions made in closed sessions. Do we really want rules that are advantageous to people suing the City and that could impact candid discussions by the officials trying to protect your tax dollars?

This measure invites lawsuits and the recovery of attorneys' fees and costs, which would need to be paid by the taxpayers. Any person could sue under this measure, and a prevailing plaintiff would receive attorneys' fees and costs. Do we need more attorneys incentivized to file lawsuits?

Most troubling, the City Council could not correct unintended consequences. These 33 new Charter sections could be amended or repealed only through another citywide election.

Vote NO on this costly, inflexible, and litigation-prone measure.

This Argument Against Measure ___, the Public Meeting & Records Initiative, is executed in accordance with Elections Code Section 9283.

Re: *City of Newport Beach, et. al. v. Newport Beach Stewardship Association, et. al.*
Orange County Superior Court Case No.: 30-2026-01559183-CU-JR-NJC

Dear Mr. Ihrke:

I am writing on behalf of the Orange County Registrar of Voters. We are in receipt of the package that was emailed yesterday evening and hand delivered to the offices of the Registrar of Voters and County Counsel this morning. The package includes the following three measures:

- (1) An Initiative Measure Proposing to Amend the City Charter to Modify City Charter Provisions Related to City Council Member Term Limits (The "Term Limits Initiative");
- (2) An Initiative Measure Proposing to Amend the City Charter to Require City Council Members Be Elected by Voters Residing Within the District the Council Member Represents (The "District Voting Initiative"); and
- (3) and An Initiative Measure Proposing to Amend the City Charter to Establish New Charter Requirements Governing Public Meetings, Public Records, Government Oversight, And Enforcement

The package includes City Resolution Nos. 2026-64, 2026-67, and 2026-70, which were adopted on August 25, 2026, and call an election for the above referenced measures for November 7, 2028, and request that the Registrar consolidate the City's election with the statewide election for that date. The Resolutions acknowledge, as they must, that the consolidated election will be held and conducted in the manner prescribed in Elections Code § 10418, which among other things requires that the election be regulated and done in accordance with the provisions of law regulating the statewide election, as applicable. The package also includes an August 27, 2026, Minute Order related to the above reference case.

William H. Ihrke, Esq.
August 28, 2026
Page 2

To the extent that the submittal is intended to request that the Registrar place these measures on the ballot for the November 3, 2026, statewide election, the Registrar must reject this submittal for several reasons, which include but are not limited to: (1) it is untimely as a request for consolidation under Section 10403 of the Election Code; (2) there is no City resolution either calling an election or requesting that the County consolidate these elections for November 3, 2026; (3) adding these three measures to the November 3, 2026 election at this late stage would substantially interfere with Registrar's ability to conduct the election; and (4) to the extent that the City seeks to frame this as a request for election services under Section 10002 of the Election Code, rather than a request for consolidation under Section 10403, the City resolution would need to specify the services requested and the request would be subject to approval by the Orange County Board of Supervisors.

As noted in our previous letter dated August 26, 2026, the Registrar is not a party to the above-mentioned lawsuit. In addition, California Elections Code § 10403(a) establishes that whenever a city election for the submission of a question or proposition is to be consolidated with a statewide election — such that the measure will appear on the same ballot as the statewide election — the city “shall, at least 88 days prior to the date of the election, file with the board of supervisors, and a copy with the elections official, a resolution of its governing board.”¹ The 88-day deadline, which expired on August 7, 2026, is therefore the last day by which the city must act, and any filing after that date would not satisfy the statutory requirement.

Here, on their face, the Resolutions do not call for or request consolidation with the November 3, 2026, election. Moreover, the Registrar has not only received the Resolutions after the deadline to request consolidation, but the Resolutions were not even adopted until August 25, 2026, which is over two weeks after the August 7, 2026, deadline. Thus, consolidating the City's election for the measures with the November 3, 2026, statewide election would violate Section 10403 of the Election Code.²

Finally, even ignoring the legal restrictions against accepting a late request for consolidation, adding the City measures discussed above to the ballot at this late stage of election preparation would substantially interfere with the conduct of the election. For example, the materials to be included in the Voter Information Guide would total approximately fifty-three (53) new pages. Formatting and proofing those pages for printing in the County Voter Information Guide would at minimum take 10 to 13 business days. Translation, proofing and formatting of the measures to comply with the Voting Rights Act would require an additional 13 days. Given that ballots and Voter Information Guide pages for military and overseas voters will be sent to print by the end of next week, it would not be possible to perform such tasks without negatively impacting the distribution of such materials. Thus, adding the City measures would

¹ The 88-day deadline set forth in Section 10403 relating to consolidation is independent of the deadline for the City to call an election under Section 9255 of the Election Code.

² In addition, to the extent that the City were to frame this as a request for election services under Section 10002 of the Election Code, rather than a request for consolidation under Section 10403, then such a request would need to be approved by the Orange County Board of Supervisors.

RESOLUTION NO. 2026-83

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, REQUESTING THAT THE COUNTY OF ORANGE AND THE ORANGE COUNTY REGISTRAR OF VOTERS PROVIDE SPECIFIED ELECTION RECORDS, INFORMATION, SERVICES, ACCESS, AND COORDINATION NECESSARY TO CONDUCT THE CITY'S NOVEMBER 3, 2026, STANDALONE SPECIAL MUNICIPAL ELECTION

WHEREAS, the City of Newport Beach ("City") will conduct a separate, standalone special municipal election on November 3, 2026 ("Special Municipal Election"), for the purpose of submitting three City initiative measures to the qualified voters of the City;

WHEREAS, the Special Municipal Election will be administered under the authority and supervision of the City Clerk, as the City's elections official, with the assistance of qualified election consultants, vendors, temporary election personnel, and other people authorized by the City;

WHEREAS, the Special Municipal Election will be separate and distinct from the election being administered by the Orange County Registrar of Voters ("Registrar") on November 3, 2026, and the City intends to perform or arrange for the performance of ballot preparation, ballot production, ballot issuance and mailing, ballot processing, voting-system equipment, tabulation, canvass, and general election administration for the Special Municipal Election;

WHEREAS, although the City will administer the Special Municipal Election separately, the City does not independently possess or maintain all voter-registration records, voter signature records, military and overseas voter information, continuing voter-registration updates, confidential-voter information, and other election information necessary to administer the Special Municipal Election;

WHEREAS, certain records, information, systems, access, and coordination necessary for the accurate and lawful administration of the Special Municipal Election are maintained or controlled by the County of Orange ("County") and the Registrar and cannot be independently created or reliably replicated by the City, its election consultant, or its election vendors;

WHEREAS, the City requires current and continuing voter-registration information to identify the qualified electors entitled to vote in the Special Municipal Election and to account for registrations, cancellations, address changes, status changes, and other voter-record changes occurring before and during the election;

WHEREAS, the City requires current military and overseas voter information, including voter status and applicable ballot-delivery information, to timely prepare and issue ballots and election materials to eligible military and overseas voters;

WHEREAS, the City's administration of the Special Municipal Election also requires lawful access by City-authorized election personnel to voter signature records and other qualifying signed election records necessary to perform ballot signature verification, additional review, and signature-curing functions;

WHEREAS, a voter-registration file alone does not provide the City with the signature-record access necessary to perform those functions, and the City therefore requires an operational means of obtaining lawful and secure access to the applicable signature records throughout ballot processing and canvass;

WHEREAS, additional coordination with the Registrar may be necessary concerning confidential and protected voters, conditional or provisional registration and voting, replacement and superseded ballots, misdirected ballots and election documents, voter participation records, voter-file corrections, and other matters that may arise because the City and County will be conducting separate elections involving the same City electorate on November 3, 2026;

WHEREAS, California Elections Code Section 10002 authorizes the governing body of a city, by resolution, to request that the county board of supervisors permit the county elections official to render specified services to the city relating to the conduct of an election, subject to approval by the board of supervisors;

WHEREAS, the City Council desires to request each service, record, information source, access method, and form of coordination described in Exhibit "A" separately so that the County's ability or inability to provide one requested item does not delay the provision of another item that is otherwise available;

WHEREAS, the City further desires that the County identify which requested items may be provided under existing authority, which require approval by the County Board of Supervisors, the earliest date upon which each requested item can be implemented, any prerequisite or condition to implementation, and any lawful alternative that may be available if the particular method requested by the City cannot be provided; and

WHEREAS, nothing in this Resolution is intended to limit or waive the City's ability to obtain voter-registration records, election records, or other information to which the City Clerk or other authorized City representatives may otherwise be entitled under applicable law independent of the discretionary election services requested herein.

NOW, THEREFORE, the City Council of the City of Newport Beach, California, does resolve, declare, determine and order as follows:

Section 1: Pursuant to California Elections Code Section 10002, the City Council hereby requests that the County of Orange, and the Orange County Board of Supervisors, permit the Orange County Registrar of Voters, as the County's election official, to render to the City the specified services relating to the conduct of the November 3, 2026, standalone Special Municipal Election that are identified in Exhibit "A," attached hereto and incorporated herein by this reference, to assist the City in conducting its November 3, 2026, Special Municipal Election.

Section 2: Each item identified in Exhibit "A" is requested separately and independently. The City requests that the availability, authorization, implementation, or delivery of any requested item not be delayed solely because another requested item cannot be provided, requires separate authorization, or remains under consideration. To the extent only a portion of the requested service or category can lawfully or operationally be provided, the City requests that the available portion be provided without delay.

Section 3: Except as specifically identified in Exhibit "A," the City is not requesting that the County or Registrar conduct the Special Municipal Election on the City's behalf. The City presently intends to provide or arrange for its own election personnel, consultants, vendors, ballot production, ballot issuance and mailing, voting systems and equipment, ballot processing, tabulation, canvass, and general election administration. The requests contained in this Resolution are intended to obtain those County-controlled records, information, access, services, and coordination necessary to enable the City to perform those functions.

Section 4: Nothing in this Resolution shall be interpreted to condition, limit, delay, or waive the City Clerk's ability to request or obtain voter-registration information, voter records, or other election information available to the City or its elections official under applicable law independent of the County services requested by this Resolution.

Section 5: The City Clerk is authorized to identify and designate City employees, election consultants, vendors, temporary election personnel, and other qualified persons as authorized City representatives for purposes of receiving, accessing, processing, and using County-provided election information to the extent permitted by applicable law. The City Clerk is further authorized to enter into appropriate confidentiality, security, data-use, access, and similar agreements reasonably required by the County for lawful access to such information.

Section 6: The City Clerk is authorized to establish with the Registrar appropriate secure methods for the electronic or physical transfer of voter information, election records, signature information, ballot records, and other election materials. Such

arrangements may include authorized-user credentials, secure data-transfer methods, file layouts, updating schedules, testing procedures, correction procedures, and reasonable security requirements.

Section 7: Because the Special Municipal Election is already on an extremely compressed schedule, the City requests that the County and Registrar promptly provide a written implementation response for each item identified in Exhibit “A.”

For each requested item, the City requests identification of:

(a) whether the requested item may be provided under existing County or Registrar authority or requires action by the County Board of Supervisors;

(b) the County official or department responsible for implementing the requested item;

(c) the earliest date upon which the requested item can be provided or made operational;

(d) any condition, agreement, technical requirement, cost, or other prerequisite to implementation;

(e) the frequency of updates or continuing services, where applicable;

(f) the expected response time for time-sensitive election issues;

(g) a primary and backup contact for operational coordination and an appropriate escalation contact; and

(h) any alternative method or service that may satisfy the City’s election administration need if the specific method requested cannot be provided.

Section 8: The City requests that priority be given to those records, information, access, and coordination necessary to:

(a) establish an accurate initial voter file and continuing update process;

(b) identify and serve military and overseas voters;

(c) establish and test lawful access to voter signature records necessary for ballot signature verification and curing; and

(d) establish procedures for the transfer and handling of ballots, election documents, voter-record corrections, and other time-sensitive election matters that may arise before the County Board of Supervisors can act on the full request.

Section 9: To the extent any requested record, information source, access arrangement, service, or coordination may lawfully be provided before formal action by the County Board of Supervisors, the City respectfully requests that the County and Registrar make that item available at the earliest practicable time. If formal Board authorization is necessary for a particular requested service, the City respectfully requests consideration of that item at the earliest lawful opportunity.

Section 10: The City Clerk shall continue to request and obtain voter registration records, updates, and other election records and information available to the City under Elections Code Sections 2183, 2188, 2194, and other applicable law. Nothing in this Resolution conditions access to records or information otherwise available to the City under applicable law upon approval of the discretionary election services requested pursuant to Elections Code Section 10002, waives any right of the City or City Clerk concerning such records or information, or authorizes disclosure or use prohibited by law.

Section 11: This Resolution requests specified County services in connection with the City's separate Special Municipal Election. It does not request consolidation with the County-administered November 3, 2026, election and does not request that the County or Registrar assume general responsibility for conducting the City's Special Municipal Election.

Section 12: The calling of the Special Municipal Election, establishment of election procedures, appropriation of funds, and authorization of City election consultant and vendor agreements are addressed through separate actions of the City Council or other applicable City authority. This Resolution requests specified County services and does not independently amend the election date, establish the method by which the Special Municipal Election will be conducted, or modify any court order.

Section 13: Pursuant to Elections Code Section 10002, unless other arrangements satisfactory to the County are made, the City shall reimburse the County in full for the services performed pursuant to this Resolution upon presentation of a bill to the City. The City Clerk and City Manager are authorized to execute such agreements and take such administrative actions as may be necessary to implement services approved by the Orange County Board of Supervisors.

Section 14: The City Attorney is authorized to confer with County Counsel and other appropriate County officials concerning the legal authority, timing, scope, and implementation of the requests contained in this Resolution and Exhibit “A,” and to take such further legal action as may be appropriate concerning access to necessary County-controlled election records, information, systems, or services.

Section 15: The City Clerk is directed to transmit a certified copy of this Resolution and Exhibit “A” immediately following adoption to the Clerk of the Orange County Board of Supervisors, the Orange County Registrar of Voters, Orange County Counsel, and such other County officials as may be appropriate.

Section 16: The City Clerk shall certify the passage and adoption of this resolution and enter it into the book of original resolutions.

Section 17: In the case of *City of Newport Beach et al. v. Newport Beach Stewardship Association, et al.*, Orange County Superior Court Case No. 30-2026-01559183, a writ was issued on September 2, 2026, compelling the City Council to “[t]ake all steps necessary to hold a general municipal election for the Initiatives on November 3, 2026, whether run directly by the City or through a consolidated election process.”

To avoid an argument that the City Council’s action to call the election or adopt this resolution is “voluntary compliance” with the writ issued on September 2, 2026, the City Council finds that it is being compelled to take the action calling the election for the initiative and associated actions. The trial court has stated its intention to hold the City and City Council in contempt should the City Council fail to put the initiative on a ballot for November 3, 2026. Believing itself to be compelled to vote to place the initiative on the ballot upon threat of contempt, the City Council exercises only the discretion afforded to it by the writ concerning the election at which the initiative is to be considered and places the initiative on the November 3, 2026, ballot. The City Council’s action does not constitute voluntary acquiescence in or acceptance of the correctness or validity of the court’s ruling.

Neither the City or City Council waives any claim, defense, objection, argument, appellate right, or request for relief arising from or relating to the City Council’s compelled compliance with the writ including, any appellate proceeding in Orange County Superior Court Case No. 30-2026-01559183 or Case No. 30-2026-01580961 (*City of Newport Beach et al. v. Robert Page, in his Official Capacity as Registrar of Voters, et al.*). Furthermore, the City Council finds and declares that the adoption of this resolution is being compelled by the writ and that the City Council does not waive or release any and all arguments that it has the legislative discretion to call an election for another date and time in accordance with the Elections Code. Similarly, the City Council does not waive any other argument or legal theory including, but not limited to, whether the proponent’s

complied with the publication and posting requirements for this measure. The City and City Council expressly reserve all such remedies and finds there is no intention to render any part of any appeal moot.

Section 18: If any section, subsection, sentence, clause or phrase of this resolution is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this resolution. The City Council hereby declares that it would have passed this resolution, and each section, subsection, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

Section 19: The recitals provided in this resolution are true and correct and are incorporated into the operative part of this resolution.

Section 20: The City Council finds the adoption of this resolution is not subject to the California Environmental Quality Act ("CEQA") pursuant to Public Resources Code Section 21080(b)(1) because submission to the voters of a voter-sponsored initiative is a ministerial duty required by Elections Code Section 9215, and is therefore not subject to CEQA pursuant to Sections 15060(c)(1) (the activity does not involve the exercise of discretionary powers by a public agency), 15060(c)(3) (the activity is not a project as defined in Section 15378), and 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3.

Section 21: This resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify the vote adopting the resolution.

ADOPTED this 11th day of September, 2026.

Lauren Kleiman
Mayor

Attachment A – Exhibit “A” Requested for Services – Elections Code Section 10002

EXHIBIT A

REQUESTED COUNTY ELECTION SERVICES AND COORDINATION

NOVEMBER 3, 2026, CITY OF NEWPORT BEACH SPECIAL ELECTION

Purpose and Scope

The following requests concern the City's separate election on the three City Charter initiative measures. The City will arrange its own election operating personnel and vendors.

The City does not request County ballot design, printing, mailing, tabulation, equipment operation, or general administration of the City special election through this Exhibit.

Existing County files, exports, systems, and procedures may be used where they meet the identified need. The City and its providers will perform necessary conversion and processing of delivered data. Any alternative method must provide the information or access needed to complete the applicable election function lawfully and on time.

1. Voter Registration File and Updates.

Provide the current Newport Beach voter registration file and necessary supplements or replacement files, including information lawfully available to the City to identify eligible voters, determine registration status, issue ballots, contact voters, and reconcile election records.

Provide available residence and mailing addresses, precinct identifiers, registration and address changes, cancellations, and other relevant status changes. Include record identifiers that may lawfully be supplied and used to associate records across the City's authorized systems.

Establish an update schedule supporting initial ballot issuance, the general mailing, subsequent registrations and changes through Election Day, and eligibility determinations during the canvass.

The update process shall include a method for identifying voters who become eligible to vote in the City election after preparation of the general mailing file and for providing the City with information necessary to issue ballots to those voters.

A file already delivered need not be duplicated unless an update or correction is necessary.

2. Military and Overseas Voter Information.

Provide the military and overseas voter information maintained by the County for Newport Beach voters, including UOCAVA status, preferred ballot-delivery method, and the mailing or electronic delivery information lawfully available for that purpose.

Provide the existing file layout and relevant field definitions. Establish a method for communicating subsequent requests, status changes, and delivery-information updates pertinent to the City election.

Complete the initial delivery on a schedule that allows the City and its providers to validate the records and prepare issuance for the City's planned September 18, 2026, military and overseas ballot distribution.

3. Lawful Signature-Record Access.

Establish a legally permissible means for the City's authorized election personnel to access the signature exemplars needed to perform signature verification and cure review under Elections Code Section 3019.

The arrangement should include available qualifying signatures within the voter's registration record, including relevant prior registration records and other qualifying signed election forms, together with subsequent updates needed during processing and the canvass.

The arrangement shall also address the manner in which signatures submitted by voters on cure statements or other qualifying documents will be made available or associated with the applicable voter and ballot record as necessary to complete the cure process.

The County and City shall determine the permitted delivery or viewing method, including whether authorized access through GEM or another secure method can be used. Any copying, storage, or transmission must be expressly permitted by applicable law and the approved access arrangement.

The City requests written confirmation of the lawful access method, authorized users, and activation date before its planned September 18, 2026, military and overseas ballot issuance, allowing sufficient time for the City and its providers to evaluate operational compatibility. Access must be operational in time to perform required signature verification and cure review and remain available through the applicable canvass work.

If the County cannot confirm that arrangement within the requested timeframe, the City requests prompt written identification of the unresolved approval, legal, or technical issues and any available alternatives. Signature access remains part of this request while the City Attorney pursues any necessary earlier agreement or judicial direction.

This item requests access for City-authorized reviewers; it does not request that County personnel perform the City's signature-verification operation.

4. Language, Accessibility, and Confidential-Voter Information.

Provide existing information lawfully available to the City identifying voter language preferences and applicable geographic language-assistance designations.

Identify any existing accessibility-related ballot-delivery requests relevant to the City election that may lawfully be shared and establish a referral procedure for applicable requests subsequently received by the County.

For voters whose information is protected from disclosure, establish an authorized method for the City to fulfill ballot-issuance, voter-contact, and eligibility-verification responsibilities without exposing protected information. Where direct disclosure is prohibited, identify a lawful alternative delivery or contact procedure.

The City will arrange its own translation, accessible voting services, and production of election materials.

5. Registration and Eligibility Coordination.

Establish a procedure for communicating new registrations, registration corrections, address changes, and other eligibility information needed for the City election.

Identify how the City's authorized personnel may obtain County record verification necessary to resolve conditional registration, provisional ballot, duplicate-registration, and similar eligibility questions.

The procedure shall identify how registration and eligibility information received or processed after preparation of the City's general mailing file will be communicated to the City in sufficient time for the City to provide an eligible voter an opportunity to vote in the City election.

Establish the routing of registration documents and corrections received by the City to the County officials responsible for maintaining the registration record.

6. Separate Election Activity and Participation Records.

Establish procedures to keep the City's ballot issuance, return, and participation records distinct from records for the County-administered election.

Coordinate any necessary information exchanges so that participation in one election is not treated as participation in the other.

Identify the format and procedure for the City to transmit its final voter-participation information to the County and for the County to accept and record that information as applicable.

The coordination procedures shall also address replacement-ballot issuance and related status changes so that the City can identify superseded ballots, reconcile returns, and prevent more than one City ballot from being counted for the same voter without affecting that voter's separate participation in the County-administered election. The City and its providers will maintain the City's replacement-ballot records.

7. Misdirected Ballots and Election Documents.

Establish a reciprocal procedure for identifying, safeguarding, documenting, and transferring City ballots received through the County's existing mail, office, Vote Center, or drop-box operations, and County ballots received at City election locations.

The procedure shall specifically address City ballots deposited by voters in County ballot drop boxes or delivered to County Vote Centers on or before Election Day, including the frequency with which such ballots will be identified and made available for transfer to the City and the preservation of information necessary to determine timely return.

The procedure shall address preservation of envelopes, postmarks and receipt information; secure storage; notification of the appropriate election administrator; authorized pickup or delivery; transfer logs; and applicable receipt and processing deadlines.

The City will arrange authorized personnel to collect City materials from an agreed County location and deliver County materials to the designated County location.

The procedure shall also address misdirected City signature-cure statements, ballot requests, and other time-sensitive election documents.

8. Existing Precinct and Geographic Records.

Provide available Newport Beach precinct identifiers, boundary files, maps, and related existing geographic information that can assist the City in confirming the voter universe and organizing its election operation.

The City and its providers will develop any City-specific precinct consolidations or assistance-location arrangements. The County is not requested to create a new consolidation plan.

Existing geographic records are requested where available; a County-created consolidation plan is not a condition of the City's other requests.

9. Secure Transfers and Limited Technical Coordination.

Identify County contacts for voter-file delivery and updates, signature access, registration questions, and ballot transfers.

Establish secure delivery or access methods and provide existing file descriptions and field definitions. Coordinate initial access testing and correction of missing or inconsistent source records.

The City's providers will perform their own system configuration, data conversion, and election administration. This request does not require the County to develop a new election-management system or custom software integration.

The parties shall document authorized users, permitted uses, security controls, incident reporting, and appropriate disposition or retention of records.

10. Optional Voter-Information Assistance.

This request is not necessary for the City's ability to conduct the Special Municipal Election and is expressly subordinate to the essential requests in Items 1 through 9.

If operationally acceptable to the County, permit City-funded, information-only election personnel at agreed locations associated with County Vote Centers in Newport Beach, and permit County-approved factual instructions directing voters to the City election's information and assistance resources.

Location, hours, signage, access, and conduct shall be subject to County approval. These personnel would explain the separate City election and direct voters to appropriate assistance; they would not administer voting operations.

This item is optional and independently severable. Its denial should not delay consideration or delivery of the other requested items.

11. Implementation Schedule.

The City Clerk and Registrar shall promptly establish the delivery dates and operating procedures for approved items.

The initial voter and UOCAVA information must support preparation for the City's planned September 18 issuance. Signature access must be available before signature-verification work begins. Ballot-transfer procedures must be established before voters begin returning City ballots through potentially overlapping return channels.

Recurring data access and coordination shall continue as needed through the applicable ballot-receipt, cure, and official canvass periods. The City requests that any inability to meet an agreed requirement be communicated promptly, together with any lawful and operationally workable alternative.

The written implementation schedule shall distinguish functions essential to lawful and timely election administration from optional assistance and identify the date each function is needed. It shall specify the frequency of voter-file updates, agreed response times for routine and time-sensitive requests, and an escalation contact when a delay could affect ballot issuance, eligibility review, signature curing, or ballot transfers.

The City requests that initial voter information, confirmation of signature access, and arrangements needed for early ballot returns receive priority. The optional voter-information assistance request shall be considered separately.

12. Partial Availability; Independent Requests.

Each requested item and each reasonably severable component of a requested item is independently requested.

If the County determines that it cannot lawfully or operationally provide a requested item in the manner described, the City requests that the County provide any portion of the requested item that can be provided and promptly identify any lawful and operationally workable alternative.

The inability or lack of authority to provide one requested item or component shall not delay implementation of another requested item or component that can lawfully and operationally be provided.

Acceptance by the City of a partial or alternative service does not constitute withdrawal of any remaining request.

STATE OF CALIFORNIA }
COUNTY OF ORANGE }
CITY OF NEWPORT BEACH } ss.

I, Lena Shumway, City Clerk of the City of Newport Beach, California, do hereby certify that the whole number of members of the City Council is seven; the foregoing Resolution No. 2026-83 was duly adopted by the City Council of said City at a regular meeting held on the 11th day of September, 2026, by the following vote, to wit:

AYES: Mayor Lauren Kleiman, Mayor Pro Tem Noah Blom, Councilmember Michelle Barto, Councilmember Robyn Grant, Councilmember Joe Stapleton Councilmember Sara J. Weber, Councilmember Erik Weigand

NAYS: None

RECUSED: None

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed the official seal of said City this 11th day of September, 2026.

Re: City of Newport Beach Resolution No. 2026-83 requesting County election services

Dear Ms. Shumway,

I am writing in response to the City of Newport Beach's Resolution No. 2026-83 requesting election services pursuant to Elections Code Section 10002, which the City Council approved today and sent to me this afternoon.

The City's official request was made less than two months before the statewide November 3, 2026 General Election as well as only one week before federal and state law requires ballots to be issued to military and overseas voters and California law requires ballots to be mailed to all active Newport Beach voters. It is also the first time a city or district has requested separate election services from the County of Orange Registrar of Voters ("Registrar") at the same time the Registrar was administering a regular statewide election.

As an initial matter, the City did not timely request consolidation of its municipal special election with the 2026 General Election. Elections Code Section 10403 requires a request for consolidation no later than 88 days before election day, which was August 7, 2026. These statutory deadlines exist to ensure the Registrar can effectively plan and administer a statewide election, which is a massive logistical undertaking in a county with over 1.9 million registered voters. To further facilitate the ability to conduct a statewide election, the consolidation statutes require the city to agree that the County will conduct the election in accordance with the provisions of law regulating a statewide election. Elec. Code, §§ 10403, 10418. For similar reasons, Elections Code Section 10402.5 generally encourages cities to timely consolidate city elections that are conducted on statewide election days.

To illustrate the complexity of our task, administering the upcoming general election requires coordinating the production of approximately 549 ballot types, each of which must be translated into five languages—resulting in roughly 2,745 unique ballot variations—and preparing additional reference ballots in eight more languages. It also involves printing and mailing comprehensive Voter Information Guides containing candidate statements, impartial analyses, arguments, and sample ballots, including fully translated versions for approximately 121,000 voters who must receive election materials

in Chinese, Korean, Spanish, or Vietnamese. Tight statutory deadlines required that all ballot and guide materials be finalized and sent to printers earlier this week to allow timely mailing to military and overseas (“UOCAVA”) voters as well as the rest of the electorate, during a period when printing vendors are operating 24 hours a day to meet statewide demand. Even small changes can cascade into redesigning multiple ballot types, reformatting dozens of pages, conducting multi-language translations, and potentially requiring hand-processing of tens of thousands of ballot mailings—illustrating the enormous scale and precision necessary to administer the County’s general election. Ballots were issued today to UOCAVA voters who prefer to receive their ballots by mail.

In contrast, the City’s extensive request for election services under Section 10002 would require substantially *more* County resources than have already been dedicated to the consolidated 2026 General Election and require the County to perform such services in a much shorter period than a consolidated election. The request would necessitate supporting a complex dual-track election during a shortened timeframe, even as certain election deadlines have already begun to expire.

Among the additional burdens the City asks of the Registrar, the Registrar would be required to provide continual registration updates and eligibility coordination (pp. 2, 11); maintain completely separate participation and activity records for the City and statewide elections (pp. 11–12); identify, secure, and transfer misdirected ballots and election documents between jurisdictions (p. 12); furnish precinct identifiers, boundary files, and maps (p. 12); establish secure data-transfer methods, credentials, and technical file specifications (pp. 3–4, 12–13); accommodate City-funded personnel at County Vote Centers (p. 13); generate detailed implementation plans specifying authorities, timelines, conditions, and responsible departments (pp. 4, 13); and provide any partial services the County can lawfully deliver while also requiring the Registrar to identify alternatives where full provision is not possible (pp. 3, 14).

Indeed, despite its length, the Resolution is also uncertain because it places the burden on the Registrar to “promptly identify lawful and operationally workable alternatives” if the Registrar determines it cannot provide any requested item as described. The City’s request is, therefore, incompatible with Elections Code Section 10002, which places the burden on the City to specify the election services it seeks, rather than the Registrar to propose such services.

The Resolution is also not responsive to my earlier correspondence, which explained that any Resolution submitted under Section 10002 must include an assurance that the requested services would not interfere with the administration of the statewide November 3, 2026, General Election or create confusion among Newport Beach voters. The City did not provide this assurance. Instead, the City states it is compelled to call an election pursuant to a writ issued in litigation to which the Registrar is not a party.

The earliest date on which this matter could hypothetically be brought before the Orange County Board of Supervisors is September 29, 2026, which is a mere 35 days prior to the election. Additionally, several critical election deadlines are expiring or near expiration, further constraining the ability of the Registrar to administer any City-requested services.

On September 9, 2026, my office provided the City with as much information as is feasible absent a City Council-adopted Section 10002 request, including a Newport Beach voter file identifying UOCAVA voters with their preferred method of receiving their ballots and instructions regarding how to download GIS-format precinct maps for Newport Beach from the Registrar's website. However, requiring the County to develop and provide services in support of a stand-alone City election on the same date as the statewide general election would interfere with the Registrar's ability to conduct the General Election and pose unacceptable risks.

For example, chain-of-custody complications would inevitably arise from ballots being misdelivered to the wrong elections official, such as City ballots placed in County drop boxes and vice versa. Even procedures designed to address these issues fail to resolve operational problems such as identifying a City ballot mistakenly inserted into a County envelope after that envelope has been opened and separated from its contents. These types of foreseeable issues risk not only confusion, but also disenfranchisement. They further underscore why the Legislature generally requires city elections to be consolidated on a timely basis with statewide elections administered by counties rather than held separately on the same date.

For these reasons, the Orange County Registrar of Voters will not recommend that the Orange County Board of Supervisors authorize the broad range of services described in Resolution No. 2026-83.

Please feel free to contact our office should the City wish to discuss any future election planning consistent with applicable statutory timelines and requirements.

Sincerely,

Bob Page
Registrar of Voters

Date: September 15, 2026

Subject: Fw: November 3, 2026 Newport Beach Special Election

Good morning, Mr. Page,

I am writing regarding the Registrar's September 11 letter and its conclusion that Resolution No. 2026-83 is incompatible with Elections Code section 10002.

The City respectfully disagrees with that interpretation. The Resolution specifically identifies the services requested from the County, and the request for the Registrar to identify workable alternatives was intended to facilitate cooperation if a particular service could not be provided as requested, not to shift the City's responsibilities to the Registrar.

Nevertheless, given the court-ordered election and compressed timeframe, the City does not want a disagreement over section 10002 to prevent the election from proceeding. The City does not believe a new resolution is legally required; however, if the County maintains that a new or amended resolution is necessary before it will consider the City's request, please let me know as soon as possible. If you could also identify what changes or additional language the County believes are required, I would really appreciate it.

With respect to voter confusion, the City intends to conduct the special election as a separate election, with separate ballots, election materials, and procedures, and to provide clear voter communications distinguishing the City election from the County-administered General Election. The City is also prepared to coordinate procedures addressing misdirected ballots and other potential areas of voter confusion. We do not believe a section 10002 request needs to have these assurances; however, if the County believes additional measures or particular assurance language are necessary, please let me know so we can take any action necessary for the County to consider the City's request for services.

Most importantly, the Registrar's letter states that September 29 is the earliest date on which this matter could be brought before the Board of Supervisors. Please confirm whether the County intends to place Resolution No. 2026-83 before the Board for consideration on September 29. If not, please advise whether submission of a new or amended resolution would result in the matter being presented to the Board on September 29 and, if so, what the County requires the City Council to adopt.

Finally, if the County has determined that it will not present the City's request to the Board or recommend authorization regardless of any amendment, clarification, narrowing of services, or additional assurance from the City, please confirm that as well.

The City remains committed to taking all reasonably available steps to comply with the writ and conduct the November 3 election. Given the rapidly approaching deadlines, we would appreciate a prompt response and are available to meet and confer immediately.

Thank you,

[cid:db630ac-5783-42a7-a7e0-a2222adae7fb]

Mr. Harp,

To confirm our conversation yesterday, you asked whether the Secretary of State's office can provide the City of Newport Beach with voter signatures to use in your proposed upcoming November 3, 2026 Municipal Election.

We cannot.

Thank you for reaching out.

Good morning, Mr. Page,

I just wanted to follow-up with you on my September 15 email. Given the court-ordered November 3 election and the rapidly approaching deadlines, can you please confirm whether Resolution No. 2026-83 will (or will not) be placed on the September 29 agenda for consideration by the Board of Supervisors.

If the County believes the City must take any additional action to obtain Board consideration on September 29, I would appreciate it if you would let me know what is required as soon as possible.

Thank you,

Subject: November 3, 2026 Newport Beach Special Election

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

Bob,

Today, September 11, 2026, the Newport Beach City Council approved the resolutions necessary to call and conduct a Special Municipal Election on November 3, 2026, for consideration of three citizen-sponsored Charter amendment initiatives:

- Public Meetings, Public Records, Oversight, and Enforcement Initiative
- Lifetime City Council Term Limits Initiative
- District-Only Voting Initiative

The approved resolutions are attached, including Resolution No. 2026-83 requesting specified election services from the County of Orange. While the County is not being asked to administer the City's Special

Municipal Election, the County's assistance is critical because it maintains voter registration records, signature records, and other information necessary for the City to conduct the election. The City will administer the election separately and will remain responsible for ballot production, processing, tabulation, canvass, and general election administration.

Due to the extremely compressed timeframe for the November 3 election, the City is requesting that the Registrar provide, as soon as possible, a current data file for bulk voter registration signature images necessary for the City to conduct signature verification of returned ballots. The City will also require continuing voter registration updates as the election proceeds.

Please let us know immediately if there are any forms, agreements, security requirements, fees, or other steps the City must complete to obtain the data.

Thank you for your assistance and cooperation as we work under these very compressed election deadlines.

Sincerely,

Lena Shumway

Subject: Follow-Up – Ballot Release, Watermark and Ink Approval

Hi Steve,

I wanted to follow up on my email regarding the City's November 3 election and see if there has been any update concerning the ballot-card release and the approval or assignment of the required watermark/tint and ink specifications.

I recognize that everyone is working under an unusually compressed timeframe, and we very much appreciate your assistance. Given the court-ordered November 3 election date, however, the City needs to move forward with ballot production as quickly as possible, so any direction or approval your office can provide would be extremely helpful.

If there is anything further you need from the City or our election vendor to obtain the ballot release or finalize the watermark/tint and ink requirements, please let me know and we will provide it immediately.

Thank you again for your help with this. We really appreciate your attention to it given the timing.

Subject: City of Newport Beach - Electionn

Hi Steve,

We have a special City Council meeting tonight to determine how we proceed with the November 3 election. As you know, the City is operating under a writ requiring it to conduct the election, and I want to make sure that anything we do is consistent both with that order and with the Secretary of State's requirements.

This isn't my area of expertise, but it would be very helpful if he had direction from the Secretary of State (or your office) as to whether the State will issue/assign the City the necessary tint/watermark and provide a ballot-card release for the November 3 election.

I recognize that this is moving very quickly and appreciate your help and direction.

Aaron Harp
