## What offices are up for election?

- Political Party nomination elections for President and County Central Committees
- Voter nomination elections for U.S. Senator (partial & full term), Congressional Representatives, State Senate, and Assembly
- Nonpartisan elections and nomination elections for three Superior Court Judge, two County Board of Supervisors, three County Board of Education offices, and two Orange Unified School District Board of Education offices for recall

# No Party Preference (NPP) Voters

California's modified-closed primary system authorizes political parties to allow NPP voters to vote in their presidential primary.

For this election, the American Independent Party, Democratic Party and Libertarian Party will allow crossover voting by voters registered as No Party Preference.

# No Party Preference (NPP) Voters

The Green, Peace and Freedom, and Republican parties do not allow crossover voting. NPP voters must re-register with that party to vote for that party's presidential candidate.

NPP voters may vote a non-partisan ballot without presidential candidates.
