

**ALLAN R. MANSOOR
CITY OF COSTA MESA
MEMBER OF THE CITY COUNCIL**

Having lived in Costa Mesa most of my life, I am honored to serve as your mayor. I am an Orange County Deputy Sheriff with over twelve years of law enforcement experience. During my term on council, I have worked with citizens from all parts of Costa Mesa to improve our city.

To reduce crime, I put forward a proposal for our police to work with Immigration Customs Enforcement to deport illegal immigrants who commit major crimes. We implemented overlay zones to revitalize our neighborhoods without Eminent Domain or additional traffic impacts. Our council made developers mitigate their traffic impacts to reduce traffic congestion. We increased sports field opportunities and added more police to decrease crime.

My goals are clear:

Tough gang enforcement

No new taxes

Oppose Eminent Domain, Support property rights

Affordable senior housing, Improved quality of life

Increase youth sports fields, without negative neighborhood impacts

Improve streets, synchronize traffic signals to move traffic efficiently

Beautification of our neighborhoods and streets

Make Costa Mesa as nice as our neighboring ocean oriented cities

Endorsements include: Congressman Dana Rohrabacher, Treasurer John Moorlach, Council Members Gary Monahan and Eric Bever, former Mayors Don Hall and Jack Hammett.

I respectfully ask for your vote. Thank you. www.allanmansoor.com
