

**AUDREY YAMAGATA NOJI
SANTA ANA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

As a 26-year resident of Santa Ana, I know our community and the importance of well-educated children. I'm a successful college educator, with 27 years experience as an administrator and faculty counselor.

As your school board member, I've played an instrumental role in redirecting the District. Recently, we've added nearly 400 new classrooms, opened a new elementary and two new high schools, and four new classroom buildings. We have led the County in improving our test scores with two more schools named California Distinguished Schools.

My platform = "ABC." "A" Academics. We must continue to improve test scores and prepare students for graduation, work, and college. We must emphasize a strong English reading and writing program and insist that all students master mathematics. "B" Budget. We must maintain a balanced budget, remaining transparent and accountable. "C" Construction. We must maintain progress in modernizing Valley High School, opening two schools under construction and improving the safety of schools.

I have the most endorsements from key community leaders. Many refer to me as "the voice of reason" and "the conscience of the school district." I believe I stand for integrity in leadership. I humbly ask for your vote. Thank you!
