

**GRACE HU  
STATE ASSEMBLY, 56TH DISTRICT**

I am running for State Assembly because I believe that Sacramento needs leaders with strong values that understand hard work, leaders that want to see accountability and fiscal responsibility of our government.

In 1992 and 1997, I was elected to the Cerritos City Council and served as the Mayor of the city in 1995 and 2000. I have also been a business owner since 1976. For the last eight years, the Los Angeles Business Journal has listed my business as one of the top 100 Woman-Owned Businesses in Southern California. My experiences in local government and in the business world have served me well in improving the neighborhoods of Cerritos. We can do the same for all the neighborhoods across California.

As your Assemblywoman I pledge to:

Control spending and provide cuts needed that do not reduce essential services such as health care and prescription drugs for senior citizens.

Improve our educational system and make higher education affordable and accessible.

Encourage business retention and attract new businesses to California that will create jobs for working families. Job opportunities are the cornerstones of stability in our communities.

Enact legislation that enhances penalties for those who commit identity theft, and increase the punishment for online predators who prey on children. The improving of public safety is the top priority in all communities throughout our State.

Please join me in creating a better California for all.
