

**BILL HALL
BREA OLINDA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER, FULL TERM**

My wife Liz and I have lived in Brea for 10 years with our two boys, Devin (1st Grade) and Adrian (preschool). Currently I serve as the Chairman of the Parks, Recreation, and Human Services Commission, serve on the Family Resources Advisory Council, the Brea Country Fair Committee, and the Sports Park Advisory Committee. I earned my Bachelor's Degree in Public Administration from USC in 1986. I've owned and managed Action Mold and Tool, a Manufacturing Company located in Anaheim for 14 years.

As a member of your Brea Olinda School Board I will work to insure that our children continue to receive the best possible education. Our Students need to compete in a global economy and all our graduates must possess the skills, tools, and sense of personal responsibility necessary to achieve the highest levels of success. As a business owner I will use my skills to insure that sound economic principals are followed, communication is improved with our community, the use of technology is increased, and consensus is nurtured among all educational partners.

I would appreciate your vote and will commit myself to our children's success. Please contact me at billhall4schoolboard@yahoo.com or visit my website at www.voteforbillhall.com.
