

**JUDITH (JUDY) ANN AHRENS
WESTMINSTER SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

Judith (Judy) Ann Ahrens, Incumbent

When you elected me to the Westminster School District, I pledged to support proven "Back-To-Basics" curriculum while maintaining sound fiscal policies. These four years I've worked alongside teachers and parents to keep that pledge.

I've helped lead our schools to state and national recognition with test scores improving each year. Last year our District was honored with a National Blue Ribbon school, two California Distinguished schools, three Title 1 Achieving schools, and the Golden Bell Award. Our achievement is a tribute to first-rate teachers, involved parents, and superior leadership.

I will continue to:

Support "the basics." I was instrumental in forming a diverse committee to research benefits of school choice and will support their recommendation that Westminster work towards establishing a Fundamental School.

Ensure a safe learning environment for all students and staff.

Emphasize the need for instilling patriotism.

Empower parents in the decision-making process including textbook selection, smaller classrooms and music programs.

Televising meetings will assure trustee accountability.

Please join my supporters:

Orange County Board of Education Trustee Dr. Ken Williams
HBUHSD Trustee Matthew Harper
SAUSD Trustee Rosie Avila
