WHEREAS, when adopting these General Plan Amendments and Zoning Code Amendments, it was determined that they were contingent upon a successful approval by the voters of the City of Yorba Linda of General Plan Amendment 2022-02 and Zoning Code Amendment 2022-02, which was presented to the electorate of the City as Measure Z as part of the November 2022 General Election; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF YORBA LINDA DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. On August 2, 2022, the City Council certified a Program Environmental Impact Report (PEIR) for the 2021-2029 Housing Element through Resolution No. 2022-5817. Pursuant to 14 California Code of Regulations, § 15164, an Addendum to the Program Environmental Impact Report for the City of Yorba Linda 2021-2029 Housing Element Implementation Programs (State Clearinghouse # 2022040574) has been prepared.

The City, serving as the CEQA Lead Agency for the Revised Project (see CEQA Guidelines Sections 15050-15051), determined in its independent judgment that the Revised Project does not meet any of the circumstances from CEQA Guidelines Section 15162 and that an Addendum to the 2022 Certified PEIR is the appropriate CEQA compliance document for the Revised Project. The City's finding is based on the following facts:

- As demonstrated in Section 4.0 of the Addendum, the Revised Project would not require major revisions to the previously-certified 2022 Certified PEIR because implementation of the Revised Project would neither result in any significant impacts to the physical environment that were not already disclosed in the 2022 Certified PEIR nor result in substantial increases in the severity of the environmental impacts previously disclosed in the 2022 Certified PEIR.
- Subsequent to the certification of the 2022 Certified PEIR, no substantial changes in the circumstances under which the Revised Project would be undertaken have occurred that would require major revisions to the 2022 Certified PEIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects.
- There is no evidence in the public record that new information of substantial importance has become available that is applicable to the Revised Project and/or the City (Project site), that was not known and could not have been known with the exercise of reasonable diligence at the time the 2022 Certified PEIR was certified and would alter the conclusions of the 2022 Certified PEIR.

Section 2. The City Council has read and considered the amendments to the General Plan (referred to herein as “General Plan Amendment 2024-02”) as part of the consideration of the adopted Housing Element implementation programs included therein.

Section 3. Pursuant to Section 18.36.675 of the Yorba Linda Zoning Code, the City Council finds that General Plan Amendment 2024-02 is necessary to ensure that the General Plan is consistent within the City’s other General Plan policies, goals and objectives, specifically the Housing Element, and is consistent with the objectives of the Zoning Code.

Section 4. The City Council finds that General Plan Amendment 2024-02 is necessary to implement the Housing Element programs established in the 2021-2029 Housing Element, and as approved by the State of California, and would permit and encourage the development of affordable housing opportunities pursuant to the Regional Housing Needs Assessment (RHNA) requirements, as set forth in the Housing Element Law and applicable State Guidelines, in locations adjacent to supporting services and public transportation provided they are compatible with, and will not adversely impact, the integrity and continuity of adjacent uses.

Section 5. The City Council hereby accepts the recommendation of the Planning Commission as modified herein to adopt General Plan Amendment 2024-02 as part of the consideration of the adopted Housing Element implementation programs included therein.

Section 6. The City Council hereby adopts General Plan Amendment 2024-02, subject to each item identified therein to become effective only upon the approval by a majority vote of the electorate of the City of Yorba Linda voting “YES” on a ballot measure for the adoption of that item of General Plan Amendment 2024-02 at a duly noticed and held regular or special election of the electorate of the City of Yorba Linda.

Section 7. Pursuant to Elections Code section 9222, the City Council by subsequent ordinance or resolution shall identify the date of the election during which items identified in General Plan Amendment 2024-02 will be submitted for consideration by the electorate of the City of Yorba Linda, which election date shall be held not less than eighty-eight (88) days after the date of the subsequent ordinance or Ordinance ordering the election. Upon the ordering of the election by the City Council, the City Clerk shall be authorized and directed to take any and all necessary and proper actions to submit any identified items in General Plan Amendment 2024-02 to a vote of the electorate of the City of Yorba Linda in accordance with applicable State, County, and City laws, including the Yorba Linda Right-to-Vote Amendment (Measure B). The City Council hereby reserves the authority to submit the items identified in General Plan Amendment 2024-02 to a vote of the electorate of the City of Yorba Linda in separate elections. None of the items identified in General Plan Amendment 2024-02 shall take effect until approved by a majority vote of the electorate of the City of Yorba Linda.

Section 8. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council of the City of Yorba Linda hereby declares that it would have adopted this Ordinance and each section, subsection, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions thereof may be declared invalid or unconstitutional.

Section 9. This Ordinance is contingent upon a successful approval by the voters of the City of Yorba Linda and shall go into effect ten (10) days after such successful vote is declared by the legislative body.

Section 10. The City Clerk shall certify to the passage and adoption of this Ordinance, and shall cause the same to be published within fifteen (15) days after passage in accordance with law and as designated by resolution of the City Council, and shall cause this Ordinance and its certification, together with proof of publication, to be entered into the Book of Ordinances of the City of Yorba Linda.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF YORBA LINDA DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. On August 2, 2022, the City Council certified a Program Environmental Impact Report (PEIR) for the 2021-2029 Housing Element through Resolution No. 2022-5817. Pursuant to 14 California Code of Regulations, § 15164, an Addendum to the Program Environmental Impact Report for the City of Yorba Linda 2021-2029 Housing Element Implementation Programs (State Clearinghouse # 2022040574) has been prepared.

The City, serving as the CEQA Lead Agency for the Revised Project (see CEQA Guidelines Sections 15050-15051), determined in its independent judgment that the Revised Project does not meet any of the circumstances from CEQA Guidelines Section 15162 and that an Addendum to the 2022 Certified PEIR is the appropriate CEQA compliance document for the Revised Project. The City's finding is based on the following facts:

- As demonstrated in Section 4.0 of the Addendum, the Revised Project would not require major revisions to the previously-certified 2022 Certified PEIR because implementation of the Revised Project would neither result in any significant impacts to the physical environment that were not already disclosed in the 2022 Certified PEIR nor result in substantial increases in the severity of the environmental impacts previously disclosed in the 2022 Certified PEIR.
- Subsequent to the certification of the 2022 Certified PEIR, no substantial changes in the circumstances under which the Revised Project would be undertaken have occurred that would require major revisions to the 2022 Certified PEIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects.
- There is no evidence in the public record that new information of substantial importance has become available that is applicable to the Revised Project and/or the City (Project site), that was not known and could not have been known with the exercise of reasonable diligence at the time the 2022 Certified PEIR was certified and would alter the conclusions of the 2022 Certified PEIR.

Section 2. The City Council has read and considered the amendments to the Zoning Code (referred to herein as "Zoning Code Amendment 2024-02") as part of the consideration of the adopted Housing Element implementation programs included therein.

Section 3. Pursuant to Section 18.36.675 of the Yorba Linda Zoning Code, the City Council finds that Zoning Code Amendment 2024-02 is necessary to ensure that the Zoning Code is consistent within the City's General Plan policies, goals and objectives and is consistent with the objectives of the Zoning Code.

Section 4. The City Council finds that Zoning Code Amendment 2024-02 is necessary apply the development standards contained in Zoning Code Amendment 2022-01 and Zoning Code Amendment 2024-02 to specific sites identified in Zoning Code Amendment 2024-02, would permit and encourage the development of affordable housing opportunities pursuant to the Regional Housing Needs Assessment (RHNA) requirements, as set

SECTION 1 - PURPOSES

For Sawi Ranch

The purpose of the PC, Office and Industrial Park Zone is to accommodate the introduction of various office, commercial, and industrial and open space uses into a single comprehensive development. The Office and Industrial Park Zone will facilitate the integration of these uses in a manner which creates a functional and aesthetically pleasing employment complex. Four land use categories constitute this zone in accordance with the following purposes (refer to attached map for location of land use areas):

- A. Office and Commercial - this area is intended as a location for uses of an office or primarily retail commercial function. The area will accommodate multi-story office buildings as well as retail commercial uses serving a clientele located outside as well as within the Office and Industrial Park Zone.
- B. Support Commercial - this area is intended as a location for low intensity commercial, office, or recreational uses. Topographic considerations such as significant slopes and land area preclude high intensity development yet offer opportunities for low intensity uses having good visibility from the Riverside Freeway.
- C. Industrial/Research and Development - this area is intended as a location for high technology industries primarily in fields of electronics, instruments, and machinery which are labor-intensive, growth oriented, and environmentally clean, as well as related and complimentary light industrial and service commercial uses.
- D. Open Space Preserve - this area is intended for passive and active open space uses. It is intended that this area will serve as an open space link between Yorba and Featherly Regional Park, as well as an area for the recreational uses ancillary to the employment complex. This area is coterminus with the City of Yorba Linda zoning.

Impartial Analysis City of Yorba Linda Measure JJ

California law requires that cities establish land use regulations for locations within the City that can accommodate existing and projected housing needs. This ballot measure (“Measure”) was placed on the ballot by the Yorba Linda City Council as part of the City’s effort to comply with State housing laws. The Measure (implementing City Ordinance Nos. 2024-1109 and 2024-1111) increases the allowable number of residential dwelling units, along with maximum building heights, that can be built at specific locations within the City. The locations, along with a “site” reference, are:

Southeast corner Rose Drive and Blake Road (S1-200)

4791 and 4811 Eureka Avenue (S3-082)

4742 Plumosa Drive (S4-075)

22722 Old Canal Road (S6-015)

22711 Oak Crest Circle (S6-020)

17151 Bastanchury Road (S2-008)

5320 Richfield Road (S3-012)

4861 Liverpool Street (S2-013)

5091 and 5005 Mountain View Avenue (S3-024)

18021-18111 Bastanchury Road (S3-210)

Vacant Parcel west of 16951 Imperial Highway (S1-021)

5300-5392 Richfield Road (S3-207)

18597-18602 Altrudy Lane (S4-200)

19081-19111 Yorba Linda Boulevard (S4-204B)

17651 Imperial Highway (S3-211)

18101-19251 Bastanchury Road (S3-203)

Vacant Parcel east of Quarter Horse Drive Trailhead and west of 20303 Fairmont Boulevard (S5-008)

Generally 23030-23060 Eastpark Drive and 23000-23081 Savi Ranch Parkway (S6-025)

If a majority of voters vote “yes”, the Land Use Element and Land Use Diagram of the City’s General Plan and the City’s Zoning Map, Zoning Code and regulations will be amended to allow:

Maximum residential density of 3 units per acre: S5-008

Maximum residential density of approximately 5 units per acre: S3-203

Maximum residential density of 10 units per acre: S3-211 and S3-207.

Maximum residential density of 20 units per acre and a maximum height of 40 feet or three stories, whichever is less: S4-200 and S4-204B.

Maximum residential density of 35 units per acre and a maximum height of 40 feet or 3 stories, whichever is less: S1-200, S3-082, S4-075, S2-008, S3-012, S2-013, S3-024, and S3-210.

Maximum residential density of 35 units per acre and a maximum height of 50 feet or 4 stories, whichever is less: S1-021.

Maximum residential density of 60 units per acre and a maximum height of 85 feet (100 feet if approved by a discretionary permit) or 5 residential stories, whichever is less: S6-015, S6-020, and S6-025.

The Measure does not require that housing be constructed on the sites but merely allows such housing to potentially be built. Whether a property is developed is up to the property owner.

If the City does not comply with State housing laws, the City is potentially susceptible to legal ramifications such as loss of local land use control, State and private party litigation, the loss of State funding, and substantial fines and attorney’s fees.

THE ABOVE STATEMENT IS AN IMPARTIAL ANALYSIS OF MEASURE JJ. IF YOU DESIRE A COPY OF THE ORDINANCES OR MEASURE, PLEASE CALL THE ELECTIONS OFFICIAL’S OFFICE AT (714) 961-7150 AND A COPY WILL BE MAILED AT NO COST TO YOU.

City Attorney, Todd Litfin

Ballot Measures-JJ**Argument in Favor of Measure JJ**

We face a critical decision regarding the future of our beautiful city. The State of California has mandated housing numbers for every city, and we must choose: plan it ourselves or leave it to developers. Yorba Linda created a resident working group with members from across the city to address this issue. The plan before you today is their thoughtful, comprehensive solution. We urge you to vote YES on Measure JJ to maintain local land-use control and protect Yorba Linda's unique character.

A YES vote on Measure JJ will stop State bureaucrats and developers from altering our neighborhoods without our input. By law, Yorba Linda must designate areas for housing, and this measure allows city voters to decide where these units will be placed. Remember, cities do not build housing but must zone for it. If Measure JJ fails, the State could impose its own housing plan, bypassing our community's voice. This could lead to costly legal battles and challenges to Measure B, potentially stripping away our right to vote on land-use issues.

A pressing concern is Builder's Remedy. Without an approved housing plan, developers can bypass local zoning rules and increase housing density without our consent. This is already happening in several nearby cities. We must prevent this from occurring in Yorba Linda.

Voting YES on Measure JJ will:

- Protect existing open spaces
- Maximize local control over housing projects
- Limit traffic impacts
- Preserve the character of single-family neighborhoods
- Revitalize Savi Ranch's living and shopping experience
- Safeguard residents' rights to vote on future zoning changes

This measure represents the best possible scenario for preserving Yorba Linda's charm. The choice is clear: either we, the residents, decide our city's future, or developers will dictate it without our approval. Let's make the right decision for our community. Vote YES on Measure JJ.
