

**LARRY FLYNN
CITY OF ALISO VIEJO
MEMBER OF THE CITY COUNCIL**

Since 1993, I have seen many changes in Aliso Viejo. I offer my experienced leadership to those crying out in Aliso Viejo.

I believe residents of Aliso Viejo are the true voice of the community. Families and friends living, playing and growing together make Aliso Viejo a great place to live. No elected representative should ever place personal aspirations or their ego ahead of maintaining the best quality of life possible for our families and our children in this community.

My Irish background taught me that the road holds many challenges, but if you are focused, you will always reach success.

There is no reason for the City to unrealistically demand control of expenditures over Non-Taxpayer AVCA dollars. Denying bathrooms in the parks for our children? Please.

As a Member of Council, my Agenda is to focus on family and growing our community in a positive way. Anytime the public wants to share their views and issues, I am willing to listen and even learn.

I'm here to serve this community. Nothing else. I hope the voters of Aliso Viejo feel the same.

Please Vote Larry Flynn for City Council on November 7th.
