CAPISTRANO UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 7**

Governing Board Member, Businessman

As a father, I have watched with pride the great education our two children are receiving in the Capistrano Unified School District. As your school Board member, I have worked diligently to ensure our goal of educational excellence is achieved.

CUSD is known throughout the county, state, and nation for its educational excellence and outstanding academic achievements:

92% of our graduating class will attend college.

All five of our high schools are ranked in the top 2% nationally.

CUSD has one of the highest graduation rates in California.

Our teachers are highly trained, innovative, and dedicated.

CUSD is the only large district in the state with a district-wide average API score over 800.

Despite exploding growth over the past 15 years, we have kept pace investing over \$724 million to build 30 new schools and modernize 25 others.

With 50,500 students the challenges are many, but with my educational background and business experience, I pledge continued dedication to enhance the outstanding learning environment and rigorous academic standards our students deserve.

Vote for John Casabianca. I will continue working to ensure that our students can learn in safe secure schools with high academic standards.
