

**RICK LEDESMA  
ORANGE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 7**

Occupation:

Current School District Board Member, Corporate Director of Financial Analysis

I have been proud to serve as a Board Member for the OUSD. I've proven to be the Board Member who asks the tough questions, stands up to the education bureaucrats, and is the lone voice demanding the district is held accountable to tax payers, parents and children of the district.

As Director of Financial Analysis for a large Corporation, I know how to meet the challenge of focusing every resource possible to the classroom on a limited budget.

Opponents may speak of "their education plan" for this district, but with my over eight years of experience as Board Member I have implemented and proactively affected this district by approving Charter Schools, demanding accountability and becoming a leader in eliminating bilingual education.

I will continue to emphasize the educational basics with added focus on computer technology to better prepare our children for the highly technical world we live in. I have the leadership experience and integrity necessary to lead this school system to improve the quality of education while maintaining fiscal responsibility.

Vote Rick Ledesma to represent Area 7. I won't let you, your children or our community down.
