

SHELIA J. HENNESS
CAPISTRANO UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 6

As a school board member, CUSD parent, community leader, classroom volunteer, and business owner, I bring integrity, expertise, and experience to decision-making on behalf of our students.

I demand the best for our students: prudent fiscal management, rigorous curriculum, excellent teachers, safe schools, and accountability throughout Capistrano Unified. Student achievement continues to soar on all assessments. SAT and AP scores far outrank county, state and national averages. Moreover, CUSD is the only large school district in California scoring well over 800 - California's standard of excellence.

During my tenure, we have built 17 new schools on time and within budget, modernized existing schools, and reduced class size. Our schools have garnered 11 National Blue Ribbon School Awards, 42 California Distinguished School Awards, 2 Magna Awards, and 16 Golden Bell Awards.

Leadership: President, CUSD Board; President, ROP Board; Masters in Governance; PTA President (local and district-wide); YMCA Board; Education Conference Presenter; Board Member, Assistance League of Capistrano Valley; Board Member, California Women's Leadership Association.

Recognitions: Orange County Outstanding Contributions to Education; California Legislature Hero in Education; California State PTA Golden Oak and Honorary Service Awards; Soroptimists' Education Woman of the Year Nominee.

Re-elect Shelia Henness. Our students are my top priority!
