Government Code §84200 requires elected officers, candidates, and committees pursuant to subdivision [a] of section §82013 to file semi-annual statements yearly no later than January 31, 2025, for the period ending December 31, 2024.

The semi-annual statement should be filed with the Registrar of Voters' Office (or postmarked) by January 31, 2025. For more information, find your current status below.

1. **CANDIDATE OR OFFICEHOLDER – FORM 460:**

An officeholder committee and candidate-controlled committee, including those who are unsuccessful in any election, must file semi-annual campaign statements whether or not they have received any contributions or made any expenditures, and only if they have not officially terminated their campaign committee.

2. **TREASURER FOR GENERAL PURPOSE, BALLOT MEASURE OR PRIMARILY FORMED COMMITTEES FORM 460, 450 or 425:**

Must file semi-annual campaign statements for each half of the year whether or not they have received any contributions or made any expenditures during the six months covered by the statement. A recipient committee must continue filing campaign statements until all activity ceases and a termination statement has been filed.

If statements are not filed by the due date in accordance with Government Code §84200, you may be subject to civil and criminal penalties, as well as late filing penalties that accrue at the rate of \$10 per day, pursuant to Government Code §91013[a][c].

We appreciate your assistance in filing your campaign disclosure statement in a timely manner. Please file an **Original** campaign statement no later than **January 31, 2025**, with the Orange County Registrar of Voters.
