

**CECILIA AGUINAGA
SANTA ANA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

Occupation: Parent Coordinator, School Police. Human Relations Chair,
City of Santa Ana.

I've been an education advocate for over 20 years. First serving in the PTA
and later in other community organizations, I have a track record of building
consensus and getting results:

Historian, PTA District Council Board.
PAC Coordinator, California School Employees Association.
Executive Committee Board Member, (ROP) Regional Occupational
Program.
Member, United Mexican-American Veterans Association.
Vice President, Lion's Club.

On the Board, I will work to maximize educational opportunities for all
children:

Encourage open communication between schools and parents.
Attract and retain quality educators.
Increase student attendance and promote higher achievement.
Emphasize English instruction in every grade.
Provide greater financial accountability.
Increase occupational training programs.
Maintain campus security and clean schools.

A resident of Santa Ana for almost 30 years, I have three children (one a
Santa Ana Police Officer, and two attending Rancho Santiago College). I
know the importance of a good education for our children and I will be your
child's advocate on the board. Please feel free to e-mail me at
