

**BRETT MURDOCK
CITY OF BREA
MEMBER OF THE CITY COUNCIL**

Brea has shaped the man I am today. Since the age of four, I have been privileged to grow up in a community that is recognized as one of the best in America. Every time I walk through my neighborhood I'm reminded of the pride and genuine care we have for this city. It's that Brea spirit that has inspired me to run for City Council.

I have served the City of Brea for 20 years. As a manager in the Brea Community Services Department, I have developed programs that have received distinguished recognition throughout Orange County. My dedication to excellence and passion for serving people has earned me the trust and respect of thousands of Brea families.

I built my first business while at UC San Diego where I received my degree in Political Science. I started my second business here in Brea in 2001. I know that innovation and efficiency are crucial to business. Fourteen years of entrepreneurship has taught me the importance of managing resources and being fiscally conservative. I will share these values on the City Council.

I'll be your direct connection to the Brea decision-making process. I sincerely thank you for your vote.
