

**LORETTA ANN ZIMMERMAN  
NEWPORT-MESA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 5**

Master's Degree Public Administration (MPA)  
B.A. Degree English

Age: 54

As a former assistant city manager I have administrative expertise to oversee school district policy, and experience with joint use agreements to work in partnership with local cities.

With over 22,000 students in the district, we need a parent on the board for policy setting and decision making. As the parent of a student entering high school and four recent graduates - I know the issues affecting student achievement.

I support: mastery of oral and written English; proficient math skills; increased science opportunities; comprehensive computer literacy; safe and clean schools; small class sizes; upgraded computer technology; art and music instruction; fiscal accountability; and Board term limits.

I served 2 years as President and 6 years Board of Directors of a preschool, and understand how important school readiness is to successfully transition to elementary school.

Other involvement: PTA Executive Board; Site Councils at Corona del Mar High School and Lincoln Elementary; CdM Home Tour; sports booster clubs; NMUSD Superintendent Selection Advisory Council.

My goal is for all Newport-Mesa schools to achieve excellence. I'm available to talk with you about school issues, call me at (949) 675-2833. For responsive new leadership elect Loretta Zimmerman.
