

**KIMBERLEE NICHOLS
ORANGE UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 5**

I am the current President of our School Board, a mother of children who attend our schools, and a graduate of our School District. Since being elected to the Board in 2001, I have worked hard to insure the highest quality public education for our students while adhering to the principles of fiscal responsibility. I supported efforts to recruit and retain high quality teachers, staff and administrators by supporting competitive compensation, a balanced budget and living within our means. Test scores and student performance have steadily improved, and our District is financially sound. I am proud to have worked to restore respect and integrity to our District.

My goals for our District are unchanged. We must continue to improve our District and improve student performance while controlling the costs of operation. We must insure that the education we provide properly prepares our students for the 21st century. I am proud of the successes that we have enjoyed, and I look forward to continuing our efforts to meet our goals to improve our District and our community for years to come.

Thank you for your support!

Kimberlee Nichols, President
Orange Unified School District Board of Education
