

**ANNEMARIE RANDLE-TREJO  
ANAHEIM UNION HIGH SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

I am a proud resident of Anaheim for 19 years, a mother of two school-aged children, a Classroom Assistant in the Anaheim City School District and a tireless advocate for quality education for every child.

As a parent and Teacher Assistant, I have seen first-hand how high quality education can change the lives of students and give hope to their parents.

If elected, I will work to restore trust in the School Board and build the relationships necessary to improve and maintain a quality instructional program for the students of the AUHSD. I will provide the needed oversight while completing the modernization of our schools without wasting the taxpayer's money.

My service on the PTSA Council and the Superintendent's Parent Advisory Council has given me a broad understanding of the workings of this district.

I have a reputation for working successfully with every interest group in the District and, as an active Board member, I pledge to be a bridge between parents, employees, the Superintendent, students and community members in the campaign to keep the Anaheim Union High School District among the best in the state.
