

**JOHN R. HANNA
RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 2**

I have been proud to serve as your Board member to ensure a quality education for students at Santa Ana and Santiago Canyon Colleges.

I have fought to make classroom instruction the highest priority. We succeeded in ensuring our district has a balanced budget, a healthy reserve, and one of the lowest administrative costs in the state. I have worked with our staff to achieve over \$68 million in savings for our construction program.

Our college district has increased the transfer rate of students to universities. We increased the certificates for job and apprentice programs as we help train our workforce to master new skills. Our district is the leader in training first responders with our Sheriff's training academy, our fire technology and nursing programs. A new library at Santiago Canyon College now serves the community.

I support local control of our colleges and helped lead the successful fight against turning over control to Sacramento. I have worked hard to keep politics out of our educational decisions.

I pledge to continue our efforts for quality education while ensuring the efficient use of your tax dollars.
