

**ROB JOHNSON
CITY OF CYPRESS
MEMBER OF THE CITY COUNCIL**

Age: 49

Occupation: District Sales Manager

The first crucial duty newly elected council members will face is the selection of a new city manager. While the council determines city policy and direction, the "right" city manager is critical in implementing such policy, maintaining a quality staff, and overseeing the city's ongoing operations. My business background and participation in city government make me the most qualified candidate to help select the right person.

As district manager for a national company, I've made effective personnel decisions and successfully managed people, operations, and budgets.

As Cypress Recreation Commission Chairman, I experienced first-hand the intricacies of how our city operates.

Service on the Cypress Festival Committee, Cypress High Grad Night, Athletic Boosters, Girls Softball President, and AYSO Coach gives me keen awareness of what's important to Cypress citizens.

Married 27 years to Nancy – two daughters educated in Cypress schools.

Graduate of Millikan High, L.B.C.C., and CSULB.

As a former Long Beach Policeman – public safety is essential. I pledge to keep our department top notch.

Proud to be unanimously endorsed by the current City Council and many community leaders.

Vote for Rob Johnson. I'm ready to work hard to ensure Cypress continues to thrive.
