

**GAVIN HUNTLEY-FENNER  
IRVINE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

I am a school board trustee with the vision and experience to deliver results for Irvine schools.

**Vision:**

A financially secure district, where children learn to meet 21st century challenges in healthy, supportive environments.

**Experience:**

As a professor, I dedicated my career to child development. As an Irvine Public Schools Foundation trustee, I raised funds for programs enriching the lives of children. In business, I am a risk-management expert with a focus on child safety.

I became a trustee in 2005. The district's financial picture was grim. I pushed to settle labor disputes, fought efforts to cut funding, and collaborated with business and city leaders to increase support for schools.

**Results:**

Irvine schools are recognized for academic excellence. Art, Science, Music, Health and Guidance are strengthened. Through innovation and fiscal prudence, the district preserved class-size reduction and broadened the program to higher grades.

As your school board trustee, I pledge to embody Irvine's highest aspirations for our children's education. I will:

- ensure a successful transition to new superintendent leadership;
- fight for local control and empower parents; and
- work to make IUSD more strategic and successful in and out of the classroom.
