Occupation: Business owner/Age 46

For over 24 years, my husband Sal, our three children and I have proudly called Costa Mesa home. As a business owner and an active member of the community I work hard to make Costa Mesa a livable community. Known as a consensus builder, I have experience and a proven record to efficiently represent you.

As your Councilmember I will:

Make neighborhood safety a priority by strengthening our neighborhood watch programs and develop our neighborhood associations to improve and enhance our quality of life.

I will protect our open spaces; implement smart use of our land; and promote opportunities for youth sports.

I will demand transparency on the Council, ensure all segments of the community are represented; cut waste and focus on accountability; promote a business friendly environment.

I will strengthen our school-community partnerships to raise academic achievement.

Costa Mesa residents deserve a representative voice. I will be accessible and fight for your interest. I respectfully ask for your vote.
