

**JORDAN BRANDMAN
ANAHEIM UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

Occupation: Education Program Director

Our school district is at a crossroads. We need new leadership that will restore the trust of parents, students, teachers, and taxpayers.

I will use my leadership skills, commitment, and educational background to make our district the best it can be.

I earned my degree from UC Irvine, worked in environmental planning, and served as an education policy advisor to two Governors and our local Assemblyman.

Employed by the Orange County Business Council, my responsibilities include managing programs that give students the skills they need to achieve their career goals and become productive citizens.

As a trustee, I will work hard to make our district more fiscally responsible, reduce class size, provide more afterschool programs, and ensure that all our students are fully prepared for life after graduation.

To do this, our district must build real and lasting partnerships with everyone in the community.

I am endorsed by Mayor Curt Pringle, former Mayor and Orange County Clerk-Recorder Tom Daly, Orangewood Children's Home Founder and former Orange County Supervisor William Steiner, former California Education Secretaries Marian Bergeson and Richard Riordan, and many community leaders and groups.
