PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

No one knows better than parents what their children need, and no one works harder than our teachers to prepare students to meet tomorrow's challenges. It is essential for parents and teachers to have a seat at the table when decisions are made. We need a team to make partnerships, not politics, a priority. We need a school board which respects the parents and teachers, working with them in partnership to make decisions about our schools.

As a teacher of 17 years and a parent of 3 children attending PYLSD schools, I see the benefits children receive from a quality education. Our graduates must be prepared for the life ahead of them, whether they are going to college or searching for a career. The district needs to continue recruiting and retaining highly-qualified teachers to ensure our students continue to receive a quality education.

I serve on the school bond oversight committee ensuring our taxpayer monies are spent correctly. I have been actively involved with the YMCA Parent/Child Program and have volunteered/coached for JUSA soccer for 9 years.

I am proud to have the support of local teachers and parents. I respectfully ask for your vote. Thank you.
