

**SANDRA D. ASPER  
NEWPORT-MESA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 5**

Occupation: Retired Teacher 2005

Goals: Bring a new perspective to the district. Support Measure F and long range planning that utilizes money for technology in core subjects and realistic vocational education. Bring new and practical solutions to the district's ongoing challenges. Make sure that district/taxpayer money is spent responsibly and always in the student's best interests. Fiscally very conservative.

Vision: 5,000 students have passed through my classrooms in Newport-Mesa. I know that students must have honest, focused leadership from the district/board, and a vision for this fast-changing world. They need the opportunity to grow intellectually, develop skills that will carry them through life, and the rock-solid knowledge to back them up. They need more than just the answers to tests. They need to know why they must have those answers.

Education/Community Background: I am eminently qualified for this position, B.A., M.A., Educational Administration, educator, have an insider's understanding of the school system and the district's history, married 45 years, Newport Beach homeowner 38 years, 3 successful graduates of Newport-Mesa, Bruce, Lara, Gaby, who have made us very proud.
