

**JOHN MACMURRAY
STATE ASSEMBLY, 72ND DISTRICT**

Are you really better off?

Are you able to raise your family in a safe community, with high quality education, clean air to breathe, and clean water to drink?

If you work in education, are you getting the support you need to do your job?

If you own a business, are you getting the support you need to grow your business and let it succeed?

If you work in a trade or profession, are your job and hard-earned retirement benefits being threatened?

The 72nd Assembly District is a large and diverse community, with many different and sometimes competing interests. Our campaign's motto, "Let's Keep Jobs in the 72nd!", was chosen because we realize that business, education, and government all need to work together to ensure our continuing prosperity.

I am the candidate who has the experience to bring those interests together. And when you elect me to the Assembly I will do my best to make sure we all do succeed.
