

**LUCILLE KRING  
CITY OF ANAHEIM  
MEMBER OF THE CITY COUNCIL**

Occupation: Attorney/Businesswoman

I've spoken to Anaheim residents who say the current council is taking the city in the wrong direction; that Anaheim needs a councilmember who is a concerned leader, caring about our community and quality of life.

While serving on council from 1998-2002, I improved our city by:

Leading successful effort repealing 2.85% utility tax, saving ratepayers \$7,000,000/year.

Never voting for tax increases.

Voting for neighborhood beautification/revitalization projects.

Increasing funds to improve sidewalks, streets, sewers, parks, libraries, police/fire resources.

Preserving open spaces in Anaheim Hills.

Reducing crime: hired more police, strengthened community policing, kept INS officer at City Jail.

When elected I will:

Create responsible growth, providing jobs and housing while protecting neighborhoods.

Find long-term solutions for local/regional traffic/transportation issues.

Put interests of residents ahead of special interests.

Work with schools to improve education/reduce juvenile crime.

Avoid frivolous lawsuits, such as against the Angels, wasting millions of taxpayers' dollars that should be used to hire more police.

I serve on Chamber of Commerce, YMCA, Canyon Hills Community Council, Police Activities League, Memorial Medical Center, Rotary boards.

Vote for Lucille Kring, a name you know and trust.

I would be honored to have your vote. [www.LucilleKring.com](http://www.LucilleKring.com)
