

**KERI LYNN WILSON
CITY OF YORBA LINDA
MEMBER OF THE CITY COUNCIL, SHORT TERM**

Yorba Linda has entered the 21st century as one of the most desirable communities in the country. My husband and I are grateful to have lived here for 17 years with our three children. Like an active family, it's not possible to stop the forward movement of an active city. What is most needed in Yorba Linda today is strong leadership and a clear direction for the future. My personal strengths and experiences make me uniquely qualified to take on this challenge of maintaining a gracious community in an increasingly complex world. It has been my privilege to be in public service for over 26 years: 20 years as an Officer with the La Habra Police Department, the last nine as a Sergeant; as an Investigator for the Orange County District Attorney's Office and a Yorba Linda Councilmember for four years. I am proud to have participated in many initiatives that brought positive growth and improvements to our city. I pledge to always behave in a professional and considerate manner, with the interpersonal skills, vision and energy needed to move our city to a more constructive and productive road. It's time to move forward!
