

**PAT BATES  
COUNTY SUPERVISOR, 5TH DISTRICT**

Thanks to South County voters for giving me a first place victory in the June Primary.

I'm running for Supervisor to protect our quality of life. A 28-year South Orange County resident, my qualifications and experience include:

Governor Schwarzenegger's appointee to California Performance Review Commission.  
Chair, South County Working Group for Immigration Reform  
Vice-Chair, El Toro Reuse Planning Authority  
Longtime leader in our successful fight against El Toro Airport  
State Assemblywoman  
Mayor / City Councilmember  
Chair, Transportation Corridor Agency  
South County Chair - Jessica's Law

Priorities include:

Protect Taxpayers: As a conservative, I'll demand accountability in government to ensure our tax dollars are not wasted. I oppose higher taxes.

Reduce Traffic Congestion: Complete the 241. Open car pool lanes during heavy commute hours. All traffic relief options deserve thoughtful consideration.

Fight Illegal Immigration: Local law enforcement must enforce immigration laws. Prevent our tax dollars from benefiting illegal aliens.

Uphold Term Limits

Endorsements include:

Congressmen Ed Royce; Darrell Issa, Gary Miller, Ken Calvert; Senator Tom McClintock; Former Senator Marian Bergeson; Assemblymembers Todd Spitzer, Chuck DeVore, Mimi Walters; Supervisor Chris Norby; over 200 local elected officials, anti-airport leaders, law enforcement taxpayer organizations, immigration reform groups.
