

**FRED QUIEL  
OCEAN VIEW SCHOOL DISTRICT  
GOVERNING BOARD MEMBER, FULL TERM**

My name is Fred Quiel, and I am running for OVSD Trustee. I am a married father of two daughters who are attending school in the Ocean View School District. I am an attorney managing my own law firm practicing Labor Relations & Labor Law. Prior to that I was a City Manager, Director of Finance and Budget, and a Human Resource Director. I became involved in OVSD over five years ago, when my eldest child enrolled in the District. My wife and I volunteer in the classroom and with the Parent Teacher Organization.

My agenda is simple:

A child advocate first;

Balanced budget, responsible spending, transparent accounting;

Maintain class size reduction;

Improve curriculum to meet the needs of our students;

Structure salaries to attract and retain the best District educators and support staff.

My goal is to work hard to assure that our children's best interests and needs are met. It is also to ensure our community offers the best opportunity for a successful education, and eliminate wasteful budget practices so our children benefit from our tax dollars.

I thank you for your vote, together we can improve our children's education.
