

**CYNTHIA ADAMS
CITY OF ALISO VIEJO
MEMBER OF THE CITY COUNCIL**

Incumbent

It has been an honor to represent you as a member of the Aliso Viejo City Council. We have made great strides since incorporation five years ago.

I am proud of what we have accomplished. We have created a community with a strong sense of family, a focus on education and recreation and a wonderful quality of life for the families and children who live here.

We continue to experience phenomenal growth, including projects at the Aliso Viejo Golf Club, Vantis and the Summit Office complex. These well-planned projects add tremendous value to our community through new housing, office space, hotel opportunities and recreation amenities.

From our humble beginnings, we've held fast to our founding principles of budgeting services at realistic levels and utilizing a conservative model in forecasting revenues to maintain adequate fund balances, protecting the City from future uncertainties. Our prudent financial management ensures our fiscal health.

With your help and support in my re-election, I will work hard to ensure that Aliso Viejo continues to provide excellent public safety services and a fiscally sound, balanced City budget which, together, enhances and maintains the fantastic quality of life in this place we call home.
