

**JEFFREY BARKE
LOS ALAMITOS UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

As a Family Physician, I make medical decisions based on what I believe is in the best interest of my patients. As a LAUSD Board Member, I will focus on what I believe will best serve the interests of our children.

In order for our schools to remain the best, we need to be proactive in our approach. I will establish open lines of communication with parents, teachers, and the community to ensure that the board's decisions are understandable and justifiable. I will organize new forums with parents, teachers, and community leaders to ensure that decisions are inclusive. I will encourage greater dialogue at board meetings to ensure every stakeholder is being heard.

My goal is simple: I will return the LAUSD Board's focus back to the kids. I will lead by providing our children with the best instructors at state-of-the-art facilities.

My leadership experience includes board positions at the Orange County Medical Association, Hoag Hospital's Medical Executive Committee, and Pathways to Independence (a Los Alamitos based non-profit organization helping at-risk women.) My wife and I are nine-year district residents with two children in the LAUSD.

Together we can make a difference.
