

**BILL DALATI
CITY OF ANAHEIM
MEMBER OF THE CITY COUNCIL**

Faith, family and community are the motivators of my life. I am an honest person who is dedicated to service above self. The city of Anaheim is a vibrant, progressive and diverse community that needs leaders who understand its needs for the present as well as the future.

Our city is one that thrives on tourism. It is home to world famous venues that attract people from every country. Public safety is a top priority and I will work to assure that Anaheim has the best police and fire departments possible.

Traffic concerns affect Anaheim residents from the east hills to the west end. I will strive to find solutions to relieve congestion and promote mobility on surface streets as well as on the 91 freeway that runs the entire length of our city.

Anaheim currently has an affordable housing strategic plan, however, this plan will only be achieved by leadership that understands it's top priority. I will work with developers and staff to provide for the housing needs of families of every income level.

I humbly ask for your support and commit myself to you by making Anaheim the best place to live, work and play.
