

**CARMEN VALI-CAVE
CITY OF ALISO VIEJO
MEMBER OF THE CITY COUNCIL**

In many ways it seems hard to believe that it has been five years since we joined together to create our wonderful City and you elected me to serve on the first City Council.

As Chairman of the Cityhood Committee, I made several promises to you and with my colleagues we have delivered on those promises by:

- Keeping our tax dollars in town where they belong
- Providing local control over our land use planning
- Dramatically increasing police and public safety services
- Creating a resident-inclusive leadership style to our government
- Encouraging high quality businesses to establish here thereby creating better services, well paying jobs and additional sales tax revenue

Most importantly, we have been able to accomplish all this and much more without increasing taxes.

With your support, I want to continue to help Aliso Viejo develop as a true community with projects and programs designed to preserve and enhance our quality of life. Working together we can accomplish this through beautification projects and public safety programs which will foster our City's reputation as a great place to live, work, play, shop, and raise our families.

I would be honored to have your vote.
