

**DAVID L. BOYD  
COAST COMMUNITY COLLEGE DISTRICT  
GOVERNING BOARD MEMBER, SHORT TERM  
TRUSTEE AREA 4**

Occupation: University President

For over twenty years it has been my privilege to lead William Howard Taft University, a nationally accredited distance learning institution. Taft presently offers graduate distance education programs in business, education and law. You can learn more about the University by visiting its website at [www.TaftU.edu](http://www.TaftU.edu).

Last year I was a founding director of The Taft Center for Disabled Access, a non-profit corporation.

I am seeking this office because I feel that I owe a debt to the community college system. Without the A.A. degree I earned at a community college, I would not have been able to later earn a Bachelor's degree in accounting and a Juris Doctor degree in law.

In addition to my background in postsecondary education, my experience as an arbitrator and mediator should benefit the District in resolving the KOCE debacle.

I will not accept campaign contributions from any source that has dealings with the district. This includes but is not limited to district employees, unions, vendors, or attorneys.

You are invited to visit my website ([www.Boyd4Trustee.info](http://www.Boyd4Trustee.info)) to learn more about me, the issues that are relevant to you, and how my experience will serve the students and residents of our District.
