

**DONALD W. MCCAY
CITY OF BUENA PARK
MEMBER OF THE CITY COUNCIL**

Serving the citizens of Buena Park on the City Council is a great privilege. I've worked hard the last four years to do the best job I could do for all who live or work in Buena Park.

Thirty-two years on the Buena Park Police Department gave me the knowledge of how government works, and in particular, in the City of Buena Park. I was able to get to work immediately on our problems. Today, our financial strength is greatly improved. We're more prosperous, and the city looks better than four years ago. I'm proud of my part in these improvements.

I represent the people of Buena Park on the Board of Directors of the Orange County Fire Authority and on two panels that fund and oversee Measure M Transportation Projects. I continue to belong to the Lions Club, where I have the best job in Buena Park--portraying "Silverado Sam."

As a longtime Buena Park resident, husband and father, I'm sure my goals for our City are the same as yours: strong leadership to ensure effective Public Safety, common sense fiscal priorities and policies, community-wide economic growth and development, and a prosperous future for all.

Help me continue working for a better Buena Park. Reelect Don McCay.
