IRVINE UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

Irvine schools are great because of you.

I have three children; two are currently enrolled in Irvine schools. Many on the school board have no children in our schools.

Class size reduction I support, but the IUSD will never fund it. Not as long as the community picks up the tab. Solution, I would use the over 1 million per year spent on pre-schools to fund CSR every year.

Mega-schools, I oppose the growth of this awful trend. It has proved to be a miserable failure. Future schools will have ten or more portable classrooms due to overcrowding. Portable classrooms are unhealthy and eye sores. We have plenty of schools in our community that should be utilized before exposing our children to the health risks in portables.

Taxes, the current board votes to increase your property taxes every year. I oppose this tax. (RIMD)

I oppose the idea of a new 30 million dollar district office. If portable classrooms are good enough for our children, then I will put administrators in them first.

Irvine, you're doing a great job, it's time your school board measured up.

I would appreciate your support. Irvine2Recall@aol.com
Thank you.
