

**MARY HORNBUCKLE
COAST COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 4, SHORT TERM**

I am the appointed incumbent for Trustee Area 4, appointed in April, 2005. I have spent the last year learning more about the District and community college leadership. Two issues I will be working on are resolution of the KOCE television station dispute and the continuation of the Measure C bond program for renovation and construction on the college campuses and the District main site.

I served 12 years on the Costa Mesa City Council, two years as Mayor. I am a lifelong community volunteer, having served on the boards of four PTA organizations, Girls Inc., Costa Mesa Senior Center, Girl Scout Council of Orange County, the Costa Mesa Historical Society, and the Costa Mesa Community Foundation.

I am employed as Director of St. Mark Community Preschool in Newport Beach. I am an Elder at St. Mark, and have served on the Education and Worship Commissions. I have an Early Childhood Education Certificate from Orange Coast College and a BA degree from Vanguard University.

I ask for your vote to complete the remaining two years of the term for Trustee Area 4.
