

**LUPE FISHER
WESTMINSTER SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

Dear Neighbor:

As a grandmother, taxpayer and homeowner, I am deeply concerned about the constant controversies affecting our schools. There is too much politics going on, and students pay the price.

I will end the controversies and negative politics that hurt education, harm our children, and plague our community by focusing my energy on improving the education our children receive.

Students must learn English, Mathematics and Reading to compete in the global economy.

I worked for 26 years in our local schools and classrooms, as an instructional aide and as a curriculum lab technician assisting teachers with the development of classroom instructional materials.

My community service includes:

- Westminster Traffic Commissioner (2002 - 2004)
- Cultural Arts Commissioner (2002 - Present)
- President, Westminster Community Collaborative (1999 - 2002)
- Board member Senior Citizen Foundation (2003 - 2004)
- Nguyen BA Hoc Cultural Center - Certificate of Appreciation (2001)
- Citizens Academy Graduate - Westminster Police Department (1998)
- CA School Employees Association (CSEA) Member of the Year (1996)
- PTA Silver Honorary Service Award (1985)
- PTA Continued Service Award (1995)

Please join Westminster Mayor Margie Rice; Councilman Frank Fry; County Supervisors Chuck Smith and Lou Correa; Westminster Trustee Sergio Contreras and CSULB Professor KimOanh Nguyen by voting Lupe Fisher for Westminster School Board.
