

**THANH "TAHNEE" PHAN  
WESTMINSTER SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

As a teacher who has dedicated my life to educate and prepare youth to reach their highest potential; I am well qualified to serve as trustee for the WSD.

I became a teacher after graduating from UCLA and receiving my Master's in Educational Administration. I am now a Student Programs Facilitator in a neighboring school district. I have taught the 1st, 4th, 7th and 8th grades. As part of the leadership team, I am assigned to train and guide other teachers. My experience extends beyond the classroom, working with students, parents, administrators, teachers and community organizations.

I have deep roots within the Westminster community. I am a product of the Westminster School District, having attended Anderson Elementary, Warner Middle School, and on to graduate from Westminster High School. My niece is currently a student in WSD. Like you, I have a stake in the WSD.

The School Board needs strong, new leadership, unafraid to make the tough decisions. I am that leader with the right commitment and experience. Working together, you and I can make our children the #1 priority again. I would be honored to have your vote.
