

**KELLY CORNWELL  
LAGUNA BEACH UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

My wife Shelley and I have lived in Laguna Beach for 18 years. Our two sons, Zac, 15, and Zane, 12, attend school in the LBUSD. My volunteer work includes active involvement with United Way, Rebuilding Together, OC Children's Bureau and the Special Olympics. I am also a board member of the CSP youth shelter.

In the last 26 years, I have worked my way up in the world's largest transportation company - UPS. In addition to managing thousands of employees, my responsibilities have included overseeing the regional finances budget of \$3.5 billion. During my tenure we have held the designation of AAA, which is the highest financial rating. This rating is held by only six companies worldwide.

I will use my expertise in fiscal management to monitor budgets, avoid crisis situations, and establish the LBUSD as a fiscally responsible entity. With fiscal stability, school district management can focus on providing academic leadership toward the ultimate goal of student achievement.

I have a strong belief in and a commitment to our community. My promise to the community is to serve with high standards, trust and integrity always with the students best interest in mind.
