

KEVIN J. HOBBY
BREA OLINDA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER, FULL TERM

Occupation: School Risk Management Consultant/Businessman/Engineer

My wife, Angela, and I are the proud parents of three children: an 8 and 5 year old attending Olinda School, and a 3 year old who is entering preschool. Most importantly, we moved to Brea because of its outstanding reputation for high educational standards.

As a School Risk Management Consultant, my background is in fire protection and safety engineering. I have extensive experience and knowledge of working with public schools, cities, and private industry and am very familiar with the business operations and safety of school facilities. I was instrumental in writing the safety grant, which provided for the installation of the new kindergarten playground at Olinda.

I recently served on Olinda School Site Council, am a member of the Brea Olinda School District New School Design Committee, and also a member of the PTO.

As an elected Board member, I will be passionate about maintaining high academic standards for all students, as well as providing safe and adequate facilities for students and staff. I would appreciate your vote on November 7. You may contact me at khobby@sbcglobal.net.
