

**RICHARD CHAVEZ  
CITY OF ANAHEIM  
MEMBER OF THE CITY COUNCIL**

What an honor it is to serve you as an Anaheim Councilmember, and to be appointed Mayor Pro Tem by my fellow council members. Prior to serving as a councilmember I proudly served our community as an Anaheim Firefighter and Paramedic.

My 33 years of public service have taught me to "stand" for what is right, fair and good. We as a community must "stand" united, for safe neighborhoods, a decent quality of life for our families, the safety of our children and seniors, and a secure future for our city.

It has been a privilege to "stand" for our citizens and accomplish the following;

- Placed more Police Officers on the streets, making neighborhoods safer.
- Approved the building of three new neighborhood Fire Stations.
- Opened the Anaheim Family Justice Center.
- Advocated for freeway congestion relief.
- Expanded parks and sports fields, and added a new library.
- Insured electric and water rates amongst the lowest in the county.
- Developed plan for 1200 affordable family housing units.

All this without raising taxes.

Please join Mayor Curt Pringle, Councilmember Lorri Galloway, and the Anaheim Firefighters as they support me and "stand" with you, as we continue to make Anaheim one of America's finest cities.
